CONGRATULATING THE PARISH EPISCOPAL SCHOOL FOR THEIR SELECTION AS REGIONAL WINNERS OF THE 2015 TOSHIBA/NATIONAL SCIENCE TEACHERS ASSOCIATION EXPLORAVISION AWARD

HON. KENNY MARCHANT

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 13, 2015

Mr. MARCHANT. Mr. Speaker, I rise today in recognition of Rishul Rai and Pavitra Kumar of the Parish Episcopal School in Dallas, Texas, in my district, for their recent selection as the Region 5 winner of the Grade 4–6 age group of the 2015 Toshiba/National Science Teachers Association (NSTA) Exploravision Award. With 5,000 teams entered within 6 regions, this is an incredibly impressive accomplishment.

The Toshiba/NTSA Exploravision competition goes beyond a typical student science competition. Teachers guide groups of 2–4 students through a simulation of real research and development as they pick a current technology and envision how it will look in 20 years, as well as the breakthroughs necessary to reach that point. Rishul and Pavitra's entry, Dehydra DH, uses wearable technology to determine the dehydration level of athletes by monitoring the level of salt in a player's sweat. The device would then alert the player, coaching staff, or medical personnel if severe levels

are reached. The focus on the STEM field is growing increasingly important, and competitions like these that foster that development inherently improve our nation and its future. The Dehydra DH entry for the Exploravision Award by the Parish Episcopal School is truly impressive, and these students are very deserving of this honor.

Mr. Speaker, on behalf of the 24th Congressional District of Texas, I ask all my distinguished colleagues to join me in honoring this great achievement by Rishul Rai and Pavitra Kumar of the Parish Episcopal School of Dallas.

HONORING JEFFREY BUJER AND HIS WORK WITH SABAN COMMUNITY CLINIC

HON. TED LIEU

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 13, 2015

Mr. TED LIEU of California. Mr. Speaker, I rise today to honor Jeffrey Bujer.

Jeffrey Bujer is the current Chief Executive Officer of Saban Community Clinic. He began working for Saban Community Clinic in 1998, when it was known as the Los Angeles Free Clinic. He joined the organization as its Chief Financial Officer and moved into a co-CEO role before becoming the sole Chief Executive Officer in 2012.

Under his leadership, Saban Community Clinic has greatly evolved in its structure and brand. It has moved from a free clinic structure to a Federally Qualified Health Center and has grown from a staff of 62 serving 9,000 patients each year to a staff of over 200 serving 20,000 patients each year. The Clinic has expanded its services to include both primary care and mental health treatment. Jeffrey led the Clinic in expanding to three locations in Los Angeles and implementing an electronic health record system. In 2007, Jeffrey oversaw the capital campaign that raised \$17 million in honor of Saban Community Clinic's 40th anniversary.

Jeffrey has touched countless lives in his leadership role and will be missed by all when he leaves his position this year. His passion for serving others and commitment to health care for all is an inspiration. Our community owes a debt of gratitude to Jeffrey Bujer for his hard work and dedication.

I ask my colleagues to join me in recognizing Jeffrey Bujer and wishing him well for the future.

IN HONOR OF THE 100TH ANNIVERSARY OF THE BOROUGH OF MAGNOLIA

HON. DONALD NORCROSS

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 13, 2015

Mr. NORCROSS. Mr. Speaker, I rise today to honor the One-hundredth Anniversary of the founding of the Borough of Magnolia in Camden County, New Jersey.

On April 14, 1915, the citizens of the future Borough of Magnolia were formally recognized by the New Jersey Legislature as an inde-

pendent borough out of Clementon Township. However, history for this small town did not begin in 1915. Settled in 1685, the area we know today as Magnolia, New Jersey has a deep history of rich involvement in the South Jersey community as one of the first settled communities of colonial New Jersey.

The land that makes up Magnolia was once inhabited by the Native American Tribe of Lenni-Lenape who lived peacefully alongside Quaker farmers. William Penn, the future founder of Pennsylvania, worked diligently with this dedicated group of Quakers to settle in the southern section of colonial New Jersey. These settlers practiced a modest way of living based on agriculture and timber production. Over the next three hundred years, the community in the Magnolia area thrived, and in the past century, the population of Magnolia has quadrupled to over 4,000 today.

Mr. Speaker, the Borough of Magnolia is small in size, but it is enormous in heart and community, a feeling that is best encapsulated through its motto: "One Square Mile of Friendliness." This week, as the people of Magnolia celebrate their Centennial celebrations, I congratulate the citizens, Mayor BettyAnn Cowing-Carson, and council of Magnolia on their past one hundred years of experiences and accomplishments and wish them another hundred years of richness and good fortune.

25TH ANNUAL LOCAL COLORS FESTIVAL

HON. BOB GOODLATTE

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 13, 2015

Mr. GOODLATTE. Mr. Speaker, as the Roanoke community prepares to celebrate the 25th Annual Local Colors Festival, I want to take this opportunity to express my deepest thanks to my constituent, Pearl Fu, for her leadership of the Roanoke Valley's annual celebration of our diverse heritage.

Pearl is a truly special individual and has played an instrumental role in bringing the Roanoke Valley together over the last quarter century. She has offered Local Colors as a special event to remind us that, as Americans, we are one country out of many nationalities that have preceded us on these shores. In Local Colors, she solidified a celebration of the varied cultures that make up the Roanoke region. She helped increase awareness of our history—a melting pot of origins, races, and ethnic backgrounds.

