

“In this instance, however, before you even start probing the extensive, disturbing Brotherhood ties of her family members, Huma Abedin should have been ineligible for any significant government position based on her own personal and longstanding connection to Naseef’s organization.

“Specifically, Ms. Abedin was affiliated with the Institute of Muslim Minority Affairs, where she was assistant editor of the Journal of Muslim Minority Affairs. The journal was the IMMA’s *raison d’être*. Abedin held the position of assistant editor from 1996 through 2008, from when she began working as an intern in the Clinton White House until shortly before she took her current position as Secretary of State Hillary Clinton’s Deputy Chief of Staff.”

Again, this article was written in 2012.

“The IMMA was founded in the late 1970s by Abdullah Omar Naseef, who was then the vice president of the prestigious King Abdulaziz University in Saudi Arabia.”

It goes on to talk about all of his ties with civilization jihad and with the Muslim World League, over which he presided and with whom Huma Abedin had this relationship in this publication for all of those years that she worked with Hillary Clinton.

“The Muslim World League manages the ‘civilization jihad’—the Brotherhood’s commitment to destroy the West from within and to ‘conquer’ it by sharia proselytism, or *dawa*, as Sheikh Yusuf Qaradawi, the Brotherhood’s top sharia jurist, puts it.

“Nevertheless, the Muslim World League has a long history of deep involvement in violent jihad as well.”

Then we have this article today: “‘Spinning up as we speak’: Email shows Pentagon was ready to roll as Benghazi attack occurred.”

We still don’t know who stopped the military. The email shows they were ready to go help our people in Benghazi. Somebody stopped them. Was that advice Huma Abedin gave to Secretary Clinton? We don’t know. Was this advice that reached the President? We don’t know. We don’t know whether he went to bed and said, “You take care of it,” or whether he went next-door, like was reported, until Osama bin Laden was taken out. He went in the next room and didn’t watch and played cards. We don’t know what they were doing.

This report from Robert Windrem: “The ISIS Trail of Death” goes on to point out all that ISIS is doing. We know there are 1,000 cases being investigated right here.

Look, I am not advocating we get rid of all Muslims in the United States, we have got Muslim friends here in the House, but we do need to take a look to see whether people want to replace our U.S. Constitution with sharia law. We need to take a harder look at who we allow to come into this country and have a child who they will take back to

Yemen, or wherever, to teach their child to hate America.

People can make fun of me still, but we know Americans have died because we have allowed this to happen. They come back as American citizens whenever they want, and it gets so bad that even President Obama has to take out an American citizen, who was born here, to parents who trained him to hate America after they went back to Yemen.

Mr. Speaker, I yield back the balance of my time.
