SENATE CONCURRENT RESOLUTION 18—RECOGNIZING THE DAISY AS THE FLOWER FOR MILITARY CAREGIVERS

Mr. BURR (for himself, Mrs. MURRAY, and Mr. BLUMENTHAL) submitted the following concurrent resolution; which was referred to the Committee on Veterans' Affairs:

S. CON. RES. 18

Whereas military caregivers are nameless, courageous, giving individuals whose determination and sacrifices are rarely acknowledged and little-known outside of the military community;

Whereas a military caregiver provides medical care to a member of the uniformed services or veteran who suffers from a physical, mental, or emotional wound or injury;

Whereas a military caregiver is a father, mother, spouse, sibling, family member, or loved one of an injured member of the uniformed services or veteran;

Whereas since the first armed conflict of the United States, injured veterans have been cared for by family members and loved ones after returning home from combat;

Whereas since the Revolutionary War, military caregivers in the United States have tended to injured veterans as the veterans have recovered from seen and unseen wounds from combat operations;

Whereas military caregivers have shown time and time again, regardless of the conflict, that caring for those who return home is a part of the character of the United States;

Whereas many of the members of the uniformed services and veterans who served in Operation Enduring Freedom or Operation Iraqi Freedom—

(1) suffered wounds or injuries; and

(2) require assistance from a caregiver to complete either activities of daily living such as bathing, dressing, and feeding, or instrumental activities such as transportation, meal preparation, and health management;

Whereas, according to a study of military caregivers conducted by the RAND Corporation, as many as 1,000,000 spouses, parents, and children of veterans have served or are currently serving as caregivers to veterans who served in Operation Enduring Freedom or Operation Iraqi Freedom;

Whereas section 1672 of the National Defense Authorization Act for Fiscal Year 2008 (10 U.S.C. 1071 note; 122 Stat. 481) introduced an expansion of medical care available to family caregivers;

Whereas the Caregivers and Veterans Omnibus Health Services Act of 2010 (Public Law 111-163; 124 Stat. 1130) facilitated a new program for access to health insurance, mental health services, caregiver training, and respite care by family caregivers of veterans

who served in Operation Enduring Freedom or Operation Iraqi Freedom;

Whereas the love and loyalty of military caregivers—

(1) endures through the hardships of extended hospital stays, multiple surgeries, and lifetimes of care; and

(2) helps create a fresh start that is hopeful even during difficult times;

Whereas the daisy is a flower that symbolizes both—

(1) loyalty to love; and

(2) new beginnings; and

Whereas there is no more appropriate representation of the devotion and determination to overcome obstacles shown every day by military caregivers than the daisy: Now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That Congress—

(1) honors military caregivers for service and sacrifice to the United States;

(2) encourages the people of the United States—

(A) to show support to military families; and

(B) to recognize the sacrifices endured by those families in service to the United States; and

(3) recognizes the daisy as the flower for military caregivers.

SA 2075. Mr. PORTMAN (for himself and Ms. STABENOW) submitted an amendment intended to be proposed by him to the bill H.R. 2146, to amend the Internal Revenue Code of 1986 to allow Federal law enforcement officers, firefighters, and air traffic controllers to make penalty-free withdrawals from governmental plans after age 50, and for other purposes; which was ordered to lie on the table; as follows:

Beginning on page 25, strike line 18, and all that follows through page 26, line 16, and insert the following:

(1) CURRENCY MANIPULATION.—The principal negotiating objective of the United States with respect to unfair currency exchange practices is to target protracted large-scale intervention in one direction in the exchange markets by a party to a trade agreement to gain an unfair competitive advantage in trade over other parties to the agreement, by establishing strong and enforceable rules against exchange rate manipulation that are subject to the same dispute settlement procedures and remedies as other enforceable obligations under the agreement and are consistent with existing principles and agreements of the International Monetary Fund and the World Trade Organization. Nothing in the previous sentence shall be construed to restrict the exercise of domestic monetary policy.

SA 2076. Mr. MCCONNELL (for Mr. BLUMENTHAL) proposed an amendment to the bill H.R. 91, to amend title 38, United States Code, to direct the Secretary of Veterans Affairs to issue, upon request, veteran identification cards to certain veterans; as follows:

Strike all after the enacting clause and insert the following:

SECTION 1. SHORT TITLE.

This Act may be cited as the “Veterans Identification Card Act 2015”.

