HONORING THE LIFE AND LEGACY  
OF JACK SANTOS SHIMIZU

**HON. MADELEINE Z. BORDALLO**

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 23, 2015*

Ms. BORDALLO. Mr. Speaker, I rise today to honor the life and legacy of my dear friend Jack Santos Shimizu. Mr. Shimizu served our island and country faithfully and passed away on June 5, 2015 at the age of 75.

Jack was born on March 23, 1940 to Joaquin Torres Shimizu and Ana Santos Shimizu. He grew up in the village of Dededo and was a member of the first graduating class of Santa Barbara Catholic School. As a child, Jack survived the Japanese occupation of Guam during World War II and was a member of Guam's greatest generation. He joined the United States Navy in 1957 at just 17 years old. Jack served in the U.S. Navy for 28 years before retiring as Master Chief Petty Officer in July 1985.

Upon retiring from the Navy, Jack returned to Guam and settled in Latte Plantation in the village of Mangilao. He continued a life of service to our community and served in several positions in the Government of Guam. He was appointed the Chief of Police of the Guam Police Department and the Director of the Guam Department of Corrections.

Most notably, Jack dedicated much of his time to helping veterans. He was instrumental in founding the Guam chapter of the Military Order of the Purple Heart (MOPH). Jack was the current Commander of the Asia-Pacific Military Order of the Purple Heart. He devoted his time to carry out the mission of the MOPH to foster an environment of goodwill and camaraderie among combat wounded veterans, promote patriotism, support necessary legislative initiatives, and most importantly, provide service to all veterans and their families. Jack was active in promoting the organization to Purple Heart recipients and making them aware of services that were available to them. He, along with other members would visit homebound residents to assess their needs and offer assistance. He would also lead the organization in fundraising to assist other charitable organizations. Additionally, Jack volunteered his time at the Veterans Affairs Office in Asan. He will be remembered as a loving and giving man who was always willing to help others.

I am deeply saddened by the passing of Mr. Jack Santos Shimizu, and I join the people of Guam in celebrating his life and recognizing his dedicated service to Guam and our country. My thoughts and prayers are with his wife, Teresita Quintanilla Shimizu, his children, family, loved ones and friends. He will be missed, and his memory will live on in the hearts of the people of Guam.

HONORING INTERNATIONAL YOGA  
DAY

**HON. ELIOT L. ENGEL**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 23, 2015*

Mr. ENGEL. Mr. Speaker, I rise today to honor a global day of physical and mental exercise as the world celebrates International Yoga Day on June 21, 2015.

Yoga is a physical, mental, and spiritual practice that aims to integrate the body and the mind. It encourages participants to assume various postures and to conduct breathing exercise, subsequently allowing them to achieve a deeper sense of consciousness and tranquility.

Developed around the fifth and sixth century BCE by the ancient Indian civilizations of the Indus River Valley, yoga is a hallmark of the Indian culture. The world's religions that originate from India—Buddhism, Hinduism, and Jainism—utilize yoga as a central part of their religious and cultural traditions. In fact, yoga appears prominently in the Bhagavad Gita, one of Hinduism's most important texts, and in some of the earliest Buddhist texts.

In the mid-19th century, the Western public gained an active interest in yoga, valuing the practice for its transcendental experience. By the 1980's, yoga became viewed as a means to promote physical wellbeing, citing improvements to mental health and flexibility.

On December 11, 2014, the United Nations General Assembly declared June 21st as International Yoga Day. The importance of this special day cannot be understated, because as the saying goes, "in the practice of yoga, one can emphasize the body, the mind, or the self and hence the effort can never be fruitless."

This year, there will be a rally on June 21 celebrating International Yoga Day in Times Square. I am honored to recognize the invaluable gift of consciousness and well-being that yoga has brought to the people of the United States and the world, and I wish the participants of International Yoga Day a stimulating experience.

