Vol. 161

WASHINGTON, THURSDAY, JUNE 4, 2015

No. 89

## House of Representatives

The House met at 9 a.m. and was called to order by the Speaker.

### PRAYER

The Chaplain, the Reverend Patrick J. Conroy, offered the following prayer: God of grace and goodness, thank You for giving us another day.

Your divine wisdom and power are abundantly sufficient for our many needs. Endow the Members of this assembly with a loyalty that never waivers and a courage that never falters as they seek to fulfill the high and holy mission which has been entrusted to them.

May it be their purpose, and all of ours, to see to the hopes of so many Americans, that we authenticate the grandeur and glory of the ideals and principles of our democracy with the work we do.

Grant that the men and women of the people's House find the courage and wisdom to work together to forge solutions to the many needs of our Nation, and ease the anxieties of so many.

May all that is done this day be for Your greater honor and glory.

Amen.

### THE JOURNAL

The SPEAKER. The Chair has examined the Journal of the last day's proceedings and announces to the House his approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

### PLEDGE OF ALLEGIANCE

The SPEAKER. Will the gentlewoman from New Mexico (Ms. MICHELLE LUJAN GRISHAM) come forward and lead the House in the Pledge of Allegiance.

Ms. MICHELLE LUJAN GRISHAM of New Mexico led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

### ANNOUNCEMENT BY THE SPEAKER

The SPEAKER. The Chair will entertain up to five requests for 1-minute speeches on each side of the aisle.

### CALLING FOR ZHU YUFU RELEASE ON TIANANMEN SQUARE ANNIVERSARY

(Mr. HULTGREN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HULTGREN. Mr. Speaker, on June 4, 1989, pro-democracy demonstrators were killed by Chinese troops while peacefully advocating for government accountability and political and economic reforms.

In the aftermath, the Chinese Government arrested large numbers of protesters and their supporters, prohibited other demonstrations, expelled foreign journalists, and have prohibited discussion or remembrance of these events ever since.

Today is a solemn reminder of the state of human rights in China 26 years after Tiananmen Square.

Since 2011, Zhu Yufu, a Chinese democracy advocate, Christian dissident, and poet has languished in prison simply for expressing his democratic beliefs. Today, I urge his immediate and unconditional release.

As part of the Defending Freedoms Project, my colleagues and I will continue to shine a light on Zhu Yufu's case and that of other prisoners of conscience. I applaud Zhu Yufu and his fellow champions of freedom for their courage. We thank them for their courage. They are not alone.

### URGING SUPPORT FOR SANCHEZ-YOUNG SOCIAL SECURITY DISABILITY INSURANCE FOR TERMINALLY ILL ACT

(Ms. MICHELLE LUJAN GRISHAM of New Mexico asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, imagine that your loved one was diagnosed with terminal leukemia on January 1. They will undergo chemotherapy, need daily medical care and attention, and be unable to work.

Without any income, they apply for Social Security disability insurance benefits and are quickly approved. However, due to an archaic, bureaucratic law, your loved one will have to wait 5 months before receiving any benefits. If you were diagnosed with a terminal illness on the first week of the new year, you wouldn't receive disability benefits until this week, the 21st week of the year.

Mr. Speaker, I wish this was just a hypothetical example, but this happened to an Albuquerque resident and my friend, Jeremy Sanchez, who had to wait months before receiving the benefits that he earned, after being diagnosed with leukemia.

That is why I, along with my colleague Congressman ISRAEL, am introducing the Sanchez-Young Social Security Disability Insurance for the Terminally Ill Act, which would repeal the 5-month waiting period for the terminally ill and ensure that SSDI protects the most vulnerable recipients when they need it most.

I urge my colleagues to support this sensible bill.

### HONORING LAKE COUNTY FOREST PRESERVE

minute and to revise and extend his remarks.)

Mr. DOLD. Mr. Speaker, I rise today to honor the men and women of the Lake County Forest Preserve District and their 100-year vision for protecting Lake County's unique and precious environment.

Led by Executive Director Ty Kovach, they have assembled a bold, 100-year vision for how to preserve our wildlife and this natural resource, not just for us today, but for our children and our children's children.

Mr. Speaker, the Lake County Forest Preserve District wants to ensure future generations can reap the benefits from a healthy and resilient environment and understand that the only way to ensure a better future is to make changes today. Their education and leadership on conservation issues will go a long way to protecting this incredible resource.

