#### HONORING THE SERVICE OF REVEREND GUY S. MCKENZIE

##### HON. ANDY BARR

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 2, 2015*

Mr. BARR. Mr. Speaker, I rise today to recognize an outstanding individual, Reverend Guy S. McKenzie of Owingsville, Kentucky, for his distinguished military service during World War II. Reverend McKenzie served our nation in uniform from 1943 to 1946.

Reverend McKenzie spent his early years in farming. At the age of 19, he enlisted in the United States Navy. Shortly after enlisting, he began a three year tour in the South Pacific.

Not long after his deployment, Reverend McKenzie was assigned to the USS *Houston*. While the ship was traveling from Pearl Harbor to Formosa, now known as Taiwan, the ship came under heavy fire from the Japanese. It was torpedoed by a Japanese submarine, cutting an immense gash in the side of her hull. As the ship was sinking, Reverend McKenzie thought about his life and wondered if these were his final moments on earth. He jumped in the water, began to pray, and promised the Lord that he would serve him for the rest of his life if he would be spared. After floating for some time in the ocean, the USS *Lofberg* came along and rescued McKenzie and the remaining survivors.

Reverend McKenzie spent the rest of his tour of duty aboard the USS *Lofberg*. He was honorably discharged from the United States Navy in 1946 with the rank of First Seaman and returned home to his family. Two years after his return, he kept his promise and gave his life to the Lord.

Ten years later, he began preaching. Reverend McKenzie retired after 26 years of pastoring. Because of his love, compassion, and caring service, he impacted many lives. Reverend McKenzie has been married to Joyce for 70 years. They have six children, eleven grandchildren, ten great grandchildren, and two great, great grandchildren. Reverend McKenzie is to be commended for his brave service to his country, his strong passion for the Lord, and his loyal life as a family man.

Reverend McKenzie's bravery and that of his fellow men and women in uniform secured our freedoms for future generations. He is truly an outstanding American, a protector of freedom, and an inspiration to us all.

#### HONORING THE WAL-MART DISTRIBUTION CENTER

##### HON. JASON SMITH

OF MISSOURI

Mr. SMITH of Missouri. Mr. Speaker, I rise today to honor the Wal-Mart Distribution Center located in St. James, Missouri, for being named the Wal-Mart Distribution Center of the Year for 2014. In order to receive this award, the employees of the distribution center in St. James distinguished themselves through their hard work, dedication, and by setting an example for others to follow. I am very proud of their service to the community of Phelps County and the surrounding area.

Their work ethic is truly admirable and it is my pleasure to recognize their achievements before the House of Representatives.

#### INTRODUCTION STATEMENT: GUN VIOLENCE RESEARCH LEGISLATION

##### HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 2, 2015*

Mrs. CAROLYN B. MALONEY of New York. Mr. Speaker, today I am proud to reintroduce legislation to finally permit the use of federal funds for long overdue research on firearm safety and gun violence.

For too long, Congress has failed to address the public health crisis caused by gun violence. On average, there are 32,000 deaths and 76,000 injuries from gun violence each year in the United States. Gun deaths now outpace traffic fatalities in our country. It is time to address the epidemic of gun violence and prevent future incidents. Public health research will help identify effective solutions we can implement in order to save lives.

The bill I introduce today, with companion legislation introduced by Sen. ED MARKEY,

would authorize \$10 million in annual funding for the Centers for Disease Control and Prevention (CDC) through Fiscal Year 2021. This funding will allow the CDC to implement the research agenda outlined in a 2013 report issued by the Institutes of Medicine that identified areas in need of study to better understand the underlying causes of gun violence and develop strategies for prevention.

Federal funding for gun violence research halted in the mid-1990s. As a result, policymakers and community leaders lack the authoritative public health research they need to address the horrifying persistence of gun violence. We have more gun-related deaths than any other developed country, yet we lack comprehensive, scientific information about the causes and characteristics of gun violence.

This public health crisis cannot be ignored any longer, and I'm proud to introduce this legislation that addresses the epidemic of gun violence and identifies the best strategies to prevent future incidents.

**IN HONOR OF CHRIS NORTON, LU-  
THER COLLEGE CLASS OF 2015  
AND SPINAL CORD INJURY AD-  
VOCATE**

**HON. ROD BLUM**

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 2, 2015*

Mr. BLUM. Mr. Speaker, I rise today to honor Chris Norton, an advocate for those recovering from spinal cord injuries and a graduate of Luther College, Class of 2015 in Decorah, Iowa.

During his freshman football season, Chris sustained a serious injury that left him paralyzed from the neck down. In the aftermath of his injury, doctors informed Chris he had a 3% chance of ever walking again. This exceptional young man, after years of physical therapy and rehabilitation, overcame those odds and walked across the stage at his graduation this past weekend.

Moved to action by people with similar injuries he met during his rehabilitation, Chris, his family, and his friends started the Spinal Cord Injury (SCI) CAN Foundation. This foundation is committed to increasing access to quality therapy options for those with spinal cord injuries. Recently, SCI CAN donated \$60,000 to Des Moines University, bringing the total donations of the Foundation to nearly \$375,000 to assist in spinal cord injury recovery.

I applaud Chris' important work with SCI CAN, his message of hope and healing, and wish him well as he continues to recover from his injury. I firmly believe Chris is both an inspirational figure and asset to his community. I wish Chris and his family the very best as they begin the next chapter of their lives.

I encourage everyone to learn more about the SCI CAN Foundation by visiting their Facebook page at [www.facebook.com/TheSciCanProject](http://www.facebook.com/TheSciCanProject).

**HOW TO PREVENT THE FALL OF  
BAGHDAD**

**HON. PETER T. KING**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 2, 2015*

Mr. KING of New York. Mr. Speaker, Islamic State (ISIS) is a massive threat to America's national interests and to human decency. Each day brings more news of ISIS advances, terrorist attacks, military gains and horrible atrocities. And each day the Administration continues to deny its policies are failing.

Mr. Speaker, I believe that ISIS can indeed be stopped if it heeds the thoughtful recommendations which Kevin Carroll detailed in his May 27, 2015 Wall Street Journal OP/ED ("How to Prevent the Fall of Baghdad").

Mr. Carroll speaks with authority and first-hand knowledge. He served as a U.S. Army officer in Iraq and Afghanistan and as a CIA case officer in a Middle East war zone. Also, I had the benefit of having Kevin Carroll serve as Senior Counsel when I chaired the House Homeland Security Committee in 2011–2012. I found his advice to be invaluable. I urge the Administration to follow his advice today. I am proud to submit Kevin Carroll's article and urge all members to read and give thoughtful consideration to his proposals.

ISLAMIC STATE IS LIKELY TO USE THE TACTICS THAT WORKED IN RAMADI. THE U.S. CAN DO MUCH TO CHANGE THE OUTCOME

Islamic State, also known as ISIS, has seized control of Ramadi, the capital of Anbar province just 70 highway miles from Baghdad. Fallujah, located between, is already a terror stronghold.

There is little doubt that ISIS leader Abu Bakr al-Baghdadi plans to capture the city whose name he bears. A man who declared himself a caliph, Baghdadi knows his home was the seat of the Abbasid caliphate, founded in the eighth century to which ISIS would like to return.

It would be a mistake for the Obama administration to continue to underestimate ISIS as the junior varsity. ISIS demonstrated operational capability recently, attacking in opposite directions to occupy both Ramadi and Palmyra, deep inside Syria.
