So (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Ms. SEWELL of Alabama. Mr. Speaker, during the votes on H. Res. 233 and H.R. 2559, I was inescapably detained and away handling important matters related to my District and the State of Alabama. If I had been present I would have voted “yes” on both of the aforementioned bills.

REPORT ON H.R. 2772, DEPARTMENT OF STATE, FOREIGN OPERATIONS, AND RELATED PROGRAMS APPROPRIATIONS ACT, 2016

Ms. GRANGER, from the Committee on Appropriations, submitted a privileged report (Rept. No. 114-154) on the bill (H.R. 2772) making appropriations for the Department of State, foreign operations, and related programs for the fiscal year ending September 30, 2016, and for other purposes, which was referred to the Union Calendar and ordered to be printed.

The SPEAKER pro tempore (Mr. CURBELO of Florida). Pursuant to clause 1, rule XXI, all points of order are reserved on the bill.

CONGRATULATIONS TO EDEN PRAIRIE GIRLS LACROSSE

(Mr. PAULSEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAULSEN. Mr. Speaker, I rise today to congratulate the Eden Prairie High School Girls Lacrosse Team for clinching the Minnesota State Championship. Winning the title was no easy task for the Eagles as it took back-to-back overtime wins in both the semifinals and finals before they were crowned champions.

In the finals, it even took a second overtime before junior Kelly Wolfe tossed in the winning goal with just over a minute left to deliver the title to Eden Prairie.

Mr. Speaker, in order to compete at a high enough level to win a State championship, these student athletes devote countless hours honing their athletic skills, while still excelling in the classroom and juggling family and social responsibilities. The parents, the families, friends, and fans and the entire Eden Prairie community is very proud of these high school athletes.

Once again, congratulations to the Eden Prairie Girls Lacrosse Team on a job well done.

CONGRATULATING THE NESHANNOCK HIGH LANCERS AND KNOCH HIGH KNIGHTS PENNSYLVANIA STATE CHAMPION BASEBALL TEAMS

(Mr. KELLY of Pennsylvania asked and was given permission to address the House for 1 minute.)

Mr. KELLY of Pennsylvania. Mr. Speaker, it is my great pleasure to congratulate not one, but two Pennsylvania State champion baseball teams from the Third Congressional District. The Neshannock High Lancers and Knoch High Knights capped off historic seasons last week to take home the PIAA Class AA and AAA baseball championships.

It was the Lancers' second baseball State title in school history and the first State title in any sport for the Knoch Knights.

It takes a lot of special people and a lot of hard work to mold a champion, so I offer a sincere thank you to the players, to their families, and to Lancer Coach Mike Kirkwood and Knight Coach George Bradley for not bringing just a championship to your communities, but just as importantly, the pride that comes with it.

Last week, your baseball teams earned a special place in the long and storied history of western Pennsylvania student athletics. Because of it, I am very proud to say: Go Lancers, and go Knights.

#### RECIPIENTS OF THE ANNUAL YELLOW DOG AWARD

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to recognize Susan Gibson Perry and Sherri Huston Schulze, both recipients of the annual Yellow Dog Award.

This award, presented by the Penn Brad Oil Museum in Custer City, Pennsylvania, honors Susan and Sherri's leadership and dedication in preserving the history of the Bradford Oil Field.

The Bradford Oil Field was the world's first billion-dollar oilfield, and today, the Penn Brad Oil Museum preserves the philosophy and spirit of the historic oil community.

Mr. Speaker, Susan and Sherri have strong ties to the oil industry, each dating back five generations. Susan recalls learning about the oil industry from her father and uncle. In 1995, she began work with the Penn Brad Oil Museum and eventually served as its president from 2003 to 2014.

Sherri originally came to the museum for research purposes, but began working at the museum in 2000 and spent 10 years serving the museum in various roles.

Mr. Speaker, it is my honor to congratulate these two outstanding women, and I thank them for their years of dedicated service and contributions to the Pennsylvania oil industry and the Bradford community.