Mr. Speaker, I thank them for their efforts and humbly stand by their side to continue to champion the importance of protecting our environment.

And that is just the way it is.

#### EXTEND FLORIDA'S GULF COAST OIL DRILLING BAN TO YEAR 2027

(Ms. GRAHAM asked and was given permission to address the House for 1 minute.)

Ms. GRAHAM. Mr. Speaker, today I rise to speak in support of new legislation I am cosponsoring with my friend Congressman DAVID JOLLY to extend Florida's Gulf Coast oil drilling ban to the year 2027.

The drilling ban currently extends 125 miles off much of Florida's Gulf Coast and as far as 235 miles in some areas, but it is set to expire in 2022. There are some in the Senate trying to reduce the ban to just 50 miles as soon as next year.

This legislation reaffirms our commitment to protecting Florida's precious Gulf Coast beaches and will protect the environment, our economy, and military operations in the Gulf.

An oil spill like Deepwater Horizon just 50 miles off of northwest Florida's beaches would be devastating for our region. We can't allow that to happen and should pass this legislation to extend the drilling ban and protect Florida's Gulf Coast beaches.

#### RECOGNIZING PENN STATE CREAMERY ON 150 YEARS

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, House Majority Leader KEVIN MCCARTHY calls it "some of the best ice cream I have had outside of my hometown of Bakersfield."

The majority leader, of course, is referring to the ice cream produced at Penn State University's Berkey Creamery. I am proud to rise today in rec-

ognition of the creamery's 150th anniversary.

The creamery, located in the Rodney A. Erickson Food Science Building on Penn State University's main campus, was first established in 1865.

Penn State is home to the largest university creamery in the United States, using more than 4.5 million pounds of milk each year, supporting Pennsylvania's robust dairy industry.

To help celebrate their 150th anniversary, the creamery has launched a social media contest, which allows fans to select the special sesquicentennial flavor. Voters have a few days left to choose between birthday cake, strawberry cheesecake, or red velvet.

Mr. Speaker, as a proud graduate of Penn State University, I congratulate the Berkey Creamery on 150 years of creating countless memories, and especially the hard-working student employees and the 23 full-time employees that make the operations such a great success.

#### RECOGNIZING TAMPA BAY ESTUARY PROGRAM

(Mr. JOLLY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. JOLLY. Mr. Speaker, I rise today to recognize the Tampa Bay Estuary Program and the great work they have done since their founding in 1991.

The Tampa Bay Estuary contains one of the most vibrant and productive ecosystems along the Gulf Coast because the unique mix of saltwater from the Gulf and freshwater from rivers and uplands have created abundant nurseries for juvenile fish and other sea life. More than 70 percent of all fish, shellfish, and crustaceans spend some critical stage of their development in these near-shore waters protected from larger predators that swim the open sea.

Very importantly, scientists at the Southwest Florida Water Management District have found that Tampa Bay now supports over 40,000 acres of sea grass beds. Tampa Bay is Florida's largest open water estuary. Due to the great work of the program, Tampa Bay's water quality is now as good as it was in 1950.

I want to thank the leadership of Tampa Bay's estuary program, particularly Executive Director Holly Greening, for her vision not only for the estuary program, but for the entire Tampa Bay community.

Tampa Bay is coming back to life, again assuming its position as the shimmering economic and environmental centerpiece of the vibrant southwest Florida region.

#### TRIBUTE TO CHUCK JOHNSON

(Mr. ZINKE asked and was given permission to address the House for 1 minute.)

Mr. ZINKE. Mr. Speaker, I rise today to pay tribute to Chuck Johnson, a

man who kept me and countless other public servants in Montana honest and accountable as the capitol bureau chief and longtime political reporter.

Chuck's 43-year journalism career began in 1977. In the decades since, Chuck has been the primary educator of government, politics, and ethics for generations of Montanans.

I had the pleasure of getting to know Chuck as a State senator and had the distinct pleasure of traveling with him across Montana. He is a straight shooter and a true professional.

In the era of online and 24-hour news outlets that push agendas and competition for cliques, Chuck's *modus operandi* was to tell the truth, tell the facts, and let the people of Montana decide. I urge future journalists to study his work and learn what they can from this true Montana professional.

I wish Chuck fair winds and following seas in his retirement. Bravo Zulu.
