

and the maritime operators using it directly benefit the entire Nation. For example, 60 percent of export grain travels to the Gulf of Mexico through Louisiana. Also, one-fifth of our domestic energy is produced off the coast of Louisiana with support from the domestic fleet of offshore workboats.

The Jones Act helps ensure the strength and stability of our domestic maritime industry, and it will help ensure that it continues to flourish. These jobs and the economic benefits from them would be at risk if the Jones Act were repealed. I have no doubt that our industries can and will compete effectively against their counterparts around the world. However, they cannot compete fairly against the heavy subsidization that foreign governments give to their industries. Also, there cannot be fair competition when foreign vessels are not subjected to the same requirements for safety, fuel containers, labor standards, training, incidental vessel discharges, other environmental regulations, taxes, and more that our industries have to follow.

Also, the Jones Act is vital to the military as it protects our national security. In order to ensure our Navy remains the best equipped and most powerful Navy in the world, we must have domestic skills base and shipbuilding capacity. Also, we need to have an adequate domestic fleet to ensure the fast and secure delivery of vital military cargoes around the world.

For our homeland security, the Jones Act helps keep our ports and waterways safer from attack. Imagine if our inland waterways and ports were fully open to foreign vessels. The Coast Guard and our other law enforcement agencies would have no real, effective way to know if vessels are safe as they travel through our river communities, if the crews are properly licensed for the vessel's operation, or if anyone or anything on the vessels pose a risk. The Jones Act helps our first responders and law enforcement better know any potential threats and allows them to be better prepared to act in an emergency.

In short, any legislation to repeal or lessen the protections of the Jones Act would threaten jobs, economic growth, military strength, and homeland security. I will continue working to support the U.S. maritime industry.

#### ADDITIONAL STATEMENTS

##### TRIBUTE TO HOWARD GEORGE HITCHENS

• Mr. COONS. Mr. President, I wish to honor Howard George Hitchens and highlight his service to the Slaughter Beach community and the State of Delaware.

Howard George Hitchens is a charter member of the Memorial Volunteer Fire Company of Slaughter Beach, DE, which he and several others established in 1954. Howard previously served as

fire chief, assistant chief engineer, and director of the fire company. He also started its Santa Claus show for children, which still occurs each year during the holiday season. Howard has served the fire company for more than 60 years and is the only living charter member.

On February 14, 2015, the Memorial Volunteer Fire Company will honor Howard for his service. Howard is a true Delawarean and a model community leader. I would like to honor Howard and his more than six decades of service to his family, friends, community, and the State of Delaware.●

##### REMEMBERING JAMES ALLEN

• Mr. BOOZMAN. Mr. President, I wish to honor the life and legacy of Rogers Police Chief James Allen, who passed away on Thursday after a long battle with cancer.

After more than three decades of public service, Chief Allen was well respected in the law enforcement community across Arkansas. He was a dedicated leader who devoted his life to law enforcement.

Chief Allen graduated from Arkansas State University with a degree in criminal justice. Following graduation he joined the Jacksonville Police Department and within a few short years was named the captain of the Pulaski County Sheriff's Office. Chief Allen was the youngest police chief to serve on the Bentonville Police Force, a position which he held for 22 years. During his time at the helm of the Bentonville Police Department, Chief Allen graduated from the FBI National Academy. In 2011, he became the Rogers police chief.

I am greatly appreciative for Chief Allen's continued service over the years to Arkansas and Rogers, the community I call home. Chief Allen was a man of the law, and he was always looking for opportunities to improve the resources for his staff and the community by applying for grants. I was happy to help support his endeavors.

I pray for his family and friends during this trying time, and I hope they find comfort knowing that Chief Allen touched so many lives in the State. He will be missed but leaves a lasting legacy.●

##### TRIBUTE TO TOM GRADY

• Mr. HELLER. Mr. President, I wish to congratulate Assemblyman Tom Grady, of Yerington, on his retirement. After serving 12 years in the Nevada Legislature, Assemblyman Grady is retiring from public service. It gives me great pleasure to congratulate him not only as a colleague but also as a friend on his retirement after more than 36 years of hard work and dedication to the Silver State.

A devoted husband and proud father of three, Assemblyman Grady stands as a shining example of someone who has

dedicated his life to serving his community. Upon graduating from the University of Nevada, Reno, Assemblyman Grady went on to attend the Washington State Bankers School. After moving back to Nevada, he served as the secretary-treasurer of the Truckee Carson Irrigation District before advancing to vice president of Pioneer Citizens Bank of Nevada. After leaving the bank, Assemblyman Grady reentered public service after winning a seat on the Yerington City Council. After 3 years of service on the Yerington City Council, Assemblyman Grady was elected mayor, a position he held for 12 years.

Assemblyman Grady's experience as a local government leader qualified him for a seat in the Nevada Assembly, where he dutifully served his constituents for 12 years. During his time in the legislature, Assemblyman Grady served on the Taxation, Ways and Means, and Government Affairs Committee. Although I missed him by a few years in the assembly, I am proud to have served with Assemblyman Grady in Nevada State government as secretary of state.

His service to his community goes far beyond the many positions he has held in the Silver State over the years. Assemblyman Grady also served his country in the U.S. Army Reserve. I extend my deepest gratitude to him for his courageous contributions to the United States of America and to freedom-loving nations around the world. His service to his country and his bravery and dedication to his family and community earn him a place among the outstanding men and women who have valiantly defended our Nation. As a member of the Senate Committee on Veterans' Affairs, I recognize that Congress has a responsibility not only to honor these brave individuals who serve America but also to ensure they are cared for when they return home.

I am grateful for his dedication and commitment to the people of Yerington. He personifies the highest standards of leadership and community service and should be proud of his long and meaningful career. Today, I ask that all of my colleagues join me in congratulating Assemblyman Grady on his retirement, and I offer my deepest appreciation for all that he has done to make Nevada an even better place. I offer my best wishes to Assemblyman Grady, his wife Patricia, and their three children and seven grandchildren for many successful and fulfilling years to come.●
