PERSONAL EXPLANATION

Ms. SEWELL of Alabama. Madam Speaker, during the votes today I was inescapably detained and away handling important matters related to my District and the State of Ala-

If I had been present, I would have voted: "no" on H. Res. 315; "no" on the Schiff/Smith (WA) Amendment to H.R. 2596; "yes" on the Democratic Motion to Recommit H.R. 2596; and "no" on final passage of H.R. 2596.

Mr. NUNES. Madam Speaker, I ask unanimous consent that the Clerk be authorized to make technical corrections in the engrossment of H.R. 2596, to correct section numbers, punctuation, and cross-references, and to make such other technical and conforming changes as may be necessary to accurately reflect the actions of the House, including changing "line 17" to "line in the instruction in amendment No. 3 by the gentleman from New York (Mr. Crowley).

The SPEAKER pro tempore (Mrs. MIMI WALTERS of California). Is there objection to the request of the gentleman from California?

There was no objection.

Mr. GUINTA. Madam Speaker, I ask unanimous consent that the gentleman from Maryland (Mr. HARRIS) be removed as a cosponsor from H.R. 1942.

There was no objection.

HONORING TUCSON FIRE DEPART-MENT CAPTAIN DIANA BENSON

(Ms. McSALLY asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. McSALLY. Madam Speaker, I rise today to recognize Tucson Fire Department Captain Diana Benson for her many years of service to the community upon her upcoming retirement.

Captain Benson was one of the first women in the Tucson Fire Department, the first career female firefighter, and the first female lead training officer. During her 25 years in the department, she has been a pioneer and role model. Captain Benson served on the technical rescue team, a highly specialized crew responsible for conducting swift water, extrication, and rope rescues. She has been a reliable leader in the department who initiated numerous peer fitness programs and also served as a member of the Tucson Fire Honor Guard. She has been highly involved in Camp Fury and the cadet program, serving as a mentor to Tucson youth and opening doors to nontraditional careers, such as firefighting, for girls.

No doubt, Captain Benson's positive impact on the department and legacy of excellence lasting over two decades will be lasting. I wish her all the best in her upcoming retirement.

OFFICE OF PERSONNEL MANAGEMENT DATA BREACH

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Madam Speaker, in the past 2 weeks, we have learned that the data millions of Americans entrusted to the Office of Personnel Management have been taken as a result of a cybersecurity breach.

It did not have to happen this way. Since 2007, OPM's inspector general has documented repeated deficiencies in information security practices. Yet OPM's response has been glacial, and its systems remain antiquated. It was only after a security breach last year that OPM finally, in its 2016 budget request, asked for additional funds for the Office of Chief Information Officer. Well, it is about time.

The question we need to ask, though, is: Why did OPM underinvest in cybersecurity before that breach happened? While I would hope that we find a definitive answer during oversight hearings, there is one thing that certainly contributed to the problem. There was no one in charge of cybersecurity with both policy and budgetary authorities to compel action.

Even as we rely on agencies to be primarily responsible for protecting their networks, we lack a Federal cyber coordinator with budgetary authority to review agency spending and security plans. My Executive Cyberspace Coordination Act would remedy this by providing for a Senate-confirmed independent officer with the power to compel agency action.

Let's get this done.

CONGRATS TO CHANHASSEN HIGH SCHOOL BASEBALL

(Mr. PAULSEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAULSEN. Madam Speaker, I rise today to congratulate the Chanhassen High School baseball team on winning the Minnesota State title last week with a 2-0 championship game victory.

The Storm rode the arm of Jack Schnettler in the finals as the senior tossed a complete game shutout to clinch the second State athletic title in the school's short history.

Chanhassen's two runs came courtesy of a Ty Denzer single in the third inning. In addition, fine work with the glove behind the Storm ace helped hold their opponents from Lakeville North at bay.

Madam Speaker, baseball is a game of skill and mental toughness, and it is clear that the players from Chanhassen have both. In addition to the time spent on the practice field, student athletes have to balance their work in the classroom and any family responsibilities they have as well. Their dedication and commitment is commendable.

Congratulations to the Chanhassen baseball team on their State title.

WORLD WAR II HONOR FLIGHT

(Ms. MICHELLE LUJAN GRISHAM of New Mexico asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Madam Speaker, I rise to acknowledge and honor a group of World War II veterans from New Mexico who visited Washington, D.C., last week. They came to visit the memorials, their memorials, that are dedicated to honor their service and sacrifices.

We have about 5,000 World War II veterans in New Mexico, and I appreciate the efforts of the Williamson Foundation in supporting the veterans by organizing this week's Honor Flight.

While I am sure each veteran appreciated the opportunity to visit the memorials, I know many of them were just as impressed with the gratitude expressed by their fellow New Mexicans for their service. Huge crowds greeted them at the airport in Albuquerque. One veteran said he had never received a thank you before this trip.

New Mexicans played pivotal roles and sacrificed a lot during the war in Europe, north Africa, and the Pacific.

We must never forget what these and all veterans have done for our great Nation. I thank them for their service.

ACKNOWLEDGING THIRD ANNIVER-SARY OF 2012 DEFERRED ACTION FOR CHILDHOOD ARRIVALS PRO-GRAM

(Mr. VEASEY asked and was given permission to address the House for 1 minute.)

Mr. VEASEY. Madam Speaker, I rise today to acknowledge the third anniversary of President Obama's 2012 Deferred Action for Childhood Arrivals program, commonly known as DACA.

While the Nation desperately waits for House Republicans to move forward on immigration reform, the DACA program has provided temporary relief for hundreds of thousands of families to continue their studies and contribute to our economy. Since its enactment, more than 750,000 young people, including 88,000 Texans, have successfully applied for DACA.

Although I am disappointed with the recent court actions delaying President Obama's expansion of the DACA program, I remain hopeful that millions more immigrant families will one day be able to fully contribute to the prosperity of our country.

That is why, in my home district in the Dallas-Fort Worth metroplex, I will host a DACA-DAPA informational forum with Congressman Luis GUTIÉRREZ on July 18 to help TX-33 residents prepare for immigration relief.

While President Obama's efforts to expand DACA and initiate DAPA programs are temporarily stalled in the courts, I am committed to fighting for immigrant families nationwide, so they can come out of the shadows and live the American Dream.

BETTER FUNDING AND SUPPORT FOR ALZHEIMER'S RESEARCH

(Mrs. LAWRENCE asked and was given permission to address the House for 1 minute.)

Mrs. LAWRENCE. Madam Speaker, I stand here today to join my colleagues in a bipartisan call for action for better funding and support for Alzheimer's research. The Alzheimer's Association of Greater Michigan, which is headquartered in my district, the 14th Congressional District of Michigan, supports more than 140,000 people and their families.

According to the Banner Alzheimer Institute, those numbers are going to increase unless treatments or cures are developed. The institute estimates the number of people 65 and older with Alzheimer's will nearly triple to 13.8 million, and the U.S. healthcare costs for Alzheimer's will skyrocket to \$1.1 trillion per year, with more than \$700 million coming out of Medicare and Medicaid.

It is time to treat Alzheimer's as the healthcare disaster that it has become. It is time to take this epidemic seriously. It is time to guard against the threat it poses to our families, our districts, healthcare system, and our Nation.

CHICAGO BLACKHAWKS STANLEY CUP DYNASTY

(Mr. LIPINSKI asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LIPINSKI. Madam Speaker, last night, I wore my number 35 Tony Esposito Chicago Blackhawks jersey from the 1970s, and I watched what I could never have imagined in those days, a Chicago Blackhawks Stanley
