IN RECOGNITION OF THE 25TH ANNIVERSARY OF THE SAN FRANCISCO COUNTY TRANSPORTATION AUTHORITY

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 22, 2015

Ms. SPEIER. Mr. Speaker, my esteemed colleague Congresswoman NANCY PELOSI and I rise to congratulate the San Francisco County Transportation Authority, commonly referred to as the Transportation Authority, on its 25th anniversary and its many accomplishments.

Established in 1989, the Transportation Authority administers and oversees the delivery of the county's half-cent local transportation sales tax program and New Expenditure Plan. The agency was founded by the people of San Francisco to administer Proposition B, a half-cent transportation sales tax program, which began in 1990 and was reauthorized in 2003 when voters approved Proposition K.

For the last quarter-century, the Transportation Authority has been responsible for long-range transportation planning in San Francisco and has analyzed, designed, and funded vital improvements for San Francisco's roadways and public transportation networks. It has significantly increased the region's mobility.

Since 1990, the Transportation Authority has also been the designated Congestion Management Agency for San Francisco, and has served as the San Francisco Program Manager for grants from the Transportation Fund for Clean Air. When passed by voters in 2010, the agency also began serving as the administrator of Proposition AA, a \$10 annual fee on motor vehicles registered in San Francisco.

In these capacities the Transportation Authority has embodied its mission of providing prudent financial management, planning expertise, and project delivery oversight to create a better city for residents, workers and visitors. Through innovation, the Transpor-

tation Authority continues to study, plan, and invest in transportation infrastructure that supports San Francisco's thriving economy and meets the needs of its diverse community. The agency serves as a steward to help fund major capital projects such as the Presidio Parkway, Central Subway and Transbay Transit Center, as well as neighborhood-scale improvements that impact everyday San Franciscans and their families.

Mr. Speaker, I ask the House of Representatives to rise with me to recognize and honor the leaders of the San Francisco County Transportation Authority on its 25th anniversary. This agency, its Board, Community Advisory Committee members and staff deserve to be congratulated for their leadership during the last 25 years and we wish them continued success for the next 25 years.

HONORING MAINE'S OLDEST LIVING PEARL HARBOR VETERAN

HON. CHELLIE PINGREE

OF MAINE

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 22, 2015

Ms. PINGREE. Mr. Speaker, I rise today to recognize a constituent with a story that should be heard. At 95 years old, James Watson of South Portland, Maine, is our state's oldest living veteran who was present during the Japanese attack on Pearl Harbor.

The morning of December 7, 1941, began like many others for Mr. Watson. At the time, he was a gunner's mate first class aboard the U.S.S. *Phoenix*, which was anchored across the harbor from Battleship Row. He was reading the Sunday paper below deck when he felt a vibration rock the ship, then heard a call over the loudspeaker to report to battle stations.

Once topside, he saw anti-aircraft explosions in the air and smelled thick clouds of burning fuel. He knew instantly that the country was at war. What followed after was a blur. "You're too busy to be scared. You're just mad. You're angry," Mr. Watson recently recounted to a local newspaper.

President Franklin Delano Roosevelt called December 7, 1941, "a date which will live in infamy." And, indeed, from books, films, and photos, we can still get a sense of that day's incredible devastation and terrible loss of the life. But as the days go by, there are fewer and fewer living veterans who saw it through their own eyes and can recall what it was like to go through such an experience. Their stories are critical to ensuring that we never forget what happened there.

I appreciate that Mr. Watson has shared his memories so we can better understand and remember one of the most pivotal moments in our nation's history. And I thank him for his brave service that day, and the rest that followed.

CELEBRATING THE MORRIS HABITAT FOR HUMANITY'S 10TH ANNUAL HEARTS & HAMMERS GALA

HON. RODNEY P. FRELINGHUYSEN

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 22, 2015

Mr. FRELINGHUYSEN. Mr. Speaker, I rise today to honor the Morris Habitat for Humanity, located in Randolph, New Jersey as it celebrates 30 years of building homes and changing lives.

Habitat for Humanity, a nonprofit housing organization founded in 1976, implements Christian principles in the pursuit of building homes, communities, and hope. This organization wholeheartedly believes that every man, woman, and child should have a home that is safe and dignified. The members of Habitat for Humanity strive to achieve this goal every day, and are important members of every community.

