

minute and to revise and extend her remarks.)

Ms. KUSTER. Mr. Speaker, the Department of Homeland Security is charged with safeguarding our Nation from acts of terrorism, drug trafficking, and many other serious threats.

Whether they serve in the Coast Guard, Border Patrol, Customs and Border Protection, or elsewhere, the men and women who work for the Department of Homeland Security in my home State of New Hampshire and across this country play a vital role in keeping our families safe; yet Congress is poised to shut down DHS this Friday for partisan political reasons.

This would undermine our security and impact hardworking men and women from across my district, like Darrell, from Groveton, New Hampshire, who serves in the Coast Guard, and Lee, another Granite Stater, who works for Customs and Border Protection. She wrote to me recently and said: “No one wins if this political standoff continues.”

I agree. We were elected to work together in the best interest of those we represent, not to play partisan political games.

Mr. Speaker, I ask unanimous consent that the House bring up H.R. 861, the clean Department of Homeland Security funding bill that would keep the Department of Homeland Security open so it can carry out its mission of keeping the American people safe.

The SPEAKER pro tempore. Under guidelines consistently issued by successive Speakers, as recorded in section 956 of the House Rules and Manual, the Chair is constrained not to entertain the request unless it has been cleared by the bipartisan floor and committee leaderships.

#### FEDERAL TEXAS JUDGE IMMIGRATION RULING

(Mr. SAM JOHNSON of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SAM JOHNSON of Texas. Mr. Speaker, my constituents and a majority of Americans oppose President Obama’s executive amnesty. His amnesty is unconstitutional, which is why I am pleased that U.S. district court Judge Andrew Hanen has blocked Obama’s amnesty from going into effect. Not surprisingly, the administration is now appealing.

As the legal process works its way through the courts, Congress must continue to stand strong and fight the President’s unlawful amnesty. Just this month, I exposed Obama’s empty words that illegals getting amnesty would be paying taxes. The IRS Commissioner confirmed that Obama’s amnesty will, in fact, allow the IRS to give illegals thousands of dollars.

These tax refunds aren’t refunds in the usual sense but amnesty checks from the IRS. This is wrong. I am

working on legislation to stop it. Law-abiding and hardworking American taxpayers deserve nothing less.

#### COUNTING DOWN TO GOP SHUTDOWN

(Mrs. CAROLYN B. MALONEY of New York asked and was given permission to address the House for 1 minute.)

Mrs. CAROLYN B. MALONEY of New York. Mr. Speaker, the Republicans are playing politics with the security of the American people, and the American people deserve better.

What was absolutely laughable a few days ago, it now appears that they are prepared to shut down the Department of Homeland Security. They won’t budge, even though they have known all along that the House version of the bill will never pass the Senate, and if it did, the President would surely veto it, as he should.

They are willing to burden this entire country with all the dangers and disruptions that a funding lapse would bring. They are willing to shut down funding for the security in the New York City rail system, communications equipment in Los Angeles, bomb-sniffing dogs in Massachusetts, and firefighter positions across this Nation, just so that they can put on another hollow, pointless political show.

This legislation is failure by design. I find it scandalous that the Islamic terrorists are fully funded; yet the Department of Homeland Security that protects our citizens may not be.

I urge a vote on a clean Homeland Security bill for the protection of our citizens.

#### THE PRESIDENT NEEDS TO CHANGE COURSE

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, during the Presidents’ Day break, I served on a delegation meeting with the leaders of Afghanistan, Jordan, and Iraq. Each was grateful for the support given in their fight against terrorists who seek mass murder of innocent civilians.

Daesh, the Arab translation of ISIL, has spread as a cancer across the region and threatens to attack the American people. President Obama’s failing policies are weakening defense, and he needs to change course, as he did with the 2009 Afghan surge.

In Syria, the President’s strategy has set the stage for Daesh to expand. In Iraq, his failure to achieve a status of forces agreement has led to instability. The attack on Libya has led to a failed state. The pitiful negotiations with Iran puts America at risk. His claimed success in Yemen has proven inaccurate.

