

HONORING FORMER CERES POLICE CHIEF GAIL W. "PETE" PETERSON

HON. JEFF DENHAM

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 17, 2015

Mr. DENHAM. Mr. Speaker, I rise today to acknowledge and honor the life of a leader in the Ceres community, former Ceres Police Chief Gail W. "Pete" Peterson. The beloved father, son and husband died peacefully at the age of 77 after a courageous eight month battle with bladder cancer.

Pete was born on November 28, 1937 to Milburn and Lucille Peterson in the charming town of Panton, Illinois. In his adult years, Pete found his calling in law enforcement when he became a reserve officer for the Newport Beach Police Department. Following his service in Newport Beach, he moved to the Laguna Beach department and then on to the City of Orange, known as a "major city with small-town ambiance."

During Pete's time at the Orange Police Department, he took many different positions. Initially, he started as a patrolman, but was quickly promoted to the first accident investigation officer. Not one to rest on his laurels, he became a motorcycle officer and continued to further his career by being promoted from Sergeant to Lieutenant. From there, Pete migrated to Idaho where he became the Chief of Police for the Moscow Police Department.

Chief Peterson began his distinguished career with the Ceres Department of Public Safety on June 30, 1983 where he spent sixteen years of his life being a local hero. Pete was involved in integrating the Ceres Police Department headquarters and the Ceres Fire Department into one department of Public Safety. He introduced new technology and instrumental programs into the police department such as mobile data terminals, the canine unit and a motorcycle unit which the department still utilizes today.

Admired by each member of the public safety family, Chief Peterson is fondly remembered for positively impacting the lives of his fellow officers by his concern, dedication and leadership. To honor him, his name will be put on the new Ceres Police Department building where his commitment to serving the Ceres community can be forever acknowledged.

Believing that community involvement is important, Chief Peterson was an active member of the Rotary Club of Ceres and the Ceres Lions Club. In addition, he was also the former president of the Stanislaus County Peace Officer Association.

After retiring in 1999, Pete and his loving wife of 27 years, Karen Peterson, spent time at their vacation homes but made their residence in Modesto, California. Together they have a large, loving family who were there at every opportunity to lend their love and moral support. Pete is survived by his daughter, Lisa Kermode and sons: Brett Peterson, Jeff Peterson, Steve Peterson, Ken Katz, Kim Katz, Khris Katz, and Kurt Katz as well as his grandchildren, Jeff Cravens, Jesse Peterson, Shaun Peterson, Tanner Peterson, Matthew Peterson, Jordan Katz, Rebecca Hailstones, Kelly Kermode, Abigale Kermode, Chelsea Hanneyer, Jo Lynn Peterson, Hannah Peterson, Erika Webber, Brittaney Da Branca, Kendra Katz, Tara Katz and six great grand-

children. Pete is preceded in death by his parents and oldest son, Chris Peterson.

Mr. Speaker, please join me in honoring and recognizing Gail W. "Pete" Peterson for his unwavering dedication to the Ceres Department of Public Safety and the community at large. He was a true hero to his family, fellow officers and the City of Ceres; he will be deeply missed by many. God bless him always.

PERSONAL EXPLANATION

HON. PETER WELCH

Mr. WELCH. Mr. Speaker, I would have voted 'Aye' on the Schiff of California Amendment No. 6 to H.R. 2596.

REMEMBERING JOAN MARIE DONNELLY

HON. ALAN GRAYSON

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 17, 2015

Mr. GRAYSON. Mr. Speaker, on July 16, 2010 at 2:45 p.m., an email was sent to proud grandparents to announce the birth of their seventeenth grandchild, born earlier that day, "Mom and baby boy are both doing well". Joan Marie Donnelly had given birth to her son, Max. Her parents, Bob and Rose Mary Donnelly, were overjoyed and her husband and daughter, Todd and Sofie Marie, were preparing for little Max's homecoming. What a spectacular moment in a family's life. Unfortunately, this abundance of happiness soon turned into tragedy. Joan suffered from eclampsia and died at their home just days after giving birth on August 6, 2010.

Worldwide, preeclampsia and other hypertensive disorders of pregnancy are a leading cause of maternal and infant illness and death. Thousands of women and babies die or get very sick each year from preeclampsia, a life-threatening disorder that occurs only during pregnancy and the postpartum period. Eclampsia is a variant of preeclampsia that causes seizures to occur. For Joan, this tragedy could have been prevented, but instead Joan succumbed to a perfect storm of neglected symptoms.

"The Donnelly Clan", a Catholic, Irish and Italian Family from West Virginia included Bob, Rose Mary and their nine children. Joan was their eighth child, born on May 24, 1967. Joan had a wonderful smile and a laugh that was contagious and she had dreams to travel, start a career, fall in love, have children, save animals, and help her family. Her dreams came true when she moved to Florida and started her 22-year career with Walt Disney World. She met Todd in 2001 when the two became good friends while traveling. They were married in Florence, Italy in 2006.

Joan had three pregnancies with two births as did her youngest sister, Mia. Their mother similarly had twelve pregnancies with nine births. These three women were each diagnosed with preeclampsia, are diabetic, and suffered miscarriages. The death of a child is one of the hardest obstacles in life. The pain

of having your child go before you is unspeakable.