Late last year, Pearl marked the culmination of her leadership of this event. Local Colors is known by many for what they encounter at the festival—a day to share food and fellowship; enjoy music, arts, and crafts; and, experience the languages, attire, and traditions of the more than 100 countries whose roots have been planted in Roanoke and its neighboring cities, towns, and counties.

However, I also want to recognize Pearl for what she did day in and day out for so many years. Through Local Colors, she worked with many other individuals and organizations to offer language translations and conflict resolution, publicity in the local media, and multicultural education for schoolchildren, community organizations, government officials, and businesses. Without Pearl at the helm, none of this would have been possible.

I fondly remember selecting Local Colors as a “Local Legacy” project in 1999, bringing national recognition from the Library of Congress that has permitted so many people around our nation and around the world to experience what Local Colors is all about. They can visit the Library of Congress, view the digital recognition on the Internet, or visit the festival to see all that it has become.

Local Colors is truly one of America’s proud traditions. Pearl can stand assured that she has been responsible for its success and the community is thankful to her for helping them experience such a memorable event over so many years.

As Pearl steps away from the leadership of Local Colors, I and so many others will continue to support and experience Local Colors as a way of showing the world that we are truly one nation. I extend my gratitude to Pearl for making it all possible for us and for her deep spirit of goodwill.

HON. BENNIE G. THOMPSON

IN THE HOUSE OF REPRESENTATIVES

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor Bahati S. Harden, MD, who has achieved remarkable success and has been exemplary as a physician and a public servant.

Dr. Harden was born in Adams County in Natchez, MS on June 24, 1979 to the late George Harden and Deborah Harden. Being the baby girl, she was a godly child who called her father her best friend at an early age and grew up in a household of love and support.

REMEMBERING THE LIFE OF MRS.
CARRIE ‘GRANDMA’ REIGLE
(RIZZI) REIGLE

HON. TIM RYAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 13, 2015

Mr. RYAN of Ohio. Mr. Speaker, I rise today to remember the life of Mrs. Carrie Reigle, who passed away peacefully in the presence of her family on Easter Sunday. Carrie was known to all of us as Grandma Reigle. She was born on October 24, 1917 to her loving parents Vincenzo and Angelina Rizzi. She attended Niles High School and after graduating she attended the Choffin School of Nursing, completing her degree in 1960.

It came as no surprise that Carrie spent her life’s work as a nurse mending the broken. To all who knew her she was a caring person whose love and compassion stemmed beyond measure. Carrie’s early career consisted of her hard work in the Intensive Care Unit as a nurse at Northside Hospital. She spent twenty-two years at her post until retiring in 1983. Even in retirement Carrie’s commitment to helping others led to her return to nursing in 1984 at the Shepherd of the Valley Nursing Home in Niles, Ohio.

In 1996, she retired from Shepherd of the Valley, but still decided she had more to give.

She later returned to nursing part-time with Dr. Pokabla at his office in Howland, Ohio until 2002 where she fully retired at the age of 84. She was very proud of her nursing career as it brought her so much happiness.

Carrie’s greatest pride and joy were her family and friends. She married the love of her life, Sam “Kinger” Reigle on October 19, 1937. The two spent over forty years happily married until Mr. Reigle’s passing on Christmas Day in 1980. Carrie enjoyed life to the fullest and took pleasure in cooking her famous Italian meals. I grew up with Grandma Reigle’s grandson Sammy. And almost every day as a young boy, I would stop by Sammy’s house to see what Grandma Reigle had cooked. She always had homemade Italian pizza, or soup, or pasta fagioli. She loved to cook and then watch us eat. We would sit around with our friends and play games and Grandma Reigle would feed us. She was always warm and caring and she was a most wonderful Grandma.

Carrie is preceded in death by her husband Sam, parents Vincenzo and Angelina, brothers Sam, Anthony, and Joseph, sisters Elizabeth, Mary, Lucille, and Angie, as well as her dear friend Jane Logar. Carrie leaves behind her son Richard, grandson Sam and wife Lori, two great-grandchildren, Isabella and Sammy, her nieces and nephews, and her great-nieces and nephews. Carrie made our community a better place to call home. She warmed the hearts of many and will be remembered as sweet Grandma Reigle. I am deeply saddened by her passing and will miss her. We all are better people because Grandma Reigle touched our lives. Thank you Carrie for all of your hard work and service, your compassion for others will continue to live on through the many lives you have touched.

IN RECOGNITION OF RAY
MILLER’S RETIREMENT

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 13, 2015

Mr. KEATING. Mr. Speaker, I rise today to recognize Ray Miller, a thirty year veteran of the Coast Guard Reserves and the Commander of the American Legion post in Hanover, Massachusetts.

Mr. Miller’s career in the Coast Guard Reserves led him to serve this great nation in her darkest moments. In the days immediately following the September eleventh terrorist attacks, Mr. Miller was called into active duty to help secure our shores against those who sought to sow continued chaos. In the aftermath of Hurricane Katrina, Mr. Miller once again answered the call of duty by deploying to Mobile, Alabama to help restore normalcy to the lives of those residents of the Gulf. And when that normalcy was disrupted once more in the Deep Water Horizon crisis, Ray Miller did not hesitate to once again help the residents of the Gulf of Mexico.

Closer to his home, Mr. Miller helped keep Boston safe during the Democratic National Convention in the summer of 2004. And then again in 2012, he served the people of this region by aiding the recovery efforts in the devastating aftermath of Hurricane Sandy. The veterans and members of the American Legion community in Hanover have been well
