

ADDITIONAL STATEMENTS

TRIBUTE TO TERRY BOSTON

- Mr. CASEY. Mr. President, I would like to take this moment for the Congress to note and honor the work of Terry Boston, president and CEO of PJM Interconnection, LLC.

It is most fitting that Terry Boston be recognized in the CONGRESSIONAL RECORD, for he has served countless Americans and played a key role in ensuring adequate infrastructure to drive America's economic development and our citizens' well-being throughout his professional life.

Since 2008, Terry Boston has served as president and chief executive officer of PJM located in Valley Forge, PA. In this role, Terry oversees the largest power grid in North America and the largest electricity market in the world. Terry also is president of the Association of Edison Illuminating Companies, Inc., and immediate past president of the GO 15, the association of the world's largest power grid operators. Terry was recently elected to the National Academy of Engineering, one of the highest professional honors accorded an engineer. He is a member of the Board for the Electric Power Research Institute.

Terry Boston is past chair of the North American Transmission Forum, dedicated to excellence in performance and sharing industry best practices. He also was one of the eight industry experts selected to direct the North American Reliability Corporation investigation of the August 2003 Northeast/Midwest blackout.

Prior to joining PJM, Terry Boston was the executive vice president of the Tennessee Valley Authority, the Nation's largest public power provider. In his 35 years at TVA, Terry directed divisions in transmission and power operations, pricing, contracts and electric system reliability.

PJM employs over 600 people in Pennsylvania and performs a critical function by "keeping the lights on" 24 hours a day, 7 days a week. PJM helps to ensure the health and well-being of our citizens not just in my State but for over 51 million persons in all or portions of the States of Pennsylvania, New Jersey, Delaware, Maryland, West Virginia, Virginia, North Carolina, Tennessee, Kentucky, Ohio, Michigan, Indiana, Illinois, and the District of Columbia.

Mr. President, Terry Boston has been an excellent engineer and an inspirational leader in the electric industry. As he retires from PJM, I ask that you join me and the entire Senate in wishing Terry success in his future endeavors. •

REMEMBERING BILLY ROSS BROWN

- Mr. COCHRAN. Mr. President, the agriculture community and the State of Mississippi suffered a great loss with

the passing of Billy Ross Brown, Jr., on Saturday, September 12, 2015. He was a good friend, a neighbor, a highly respected member of his community, and a gentleman who dedicated much of his life to helping Mississippi farmers and improving the overall quality of life in rural America.

A native of Oxford, MS, Billy Ross faithfully served the Farm Credit System and U.S. agricultural interests for over 36 years. In 1990 Billy Ross was appointed by President George H. W. Bush to serve on the Farm Credit Administration Board, and in 1993 he was designated Chairman and Chief Executive Officer of the Board by President Clinton, where he served with distinction until October of 1994. Following his tenure in Washington, Billy Ross returned to Mississippi and was nominated to the First South Farm Credit Board of Directors, a position in which he served until his retirement in March 2005.

In addition to his contributions to the U.S. Farm Credit System, Billy Ross was active in various agriculture and conservation organizations. He served more than 20 years as area vice president for the Mississippi Association of Conservation Districts and more than 30 years as a commissioner of the Lafayette County Soil and Water Conservation District. Billy Ross also served on the Mississippi Soil and Water Conservation Commission as well as the U.S. Forest Service National Advisory Committee. He received many awards for his work in agriculture, conservation, forestry and wildlife habitat.

Billy Ross was a true gentleman who illustrated dedication to his community and country. I am grateful for his friendship and all he accomplished for American agriculture. My thoughts and prayers are with his wife Lynn and the entire Brown family during this sad time. •

TRIBUTE TO MARGO WALSH

- Mr. KING. Mr. President, today I wish to recognize Margo Walsh, founder of MaineWorks, for her outstanding leadership and dedication to the State of Maine.

Under Margo's leadership, MaineWorks is strengthening communities and developing infrastructure across our State by providing temporary employment in the industrial construction sector to vulnerable laborers seeking to re-enter the workforce. Margo's vision has grown MaineWorks into an inclusive and empowering community for recent immigrants, low-income laborers, past non-violent offenders, military veterans, and other Mainers recovering from substance abuse.

Margo holds a BA in Psychology from Wheaton College and spent over 10 years in New York City as a recruiter for Goldman Sachs's Investment Banking Division and as an international human resources consultant

at Hewitt. She subsequently returned to her home State of Maine, determined to channel her passion for economic and social development towards the common good.

Margo's accomplishments at MaineWorks, however, extend beyond her initial decision to found the company in 2010. Under her continued leadership, MaineWorks has received recognition across the State and nationwide. In 2014 and 2015, SCORE recognized MaineWorks as the most successful innovative business in the State of Maine, and in 2014, MaineBiz Magazine named Margo as one of five women to watch. Additionally, MaineWorks is featured on the Federal Minimum Wage Campaign's video and was recently certified as a B-corporation, a testament to the company's commitment to transparency, social development, and environmental sustainability.

I would like to recognize and thank Margo for her ongoing commitment to the State of Maine. Our State owes Margo a great deal for her vision, leadership, compassion, and commitment to Maine's social and economic development. I look forward to Margo's continued service to MaineWorks and to the entire State of Maine. •

MEASURES PLACED ON THE CALENDAR

The following bills were read the second time, and placed on the calendar:

H.R. 3134. An act to provide for a moratorium on Federal funding to Planned Parenthood Federation of America, Inc.

H.R. 3504. An act to amend title 18, United States Code, to prohibit a health care practitioner from failing to exercise the proper degree of care in the case of a child who survives an abortion or attempted abortion.

REPORTS OF COMMITTEES

The following reports of committees were submitted:

By Mr. THUNE, from the Committee on Commerce, Science, and Transportation, with an amendment in the nature of a substitute:

H.R. 34. An act to authorize and strengthen the tsunami detection, forecast, warning, research, and mitigation program of the National Oceanic and Atmospheric Administration, and for other purposes (Rept. No. 114-146).

EXECUTIVE REPORTS OF COMMITTEE

The following executive reports of nominations were submitted:

By Mr. McCain for the Committee on Armed Services.

Army nomination of Brig. Gen. Barbara R. Holcomb, to be Major General.
