

And even if they comply, in 10 years, the situation is set up where, rather than one weapon, it is 100 weapons, ICBMs sticking out of the sand in the Middle East, Mr. Speaker.

There is much to be done for this western civilization. We need to strengthen our culture. We need to believe in who we are. We need to sort the best things out of what we are and strengthen them. We need to cull out the weaknesses that we have. And we need a leader whom God will use to restore the soul of America.

Mr. Speaker, I yield back the balance of my time.
