## STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. TESTER (for himself and Mr. DAINES):

S. 1577. A bill to amend the Wild and Scenic Rivers Act to designate certain segments of East Rosebud Creek in Carbon County, Montana, as components of the Wild and Scenic Rivers System; to the Committee on Energy and Natural Resources.

Mr. TESTER. Mr. President, today, along with Senator DAINES, I introduced the East Rosebud Creek Wild and Scenic Rivers Act. This legislation will help ensure that one of my state's most striking waterways is preserved for the use and enjoyment of future generations.

In south central Montana, East Rosebud Creek meanders through the Absaroka-Beartooth Wilderness before pooling briefly at East Rosebud Lake. From there, the creek continues to flow down through the Custer National Forest and on, eventually, to the Yellowstone River.

My legislation would protect 20 of the most scenic miles of East Rosebud Creek: those 13 miles above East Rosebud Lake and seven more on the downstream side. Designating these sections of river will protect its water quality and the free-flowing nature of the river, and will have no impact on private property.

Local ranchers, businesses, homeowners associations, conservation groups, and everyday Montanans have recognized the need for a Wild and Scenic Rivers designation and have voiced their support. In its current management plan for Custer National Forest, the Forest Service also recognizes the incredible scenic and recreational values of East Rosebud Creek, and the river's potential for designation.

In short, this bipartisan legislation is a proposal that comes tailor-made from folks on the ground and will preserve a portion of Montana's outdoor heritage for our kids and grandkids.
