

need to do it again next year and again next year and again the year after that.

This is the easy challenge, Mr. Speaker. We have come together to create the largest deficit reduction package in the history of the country. Republicans, Democrats, Congress, the White House, we did it. We have time to do it again.

I know there is an election year coming. I know folks want to focus on who is going to win in November. I know folks want Democrats to try to take over Congress or Republicans to try to take over the White House. I know that is the national conversation.

But whichever side of that battle you pick, wouldn't your candidate be advantaged if Republicans and Democrats had been successful for the American people on yet another big challenge?

There is only one way forward, and it is hard. There is only one way forward, and it is together. Please let us not burn bridges quibbling over \$1 billion here and \$1 billion there over the next 4 months. One billion dollars is a lot of money, a lot of money. But our problems are trillion-dollar problems, and I want us to join together to solve them because I know that we can.

With that, Mr. Speaker, I yield back the balance of my time.