Radical Islamists have declared war on the West, intend to exterminate Jews, and seek to destroy modern

democratic civilizations. The first mass slaughters have been of fellow Muslims at mosques, at soft targets, but safe havens anywhere are a threat to American families.

In conclusion, God bless our troops, and may the President, by his actions, never forget September the 11th in the global war on terrorism.

#### THREE DAYS UNTIL THE DEPARTMENT OF HOMELAND SECURITY SHUTDOWN

(Mr. KILDEE asked and was given permission to address the House for 1 minute.)

Mr. KILDEE. Mr. Speaker, well, there are only 3 days left until the Department of Homeland Security shuts down, forcing thousands of TSA, Customs, Border Patrol, and Secret Service agents to put their lives on the line to protect American citizens without being paid.

This has gone on far too far. We have taken weeks of time on the floor of this House, waiting for what we know ultimately would be passed, and that is a clean Homeland Security bill.

Every Democrat has cosponsored legislation to fully fund this Department, without trying to overreach and get through the appropriations process that which the majority is unwilling to do legislatively.

If you were so interested in immigration policy, the majority would long ago have brought comprehensive immigration reform to the floor of the House. Have we seen that? No—neither have we seen any legislation that the American people are really looking for, legislation that would put America back to work, build new infrastructure, and create jobs in this country.

This has gone on far too far. We have got to get this essential function of government fully funded and get back to the business that the American people sent us to.

Mr. Speaker, I ask unanimous consent that the House bring up H.R. 861, the clean Department of Homeland Security funding bill that would keep the Department open so it can carry out its essential mission.

The SPEAKER pro tempore. As the Chair previously advised, that request cannot be entertained absent appropriate clearance.

#### PRESIDENT OBAMA VETOES KEYSTONE XL PIPELINE

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, despite overwhelming bipartisan support from my colleagues in both the House and the Senate, the President vetoed the Keystone XL pipeline project in the name of political expediency; rather than listening to a majority of the American public, the President’s veto kowtows to a

vocal minority of extreme environmental groups.

Mr. Speaker, the President's decision yesterday is a giant leap backwards on a road to energy independence, effectively saying "no" to the creation of over 40,000 American jobs and lower energy prices for businesses and families.

Mr. Speaker, President Obama had the opportunity to stand up and show true leadership, but unfortunately, he chose to, once again, hide behind political motives.

□ 1215

#### ECONOMIC GROWTH FOR NEVADA

(Ms. TITUS asked and was given permission to address the House for 1 minute.)

Ms. TITUS. Mr. Speaker, just this morning, Nevada Attorney General Laxalt testified before the House Judiciary Committee, claiming that the implementation of DAPA and extension of DACA would cause undue economic hardship for our State. Well, I would like to see his evidence, because data show that granting administrative relief to qualified undocumented immigrants would actually contribute to economic growth.

Thanks to these executive actions, the legal workforce will expand, and average wages for all workers will increase by \$170 a year. The Federal deficit will be reduced by \$25 billion, and GDP will grow from \$90 billion to \$210 billion over the next decade. Furthermore, it is estimated that expanding DACA and DAPA will increase Nevada's GDP from \$700 million to \$1.7 billion over the next 10 years and lead to \$21 million in additional tax revenue for the State over the next 5 years.

So, in short, General, not implementing the President's actions is not only morally indefensible, but also economically foolish. And, I might add, holding up DHS funding for this purpose is a shameful political act that puts Americans at risk.

#### M-855 AMMO BAN

(Mr. AUSTIN SCOTT of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. AUSTIN SCOTT of Georgia. Mr. Speaker, I rise today to stand up for the rights of law-abiding Americans to protect their homes, and I am standing in opposition to the Bureau of Alcohol, Tobacco, Firearms and Explosives' unreasonable proposal to ban entire classes of ammunition.

As an American, I personally use this ammunition to defend my home and my family, and that is my constitutional right. I find it ironic that the President of the United States continues to say, well, if we would just arm the people of other countries, then ISIS wouldn't exist, while he uses each and every means possible to violate our Second Amendment right to protect ourselves.