Joan's life was celebrated at her funeral mass on August 12, 2010 with over 300 mourners. Joan will be remembered, not by her death, but by how she lived her life.

Joan's family has hope that changes can be made to federal law in honor of Joan to save women who are at high risk of preeclampsia from suffering as she did. The family advocates for a number of reforms to prevent eclampsia including better screening during pregnancy; proper testing; more education for patients and doctors on preeclampsia and eclampsia; and longer hospital stays. Joan's family will continue to educate the public about preeclampsia and eclampsia by talking about Joan to all that will listen so that her untimely death is not in vain.

RECOGNIZING KIWANIS INTERNATIONAL

HON. MICHAEL G. FITZPATRICK

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 17, 2015

Mr. FITZPATRICK. Mr. Speaker, congratulations to Kiwanis International on the 100th anniversary of a global service organization of more than 600,000 members. Kiwanis club members contribute to their communities in countless ways through service projects and fundraising. Along with the recognition of this milestone day, Kiwanis clubs in Bucks County have carried on the Kiwanis mission of changing the world, one child and one community at a time. Each year, Kiwanis raises more than (U.S.) \$100 million and acquires 18.5 million volunteer hours toward strengthening their communities and serving children. In addition to its community work, The Eliminate Project is a notable Kiwanis campaign that focuses on saving and protecting millions of mothers and their future children. In partnership with UNICEF, the clubs are working to eliminate a disease that kills one baby every 11 minutes and has pledged to raise (U.S.) \$110 million toward this life-saving goal. Again, congratulations for 100 years of dedicated service to the worldwide and local communities and best wishes for future success.

IRS BUREAUCRACY REDUCTION
AND JUDICIAL REVIEW ACT

SPEECH OF

HON. CHRIS VAN HOLLEN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 11, 2015

Mr. VAN HOLLEN. Mr. Speaker, I rise in support of the Trade Preferences Extension Act, which will extend important trade preferences to our partners around the world.

First, this bill extends the African Growth and Opportunity Act (AGOA) until September 2025. This will expand preferences and reduce trade barriers with African countries and foster U.S. investment in the region. It will also help to promote social and economic development and empower farmers and women through sustainable agriculture assistance.

The bill also retroactively renews and updates the General System of Preferences (GSP), which reduces trade barriers by allowing various products from developing countries to enter into the U.S. duty-free. This program expired in July 2013 and I am glad to see that it has finally been renewed.

It also extends trade preferences with Haiti and ensures that we continue to assist Haiti's recovery and support its economy. In addition, the bill will also help outerwear and footwear imports by reducing duty rates and creating a new category of product that will include protective active footwear.

I am also pleased that it strikes the Medicare pay-for found in the Trade Adjustment Assistance package and replaces it with a different offset that I helped identify. In addition, I am pleased that this bill will support community banks by reducing burdensome reporting requirements. These measures represent a significant effort to reduce trade barriers and support our partners around the world and I urge a YES vote. I hope that the Senate will pass this legislation expeditiously and send it to the President's desk.

HONORING JESSICA OCAMPO FOR
RECEIVING THE 2015 CONGRES-
SIONAL AWARD GOLD MEDAL

HON. ANDER CRENSHAW

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 17, 2015

Mr. CRENSHAW. Mr. Speaker, I rise today to recognize a young leader from North Florida who has been selected as a winner of the 2015 Congressional Gold Medal Award. Jessica Ocampo has shown incredible dedication in completing the rigorous challenges that the Gold Medal demands. She has set and achieved goals in volunteer public service, personal development, physical fitness, and exploration. Ms. Ocampo and her comrade, Sabrina Saintil, are the first two Congressional Gold Medal recipients from the 4th District of Florida and I could not be more proud to recognize both of them.

Ms. Ocampo is currently studying at Florida State College of Jacksonville and plans to attend the University of North Florida after her graduation. She tutors her fellow students in Spanish at FSCJ and despite the huge load of requirements the Gold Medal requires, she still finds time to work in a doctor's office during her free time. This inspiring young woman has shown incredible passion, not only in her pursuit of education, but also in her work to better the greater Jacksonville community.

As a part of their exploration requirement for the Award, Ms. Ocampo planned and went on a historical journey that began in Savannah, Georgia. From there, she ventured through the historic downtown section of the city and proceeded to Koinonia Farms, the birthplace of Habitat for Humanity. From there, she travelled to President Jimmy Carter's home in Plains, Georgia, followed by a trip to Global Village, a model village containing various types of homes built in Habitat for Humanity communities worldwide. Their last stop on the historical exploration was the Kingsley Plantation back in Jacksonville.

I am so proud of what this young woman has accomplished. When I look at all that she

has done, I am not worried about the future of this great nation, for we will surely have great people to lead it. I would also like to take this time to recognize Kathy Christensen from Habitat for Humanity, who served as Ms. Ocampo's adult advisor and has been essential to the success of this program in Jacksonville. Thank you, Ms. Christensen, for all that you do and for your constant assistance and support.

I first met Ms. Ocampo back in 2012, and since then she has grown both as an individual and as member of the Jacksonville community. I could not be happier with Ms. Ocampo's success in receiving the Congressional Gold Medal Award, as it stands as proof of a culmination of years of hard work and sacrifice. Mr. Speaker, please join me in congratulating this young leader of Northeast Florida.
