REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 381

Mrs. DINGELL. Mr. Speaker, I ask unanimous consent to remove my name as a cosponsor of H.R. 381.

The SPEAKER pro tempore (Mr. JENKINS of West Virginia). Is there objection to the request of the gentlewoman from Michigan?

There was no objection.

PERSONAL EXPLANATION

Mr. JOHNSON of Georgia. Mr. Speaker, on rollcall vote No. 493, I was, unfortunately, detained and missed that rollcall vote. Had I been present, I would have voted “aye.”

LEGISLATIVE PROGRAM

(Mr. HOYER asked and was given permission to address the House for 1 minute.)

Mr. HOYER. Mr. Speaker, I yield to the gentleman from California (Mr. MCCARTHY) to inquire of the majority leader the schedule for the week to come.

Mr. MCCARTHY. I thank the gentleman for yielding.

Mr. Speaker, on Monday and Tuesday, no votes are expected in the House. On Wednesday, the House will meet at noon for morning hour and 2 p.m. for legislative business. Votes will be postponed until 6:30 p.m.

On Thursday, the House will meet at 10 a.m. for morning hour and noon for legislative business.

On Friday, the House will meet at 9 a.m. for legislative business. Last votes of the week are expected no later than 3 p.m.

Members are advised that, given the shortness of the week due to the Jewish holiday, Members should be prepared for a full legislative day on Friday.

Mr. Speaker, the House will consider a number of suspensions next week, a complete list of which will be announced by close of business today.

In addition, the House will consider H.R. 758, the Lawsuit Abuse Reduction Act of 2015, sponsored by Representative LAMAR SMITH. This bill will ensure that innocent Americans are protected against frivolous lawsuits.

Mr. Speaker, the House will also consider two measures that respond to the horrific videos released throughout the summer on Planned Parenthood practices. The first is H.R. 3134, sponsored by Representative DIANE BLACK, which places a 1-year moratorium on funding to Planned Parenthood while Congress investigates these videos.

Three committees in the House are currently looking into Planned Parenthood activities, funding, and adherence to the law.

The second will be a bill sponsored by Representative TRENT FRANKS, which adds criminal penalties to people who violate the Born Alive Act, for medical providers who fail to provide medical

care to a baby who survives the abortion procedure.

Americans are rightfully outraged by what was depicted in these videos, and Congress and the American people have a right to know exactly what is happening.

These two critical bills will ensure that we get all the facts and protect those who cannot protect themselves.

Mr. HOYER. I thank the gentleman for the information.

I would just observe that we share the view of the—you used the term “horrific” videos. As I understand it, these videos are heavily edited. I don’t want to get into debate about them; we will have that debate next week, but we are certainly concerned about, as the gentleman knows, 97 percent of the health care delivered by Planned Parenthood has nothing to do with the issues raised in the video, edited or not.

We would hope that we could come to an agreement on making sure that those healthcare services that are provided to literally thousands and thousands of women are not interrupted, but I understand that we will have that debate next week.

Mr. Leader, you do not include in your schedule a continuing resolution for the funding of government. As the gentleman knows, we have essentially, as I count it, 5 full legislative days left. We have 8 or 9 days left, but there are many partial days.

We have 5 full legislative days left before the government runs out of authority and funds to continue. As the gentleman knows, I have been urging the majority leader and your side of the aisle to enter into discussions on levels of funding and funding itself.

We suspended the appropriations process approximately in the middle of July when the Interior bill was pulled from the floor. Presumably, it was pulled because there was a possibility of amendments being offered regarding the Confederate battle flag, but notwithstanding that, half the appropriation bills have not been brought to the floor. No appropriation bills have passed the Senate.

I have been urging, for at least 2 months now, that we have discussions. I discussed with Mr. VAN HOLLEN today there have been no discussions between Mr. VAN HOLLEN and Mr. PRICE with reference to a resolution of the funding levels for a CR or the length of term of the CR.

I had an opportunity to talk to Ranking Member NITA LOWEY today of the Appropriations Committee. She informs me that there have been no substantive discussions between herself and Mr. ROGERS and that Mr. ROGERS, in fact, has no indication of what funding levels will be going forward or what a CR would look like or the length of period of time it would be for.

In addition to that, I have discussed with the leader’s office, Leader PELOSI’s office—and I know that neither my office nor Leader PELOSI’s office have been in discussion either with

Mr. TAKAI changed his vote from “aye” to “no.”

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.