#### WE NEED TO SAVE RIVERSIDE HOSPITAL

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Mr. Speaker, before leaving my district, I had the great excitement of presiding over or introducing a new medical center to the Acres Homes community and to the community of Houston, the UMC Center, organized by committed and dedicated doctors. This facility is formerly the Doctor's Hospital Tidwell in historic Acres Homes community.

The real value and significance are two things. One, Americans need access to good health care. With the Afford-

able Care Act, we have been able to sizably bring down the 25 percent of Texans who are uninsured. We have been able to expand with community health clinics.

For those States who have accepted the expanded Medicaid, which includes Ohio under Governor Kasich, a former Member of this body, and, as well, the State of Kentucky, they have seen a sizable dent in those who are uninsured.

I want to thank those doctors working with me and working with the Texas Department of State Health Services, the U.S. Department of Health, recognizing that an inner-city hospital, a hospital dealing with those aged populations and children and young families, is valuable to save. We need to save Riverside Hospital.

I want to congratulate those doctors, and we will work together to be able to provide good health care for all of the community.

#### CONGRATULATING THE CLASS OF 2015

(Ms. FOXX asked and was given permission to address the House for 1 minute.)

Ms. FOXX. Mr. Speaker, over the last few weeks, many families have proudly watched their sons and daughters receive their high school diplomas at ceremonies across North Carolina. On Saturday, I cheered as my grandson Kenan walked across that stage and graduated from Watauga High School.

These new graduates have been blessed with some wonderful teachers. They have learned a great deal—lessons in math, science, history, and literature—but they have also learned lessons in self-discipline, compassion, patience, and understanding.

This learning didn't all take place in the classroom. Much of it was learned at home with their families, out with their friends, on the football field, during summer jobs, and even in brief interactions with unexpected people.

The choices ahead of them are many, and the road to success will have its detours, but they can be anything they want to be by meeting every challenge with integrity and determination.

The class of 2015, set your goals and find your dreams. Congratulations.

#### MAGNA CARTA'S 800TH ANNIVERSARY

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, today, we celebrate the 800th anniversary of the Magna Carta, a document with principles that served as a cornerstone in our Nation's founding as the Republic of the United States of America.

Eight hundred years ago to the day, following the unyielding and commend-

able efforts of rebel barons who would no longer accept the arbitrary abuses under a tyrannical monarchy, King John placed his seal on this Latin text, subjecting every person, whether he be king or peasant, to the rule of law. It was this exact premise on which the document based its lasting legacy, to be a nation of laws rather than a nation of men.

This idea is just as important today as it was 800 years ago. It can be no better represented than in the protections guaranteed under the Fifth Amendment of our Constitution, stating that no person shall be deprived of life, liberty, or property without due process of law.

I rise today to honor 800 years of Magna Carta and to show my appreciation for all those who have made the tremendous sacrifice to defend the founding principles derived from the ideas of liberty and justice.

#### MAY GOD BLESS THE MEN AND WOMEN OF THE ARMED SERVICES

(Mr. CHAFFETZ asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CHAFFETZ. Mr. Speaker, I rise in the hope that we will, as a nation, pause and thank the men and women who have served in our armed services.

Every day, men and women who wake up and serve their Nation do so at the risk of their own lives. They leave behind loved ones and families and brothers and sisters and mothers and fathers and kids.

They serve, who knows where? When they enter the service, they don't know where they are going to serve, but they know that they love the United States of America, and they are willing to put their lives on the line. That has happened throughout generations of time. Millions of people have answered that call to serve.

The least we can do as a nation is be grateful and give pause, give prayer, and give thanks to these men and women who will serve us in the future and who have served us in the past. May God bless them, and may God bless the United States of America.

#### REAUTHORIZE THE EXPORT- IMPORT BANK

(Mr. TONKO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TONKO. Mr. Speaker, the House faces yet another deadline at the end of this month to reauthorize an agency that levels the playing field for American manufacturers, reduces the deficit, and has supported 1.3 million jobs since 2009. That agency is the Export-Import Bank.

In my district alone, Ex-Im has supported a total export of more than \$2.4 billion, and more than half of the companies that work with them are local