Mr. Speaker, I appreciate the opportunity to set the record straight, and I look forward to meeting with the ATF and discussing their budget and making sure that they don't have the legal authority or the funding to take away Americans' constitutional rights to keep and bear arms and ammo.

#### DHS SHUTDOWN

(Ms. ESTY asked and was given permission to address the House for 1 minute.)

Ms. ESTY. Mr. Speaker, in 3 days, the Department of Homeland Security will needlessly run out of funding—yes, 3 days. Shutting down the Department of Homeland Security will jeopardize local disaster relief grants. It will stall critical safety training for firefighters and first responders and will force thousands of Border Patrol agents, Active Duty Coast Guard servicemembers, and airport security screeners across the country to work without pay.

House Republicans are threatening the safety and security of our Nation and our families by refusing to pass a clean security funding bill, instead, pushing for anti-immigration amendments. This is unwise, this is unnecessary, and this is wrong. We should not play partisan politics when our Nation's security is on the line.

We must pass a funding bill that does not include harmful provisions, so that our Nation remains safe and secure. That is why I ask unanimous consent that the House bring up H.R. 861, the clean Department of Homeland Security funding bill that would keep the Department open so it can carry out its mission of keeping the American people safe.

The SPEAKER pro tempore. As the Chair previously advised, that request cannot be entertained absent appropriate clearance.

#### STRENGTHENING TAX-FREE 529 COLLEGE SAVINGS ACCOUNTS

(Mr. MARCHANT asked and was given permission to address the House for 1 minute.)

Mr. MARCHANT. Mr. Speaker, I rise in support of H.R. 529, a bill I have co-sponsored that strengthens tax-free 529 college savings accounts. The cost of higher ed has increased by more than 500 percent since 1985, yet the President recently proposed a tax hike on 529 savings of students and middle class families.

There is a big difference between being able to afford college and being able to pay for it. The 529s help bridge that gap for millions of working Americans who make too little to cover tuition but just enough to be ineligible for financial aid.

Our Nation's long-term prosperity depends on our ability to prepare the next generation for success. Let's start now by passing H.R. 529.

#### DHS SHUTDOWN

(Mrs. CAPPS asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. CAPPS. Mr. Speaker, I rise today to demand that a clean, straightforward Department of Homeland Security funding bill be brought to the House floor for a vote immediately. After today, there are only 2 more days until the entire Department of Homeland Security is shut down, 2 days until the men and women who work to protect our national security stop receiving a paycheck, 2 days until the doors are shut at the Department responsible for ensuring America's safety.

If my colleagues on the other side of the aisle want to debate the merits of immigration reform, then bring an immigration bill to the floor. We would welcome that debate. We are ready to work on a comprehensive bill to fix a broken system. In the meantime, don't play games with our national security.

Again, I urge the House leadership to bring a clean funding bill. It is H.R. 861. We need to keep the Department of Homeland Security open so it can carry out its mission of keeping the American people safe, and we need to be able to move forward to work on the pressing matters facing our country.

#### DHS SHUTDOWN

(Mr. DOLD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DOLD. Mr. Speaker, the American people expect us to deliver solutions and to fix problems; they expect us to act responsibly and govern. We can do this by working together and averting a shutdown at the Department of Homeland Security.

Let me be clear: shutting down the Department of Homeland Security should not be an option, and I am adamantly opposed to letting this happen.

Our first and foremost responsibility, Mr. Speaker, is to protect our Nation. Ever since the attacks of September 11, 2001, the need for the Department of Homeland Security became clear, and the Department of Homeland Security has proven vital to keeping the American people safe amid an ongoing war against terror.

Terror threats do not just go away until Washington is able to come to a compromise. There is certainly broad disagreement, Mr. Speaker, in this country over the President's executive actions. By shutting down DHS, it only makes us more vulnerable to attacks. It is absolutely the wrong approach to addressing this disagreement. There is no room for political brinkmanship when the security of the American public is at stake.

#### SELMA VOTING RIGHTS

(Mr. CARNEY asked and was given permission to address the House for 1