For 30 years, members of the Morris Habitat for Humanity have selflessly worked toward ensuring that those people in need of housing assistance receive help. Officially created in October 1985, Habitat for Humanity's Morris County branch operated in the center of Morristown with a single computer and a phone. Its several founding members began to investigate the housing situation of Morristown, and learned the processes of selecting families for assistance. Since then, Morris Habitat for Humanity has successfully completed building over 60 houses in New Jersey and more than 140 houses in other countries. The members of this group voluntarily offer their time and efforts to ensure that any person seeking help, regardless of religious affiliation, may realize the American dream of homeownership.

This organization's most current project, in collaboration with the Morris County Affordable Housing Corporation, aims to construct a fiveplex containing two 3-bedroom and three 2-bedroom townhomes on Carlton Street in Morris Township, New Jersey. These townhomes will be sold to low- and moderate-income households, and will feature the latest ENERGY STAR technology. In order to select families for this housing project, the Morris Habitat for Humanity uses a lottery system. Currently, the project is set for completion in December, 2015.

To celebrate 30 successful years of improving the housing situation for many members of the local community, the Morris Habitat for Humanity will host its 10th Annual Hearts & Hammers Gala on Saturday, February 28th, 2015 at the Meadow Wood Manor in Randolph, New Jersey. The Gala will feature dinner, a silent auction, wine pull, awards, and live music. All proceeds will be used to further the Morris Habitat for Humanity's mission of building affordable housing for those families in need.

At this year's Gala, the Morris Habitat for Humanity will honor Richard A. Sleece, President of Richard A. Sleece Associates, with the Founders Award, Ruth Ryan, Vice President of Chubb Insurance, with the Beth Everett Award, and Rick Ostberg, former ReStore Director, with the ReStore Pioneer Award.

I commend the members of the Morris Habitat for Humanity, especially Executive Director Blair Schleicher Bravo, for their dedication to improving the lives of many Morris County

residents. Habitat for Humanity has consistently demonstrated a dedication and commitment to advancing our community.

Mr. Speaker, I ask you and my colleagues to join me in congratulating the Morris Habitat for Humanity as it celebrates its 30th Anniversary.

Thursday, January 22, 2015

Mr. LIPINSKI. Mr. Speaker, I rise today to honor St. Daniel the Prophet School, an ex-

emplary Catholic school in Chicago, Illinois, which is celebrating its 65th anniversary.

CONGRATULATING BERNARD
"BARNEY" YOUNG FOR BEING
AWARDED THE ARMY AIR CORPS
DISTINGUISHED FLYING CROSS

HON. CHERI BUSTOS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 22, 2015

Mrs. BUSTOS. Mr. Speaker, I rise today to congratulate Bernard "Barney" Young of Rock Island, Illinois, who has been awarded the Army Air Corps Distinguished Flying Cross.

During World War II, Barney served as a Flight Officer where he flew the treacherous route from India to China over the Himalayas, or the Hump, as Allied pilots called it. Shortly after the war, the Army Air Corps decided that flying the Hump qualified pilots for the Distinguished Flying Cross. However, by 1945, Barney had been reassigned to fly Merrill's Marauders from India to Africa. Because of this, Barney didn't learn of his eligibility for the award until years later.

When he went to apply, it was discovered his flight records had been destroyed in a fire at Fort Leonard Wood in Missouri. Barney believed he would never receive the award. Then about a year ago, Tim Goodbrake of Edwardsville, Illinois, approached Barney about this award. Tim was researching his father's service in the Army Air Corps. He sought out Barney who had served with his father in India and the two discovered Barney's flight records buried in a trunk.

Now, sixty-nine years after returning home from the war, Flight Officer Bernard Young is

finally receiving this overdue honor for his service to our great nation.

Mr. Speaker, I'd like to thank Bernard Young for his outstanding service to the United States and congratulate him on this noteworthy achievement.

Ms. BORDALLO. Mr. Speaker, I rise today in support of House Resolution 44, offered by my good friend and colleague, Democratic Whip STENY HOYER of Maryland, to restore the voting rights for the Delegates and Resident Commissioner during Committee of the Whole proceedings.
