

Article I, Section 8, Clause 18: "The Congress shall have Power . . . To make all Laws which shall be necessary and proper for carrying into Execution the foregoing Powers, and all other Powers vested by the Constitution in the Government of the United States, or in any Department or Officer thereof."

The Parental Notification and Intervention Act also establishes a federal nexus in that it specifically applies "any person or organization . . . who solicits or accepts federal funds." The power to appropriate money and make laws to execute this power, gives Congress the authority to make laws affecting persons or entities that accept federal funds.
