

Agent Mireles made a very impressive statement about his role in that tragic event. He said:

I knew that I was going to die, but I was going to do my best to make sure that the suspects didn't get away.

When the dust cleared, two agents lay dead on that spring morning, and five were seriously injured.

I know one other thing: that if for no other reason, we are here in Congress to honor, commend, and decorate those Americans who live up to the ideals upon which this great country was founded.

Mr. Speaker, I implore you and my colleagues in Congress to join me, the Transportation Committee, and my Florida colleagues, and lift up Special Agent Benjamin Grogan and Special Agent Dove from that street in south Miami and place their names high, where the world can know that we are proud of their sacrifice for their Nation.

It is only fitting that these names should be placed on the same mantle with the letters FBI because Special Agents Grogan and Dove embody the motto for which the agency has become known: fidelity, bravery, and integrity.

God bless the FBI, and God bless America.

Mr. CARSON of Indiana. Mr. Speaker, I yield back the balance of my time.

Mr. CURBELO of Florida. Mr. Speaker, I yield myself such time as I may consume.

I want to thank my two colleagues from Florida for their moving and eloquent remarks. I especially want to thank Ms. WILSON for raising awareness and taking this very special initiative to honor these men who gave the ultimate sacrifice for the safety and the security of our community.

Mr. Speaker, it is often in this House that we take time to remember those who are defending our freedoms around the globe, our men and women in uniform, as we should, because many of them also pay the ultimate sacrifice. Less frequently do we take time to honor our heroes in law enforcement, those who live with us in our neighborhoods and who keep our neighborhoods and our homes safe.

By doing this today, this House is honoring not just these men, not just their families, but all of our law enforcement officers throughout this country who every day fight to keep us safe and to guarantee the security of our neighborhoods and of our families.

Once again, I thank my colleagues for this wonderful bipartisan effort to honor those who truly deserve to be honored by this House.

With that, Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Florida (Mr. CURBELO) that the House suspend the rules and pass the bill, H.R. 1092.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The title of the bill was amended so as to read: "A bill to designate the Federal building located at 2030 Southwest 145th Avenue in Miramar, Florida, as the 'Benjamin P. Grogan and Jerry L. Dove Federal Building'."

A motion to reconsider was laid on the table.

Mr. Speaker, I am so proud to stand here today on the Floor of the U.S. House of Representatives to recognize the upcoming 50th

RECOGNIZING THE COMPETITIVE CARRIERS ASSOCIATION

(Mr. JOHNSON of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. JOHNSON of Georgia. Mr. Speaker, I rise today to recognize the Competitive Carriers Association, which is the leading organization for competitive wireless carriers and stakeholders.

CCA was founded in 1992 by nine rural and regional wireless carriers. Since its founding, CCA has grown to become the Nation's leading association for competitive wireless providers serving all areas of the United States.

Today is the first day of CCA's 2015 Global Expo in Atlanta. More than 100 CCA member volunteers will gather for a special day of volunteering with Hands On Atlanta. CCA will assemble 2,000 boxed meals and deliver them in person to schools, senior citizen homes, and other locations in the Old Fourth Ward neighborhood.

I am pleased that CCA is bringing the spirit of community to Atlanta, and I am confident this event will be quite successful.

HONORING PUCKETT EMERGENCY MANAGEMENT SERVICES

The SPEAKER pro tempore. Under the Speaker's announced policy of January 6, 2015, the gentleman from Georgia (Mr. LOUDERMILK) is recognized for 60 minutes as the designee of the majority leader.

GENERAL LEAVE

Mr. LOUDERMILK. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and insert extraneous material on the topic of my Special Order.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Georgia?

There was no objection.

Mr. LOUDERMILK. Mr. Speaker, Georgia's 11th Congressional District is home to some of the Nation's most innovative and leading-edge businesses. One such business has been providing emergency management services to residents in northwest Georgia.

Puckett EMS is a family-owned and -operated business with a strong reputation for delivering state-of-the-art medical services to the people of Cobb and Dade Counties. Today, I am especially proud that this business has recently taken the national stage as one of the leading innovators in emergency health technology.

In 2013, Puckett Emergency Management Services was recognized by the Cobb County Chamber of Commerce as the Small Business of the Year for its work to support the local community and to ensure the highest level of care.

Most recently, Puckett EMS' software company, EMS Technology Solutions, received the Emergency Management Services World Magazine's Top Innovation award for its controlled substance tracking software, Operative IQ.

This cutting-edge solution uses biometric technology to track controlled substances from the time the medication is administered to the very last dose. In fact, using this software is a much more secure way of monitoring prescription drug use and bringing medical records in line with today's technology.

What is even more remarkable is Operative IQ uses available technology to continually update patient medical records, helping prevent substance abuse. In the emergency management industry, where seconds could mean the difference between life and death, this technical innovation is a lifesaver.

I commend Puckett EMS for their tireless efforts to protect the public safety of our citizens and congratulate them on their well-deserved recognition as a top innovator.

Mr. Speaker, I am honored to stand before this body to recognize the contributions the management and employees of Puckett EMS have made to our community and their success in improving the safety and access to critical health care.

Mr. Speaker, I yield back the balance of my time.
