

Born in 1943, Joey grew up on his family's historic B Ranch in Point Reyes National Seashore, which had been purchased by his grandfather in 1919. After attending college at Cal Poly, San Luis Obispo, Joey returned to Marin County to work in the family business, becoming a third-generation dairyman.

I first met Joey during my time as a Marin County supervisor, and although we did not see eye to eye on every issue, Joey was always willing to work together to try to forge consensus. He never let political differences get in the way of personal relationships, and over the years we formed an unwavering friendship.

A well-respected and beloved member of the Marin community, Joey gave generously of his time and energy to numerous organizations throughout his career, including the Western United Dairymen and the Marin County Farm Bureau. A lifelong farming advocate, Joey worked tirelessly to preserve California's North Bay agricultural heritage. It is a testament to his lifelong passion that his children decided to follow in their father's footsteps by operating their own ranches, with Joey's son maintaining the family's operation at B Ranch nearly 100 years after his great-grandfather worked the land. Joey and his family's legacy will help ensure that ranching and dairy operations will be part of the fabric of the Marin community for generations to come.

With his warm and welcoming nature, Joey remained a leading voice for the ranching community until his final days. I send my deepest condolences to Joey's wife Linda, his son Jarrod, his daughter Jolynn, his brother Jim, and his grandchildren, Collin, Luke, and Layla, along with his entire extended family.●

#### REMEMBERING OFFICER DAVID JOSEPH NELSON

• Mrs. BOXER. Mr. President, I ask my colleagues to join me in honoring the life of Bakersfield Police Officer David Joseph Nelson, a beloved son, brother, and grandson who was tragically killed in the line of duty on June 26, 2015.

David Nelson was born on November 16, 1988 in Burbank, CA. He graduated with top honors from Burbank High School in 2007, where he was a member of the Associated Student Body and the varsity swim and water polo teams. Officer Nelson attended Occidental College, earning a bachelor's degree in economics with a minor in public policy. He was also a member of Occidental's water polo and basketball teams.

As a college student, Officer Nelson interned with the U.S. Department of the Treasury and was offered a position upon graduation. However, he chose to remain in California to follow his lifelong dream of pursuing a career in law enforcement. In 2008, he joined the Burbank Police Department as a police cadet and became an officer with the Bakersfield Police Department in 2013.

At a memorial service on July 1, 2015, Bakersfield Police Sergeant Uriel Pacheco recalled that Officer Nelson was a "dedicated, trustworthy, courageous and respectful" member of the department. Others remembered David Nelson as a talented athlete with a great sense of humor and a strong desire to help those less fortunate.

On behalf of the people of California, whom Officer Nelson served so bravely, I extend my deepest sympathy to his parents Larry and Mary, brothers Erik and Michael, grandmothers Elsie Nelson and Josephine Gutierrez, and many uncles, aunts, cousins and friends.

We are forever indebted to Officer David Joseph Nelson for his courage and sacrifice, and he will be deeply missed.●

#### CONGRATULATING LIEUTENANT GENERAL BRUCE A. LITCHFIELD

• Mr. INHOFE. Mr. President, today on behalf of Senator LANKFORD and myself, we are pleased to congratulate Lt. Gen. Bruce A. Litchfield upon the completion of his career of service in the U.S. Air Force. Throughout his 34-year military career, Lieutenant General Litchfield served with distinction and dedication, ultimately becoming the commander of the Air Force Sustainment Center at Tinker Air Force Base, OK, responsible for providing operational planning and execution of Air Force Supply Chain Management and Depot Maintenance for a wide range of aircraft, engines, missiles, and component items in support of Air Force Materiel Command missions. From his command in Oklahoma, he was responsible for operations which spanned 3 air logistics complexes, 3 air base wings, 2 supply chain management wings, and multiple remote operating locations, incorporating more than 32,000 military and civilian personnel. Finally, he oversaw installation support to more than 75,000 personnel working in 140 associate units at the 3 sustainment center bases.

In July 2012, General Litchfield became the first commander of the newly established Air Force Sustainment Center in Oklahoma. During his command, he returned over \$1.5 billion back to the Air Force, and ultimately the taxpayer, through comprehensive initiatives like the AFSC Way and Cost Effective Readiness.

General Litchfield entered the Air Force in 1981 as a distinguished graduate from the Reserve Officer Training Corps program at Norwich University in Vermont. During his distinguished career, Lieutenant General Litchfield commanded at the squadron and group levels in addition to commanding two wings, and was the director of logistics, Headquarters Pacific Air Forces, Hickam Air Force Base, Hawaii. He spent the last 6 years in the great State of Oklahoma at Tinker Air Force Base as commander of the Oklahoma City Air Logistics Center, as well as

commander of the Air Force Sustainment Center.

General Litchfield earned military awards to include the Defense Service Medal, Legion of Merit with two oak leaf clusters, Defense Meritorious Service Medal, Meritorious Service Medal with four oak leaf clusters, the Air Force Commendation Medal, and the Air Force Achievement Medal as well as other service awards.

Under General Litchfield's command, the Air Force Sustainment Center earned two of the prestigious Department of Defense Maintenance Effectiveness Awards, as well as the Outstanding Unit Award.

General Litchfield led the successful reorganization and standup of the Air Force Sustainment Center, placing command and control of depot maintenance, supply chain and associate air base wing support under one command chain of command at Tinker Air Force Base, OK. His proactive leadership incorporated a revolutionary leadership model and governance process that drove rapid culture change and is currently under review by multiple universities as the example of success for government and industry.

General Litchfield, his wife Linda, and children Matthew and Jennifer have made many sacrifices during his Air Force career, and we appreciate their contributions of conscientious service to our country. His family and his fellow airmen can be proud of his service.

As he departs the Air Force to start the next part of his journey, I call upon my colleagues to wish Bruce and his family every success. It is our pleasure to recognize him at the conclusion of a distinguished career of service to the Air Force and to the United States of America.●