SEC. 2. VETERANS IDENTIFICATION CARD.

(a) FINDINGS.—Congress makes the following findings:

(1) Effective on the day before the date of the enactment of this Act, veteran identification cards were issued to veterans who have either completed the statutory time-in-service requirement for retirement from the Armed Forces or who have received a medical-related discharge from the Armed Forces.

(2) Effective on the day before the date of the enactment of this Act, a veteran who served a minimum obligated time in service, but who did not meet the criteria described in paragraph (1), did not receive a means of identifying the veteran's status as a veteran other than using the Department of Defense form DD-214 discharge papers of the veteran.

(3) Goods, services, and promotional activities are often offered by public and private institutions to veterans who demonstrate proof of service in the military, but it is impractical for a veteran to always carry Department of Defense form DD-214 discharge papers to demonstrate such proof.

(4) A general purpose veteran identification card made available to veterans would be useful to demonstrate the status of the veterans without having to carry and use official Department of Defense form DD-214 discharge papers.

(5) On the day before the date of the enactment of this Act, the Department of Veterans Affairs had the infrastructure in place across the United States to produce photographic identification cards and accept a small payment to cover the cost of these cards.

(b) PROVISION OF VETERAN IDENTIFICATION CARDS.—Chapter 57 of title 38, United States Code, is amended by adding after section 5705 the following new section:

“§ 5706. Veterans identification card

“(a) IN GENERAL.—The Secretary of Veterans Affairs shall issue an identification card described in subsection (b) to each veteran who—

“(1) requests such card;

“(2) presents a copy of Department of Defense form DD-214 or other official document from the official military personnel file of the veteran that describes the service of the veteran; and

“(3) pays the fee under subsection (c)(1).

“(b) IDENTIFICATION CARD.—An identification card described in this subsection is a card issued to a veteran that—

“(1) displays a photograph of the veteran;

“(2) displays the name of the veteran;

“(3) explains that such card is not proof of any benefits to which the veteran is entitled to;

“(4) contains an identification number that is not a social security number; and

“(5) serves as proof that such veteran—

“(A) served in the Armed Forces; and

“(B) has a Department of Defense form DD-214 or other official document in the official military personnel file of the veteran that describes the service of the veteran.

“(c) COSTS OF CARD.—(1) The Secretary shall charge a fee to each veteran who receives an identification card issued under this section, including a replacement identification card.

“(2)(A) The fee charged under paragraph (1) shall equal such amount as the Secretary determines is necessary to issue an identification card under this section.

“(B) In determining the amount of the fee under subparagraph (A), the Secretary shall ensure that the total amount of fees collected under paragraph (1) equals an amount necessary to carry out this section, including costs related to any additional equipment or personnel required to carry out this section.

“(C) The Secretary shall review and reassess the determination under subparagraph (A) during each five-year period in which the Secretary issues an identification card under this section.

“(3) Amounts collected under this subsection shall be deposited in an account of the Department available to carry out this section. Amounts so deposited shall be—

“(A) merged with amounts in such account;

“(B) available in such amounts as may be provided in appropriation Acts; and

“(C) subject to the same conditions and limitations as amounts otherwise in such account.

“(d) EFFECT OF CARD ON BENEFITS.—(1) An identification card issued under this section shall not serve as proof of any benefits that the veteran may be entitled to under this title.

“(2) A veteran who is issued an identification card under this section shall not be entitled to any benefits under this title by reason of possessing such card.

“(e) ADMINISTRATIVE MEASURES.—(1) The Secretary shall ensure that any information collected or used with respect to an identification card issued under this section is appropriately secured.

“(2) The Secretary may determine any appropriate procedures with respect to issuing a replacement identification card.

“(3) In carrying out this section, the Secretary shall coordinate with the National Personnel Records Center.

“(4) The Secretary may conduct such outreach to advertise the identification card under this section as the Secretary considers appropriate.

“(f) CONSTRUCTION.—This section shall not be construed to affect identification cards otherwise provided by the Secretary to veterans enrolled in the health care system established under section 1705(a) of this title.”.

(c) CLERICAL AMENDMENT.—The table of sections at the beginning of such chapter is amended by inserting after the item relating to section 5705 the following new item:

“5706. Veterans identification card.”.

(d) EFFECTIVE DATE.—The amendments made by this Act shall take effect on the date that is 60 days after the date of the enactment of this Act.
