**SENATE RESOLUTION 186—DESIGNATING THE WEEK OF MAY 17 THROUGH MAY 23, 2015, AS “NATIONAL PUBLIC WORKS WEEK”**

Mr. INHOFE (for himself and Mrs. BOXER) submitted the following resolution; which was considered and agreed to:

S. RES. 186

Whereas public works infrastructure, facilities, and services are of vital importance to the health, safety, and well-being of the people of the United States;

Whereas the public works infrastructure, facilities, and services could not be provided without the dedicated efforts of public works professionals, including engineers and administrators, who represent State and local governments throughout the United States;

Whereas public works professionals design, build, operate, and maintain the transportation systems, water infrastructure, sewage and refuse disposal systems, public buildings, and other structures and facilities that are vital to the people and communities of the United States; and

Whereas understanding the role that public infrastructure plays in protecting the environment, improving public health and safety, contributing to economic vitality, and enhancing the quality of life of every community of the United States is in the interest of the people of the United States: Now, therefore, be it

*Resolved*, That the Senate—

(1) designates the week of May 17 through May 23, 2015, as “National Public Works Week”;

(2) recognizes and celebrates the important contributions that public works professionals make every day to improve—

(A) the public infrastructure of the United States; and

(B) the communities that public works professionals serve; and

(3) urges individuals and communities throughout the United States to join with representatives of the Federal Government and the American Public Works Association in activities and ceremonies that are designed—

(A) to pay tribute to the public works professionals of the United States; and

(B) to recognize the substantial contributions that public works professionals make to the United States.

**SENATE RESOLUTION 187—EXPRESSING SUPPORT FOR THE DESIGNATION OF THE MONTH OF MAY 2015, AS “NATIONAL BLADDER CANCER AWARENESS MONTH”**

Mr. MENENDEZ (for himself, Mr. ISAKSON, and Mr. SCHATZ) submitted the following resolution; which was considered and agreed to:

S. RES. 187

Whereas 500,000 families in the United States live with bladder cancer;

Whereas more than 74,000 people are expected to be diagnosed with bladder cancer and 16,000 will die due to the disease in 2015 alone;

Whereas bladder cancer affects people of all ages and backgrounds and is among the

top 10 cancers with the highest incidence rates in the United States;

Whereas bladder cancer is known as one of the most expensive cancers to treat on a per patient basis with a recurrence rate of approximately 50 to 80 percent, requiring lifelong surveillance;

Whereas bladder cancer symptoms, such as blood in the urine, are easily recognized, however, many are unaware of the threat of bladder cancer, often prolonging the time to diagnosis;

Whereas if diagnosed early, bladder cancer is treatable;

Whereas military veterans are twice as likely as nonveterans to be diagnosed with bladder cancer;

Whereas women are often diagnosed at a later stage in the development of bladder cancer, and when diagnosed at the same stage as men, women have a worse prognosis;

Whereas if diagnosis and treatment are delayed, the life expectancy of an individual with bladder cancer decreases;

Whereas the quality of life of a person with bladder cancer will depend on future treatment and diagnosis developments, which will rely on research advancements;

Whereas there have been no new treatments approved by the Food and Drug Administration for bladder cancer in over 10 years;

Whereas research advancements for bladder cancer are limited by lack of awareness about the disease within the medical community and general public;

Whereas increased awareness will promote early diagnosis and increase the chances of survival;

Whereas increased awareness will bolster public support of the disease and thus increase funding for innovative research and the development of new treatment options and diagnostic tools;

Whereas traditionally on the first Saturday in May each year, survivors, caregivers, and loved ones walk together throughout the United States to raise awareness of bladder cancer;

Whereas the Bladder Cancer Advocacy Network and its community of patients, caregivers, and specialists seek—

(1) to foster a community of hope and support;

(2) to fund and conduct research for innovative treatments and diagnostic tools; and

(3) to increase public awareness and understanding of bladder cancer; and

Whereas May would be an appropriate month to designate as “National Bladder Cancer Awareness Month”: Now, therefore, be it

*Resolved*, That the Senate—

(1) supports the designation of May 2015, as “National Bladder Cancer Awareness Month”;

(2) supports the goals and ideals of National Bladder Cancer Awareness Month; and

(3) calls on the people of the United States, interested groups, and affected persons—

(A) to promote awareness of bladder cancer and to foster understanding of the impact of the disease on patients and their families and caregivers;

(B) to take an active role in the fight to end bladder cancer; and

(C) to observe National Bladder Cancer Awareness Month with appropriate ceremonies and activities.