THE INTRODUCTION OF THE  
MAJOR GENERAL DAVID F.  
WHERLEY, JR., DISTRICT OF CO-  
LUMBIA NATIONAL GUARD RE-  
TENTION AND COLLEGE ACCESS  
ACT

**HON. ELEANOR HOLMES NORTON**

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 23, 2015*

Ms. NORTON. Mr. Speaker, today, I introduce the Major General David F. Wherley, Jr., District of Columbia National Guard Retention and College Access Act (NGRCA) on the six-year anniversary of the tragic June 22, 2009 Metro crash, where General Wherley, former Commanding General of the D.C. National Guard, his wife, Ann, and seven others were killed when Metro trains collided on the Red Line. Yesterday, the District of Columbia opened Legacy Memorial Park in Ward 4 to honor those who lost their lives and the 70 area residents who were injured. My bill would permanently authorize funding for a program that provides grants for higher education to members of the D.C. National Guard, which is funded by the federal government. I have re-named this bill after General Wherley because he worked tirelessly with me to get funding for the program for many years, and because of his devotion to the youth of the District of Columbia.

The NGRCA authorizes an education incentive program, recommended by the late General Wherley and his successor, Major General Errol Schwartz, to stem the troublesome loss of members of the D.C. Guard to other units. Surrounding states offer such educational benefits to their Guards. I am grateful that Congress has provided funds for the program in recent years, most recently in fiscal year 2015. Naming a permanently authorized program after General Wherley would memorialize his service to the country and to the Guard in a way that I know his family would appreciate. Authorizing funding is necessary to ensure that D.C. Guard members receive the same treatment and benefits as other National Guard members, particularly those in states that provide the higher education benefits we seek for D.C. Guard members. The Guard for the nation's capital has a limited ability to compete for regional residents, who may find membership in the Maryland and Virginia Guards more beneficial. A competitive tuition assistance program for the D.C. Guard will provide significant and much needed incentives to help maintain enrollment and level the field of competition. The D.C. Guard is a federal instrument not under the control of the mayor of the District of Columbia. The federal government supports D.C. Guard functions and should support this small benefit as well.

I appreciate that the Congress has not hesitated to fund the education benefits for the D.C. National Guard. These small education incentives have not only encouraged high-quality recruits, but have helped the D.C. Guard to maintain the force necessary to protect the federal presence here, including in the event of a natural disaster or terrorist attack. I am pleased to introduce the bill based on the advice of Guard personnel, who best know what is necessary.

I urge my colleagues to support the bill.

HONORING THE 175TH ANNIVERSARY OF THE LICKING UNITED  
METHODIST CHURCH**HON. JASON SMITH**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 23, 2015*

Mr. SMITH of Missouri. Mr. Speaker, I rise today to honor the 175th anniversary of the Licking United Methodist Church located in Licking, Missouri. The church was organized in 1840 as the first Methodist Society of Licking which met at parishioners' homes and later a schoolhouse.

Since its founding, the church's space and membership have steadily grown. By 1937 the church had built an entire new sanctuary with a seating capacity of roughly 500 people and added a new cobblestone vestibule and bell tower in 1950. In addition to providing a place for communal prayer for a devoted congregation, they also actively serve the local community. The church has regular food drives, hosts free dinners open to all, organizes blood drives, and even supports a community garden. Through its long and rich history, the church's vital congregation has remained an integral part of the city of Licking.

For their ongoing dedication to serving Christ and their community, it is my pleasure to honor the Licking United Methodist Church on their 175th anniversary before the House of Representatives.

HONORING DR. LUCIANO  
FRANCISCO RAMON BACA**HON. MICHELLE LUJAN GRISHAM**

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 23, 2015*

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, I rise today to honor the life of Dr. Luciano Francisco Ramon Baca, otherwise known as "Lu" in his beloved community.

Born and raised in Las Vegas, New Mexico, Dr. Lu dedicated his life in the service of others and to his fellow New Mexicans. For more than 10 years, Lu worked as a Social Studies teacher at Leah Harvey Middle School teaching students the heartfelt principles, values, and beliefs that make our country great. Dr. Lu's work transcended the classroom; as Head of the Legislative Educational Committee Lu spearheaded efforts to better finance and improve educational outcomes in New Mexico.

Dr. Lu also had a firm belief that our workforce—the individuals who gave their hard work, persistence and determination to build our country—deserved the support and protections they earned when they retired. After serving in state government, Lu dedicated his life to senior citizens, and carried out every task with the full weight of his energy. He served as the former chief of public school finance for the New Mexico Department of Finance and Administration, helped create the constitution of the State Board of Education as well as the equalized Public School Funding Formula in 1974, and served on the Board of Directors for La Familia Medical Center and with the AARP for 15 years.

More than anything, Lu loved his family and wife of 55 years, Mindy Esquibel Baca. In fact, it was rare to find a time when they were not sharing an experience together, celebrating a
