

pleasure to recognize his years of hard work and dedication to Las Vegas' Hispanic business community. I am proud to call Otto a friend.

Otto was born in Havana, Cuba, and came to the United States in the early 1960s through a historic U.S. mission in Cuba known as Operation Peter Pan. He attended high school in Wilmington, DE, and received an associate degree from North Florida Junior College and a bachelor's degree in political science from the University of Florida. After graduating, he worked with Volunteers In Service to America, VISTA, in Massachusetts as a community organizer and social worker. He then left VISTA and worked for the Fitchburg Chamber of Commerce.

He later came to Las Vegas in 1974 and began working for Nevada's Department of Education and the Comprehensive Employment and Training Program. As someone who has traveled to Cuba and spent time with the people, I recognize the importance of normalizing some relations with this country. This is why I support lifting travel restrictions to and from Cuba. I am proud to see Otto represent his country in such a positive manner within our Nevada community. Beginning in 1976, Otto helped organize Las Vegas' Latin Chamber of Commerce, LCC, and in 1978 became the executive director. In 2005, he was named president and chief executive officer of the LCC and the LCC Community Foundation. This successful body now has over 13,000 members and is the premier Latin chamber serving the great State of Nevada. I am grateful that our State has had someone like Otto leading this incredible organization for so many years. He is one of a kind and will be missed.

Without a doubt, Otto's work has had a great impact on Las Vegas' Hispanic businesses both large and small. Through his unwavering commitment, the Hispanic business community continues to grow and prosper. Otto has not only worked to build Las Vegas' Hispanic businesses in times of economic stability, but also helped to keep hard-working southern Nevada businessowners on their feet in times of great downturn. Along with his work to support local businesses, he has also focused on philanthropic work, helping foster young Hispanic leaders through the Latino Youth Leadership Conference since 1993. In addition, he has contributed greatly in helping to grow scholarship funds to go towards higher education for Las Vegas' Hispanic youth. This community is fortunate that Otto has served as an ally and leader for decades. To say he has had a positive impact on Las Vegas' Hispanic business community would be an understatement. The strong foundation he has built will be felt for years to come.

I ask my colleagues and all Nevadans to join me in thanking Otto for his dedication to both Las Vegas' Hispanic business community and the LCC and

in congratulating him on his retirement. He exemplifies the highest standards of leadership and service and should be proud of his long and meaningful career. I wish him well in all of his future endeavors.●

#### TRIBUTE TO WALTER GALVIN

● Ms. McCASKILL. Mr. President, today I would like to recognize and thank Walter Galvin for his years of service with Emerson, a great employer for 125 years in the State of Missouri. Walt joined Emerson in 1973 and has had an enormous impact on the company and the St. Louis community.

Walt's service with Emerson began as the controller at the Ridge Tool subsidiary. In 1993, he was named chief financial officer of Emerson and served in this role for 17 years. During his time as CFO, he served as a management member of Emerson's Board of Directors and as vice chairman. Walt retired from Emerson in February of 2013, but worked for Emerson for another 2 years to lend his expertise and knowledge to the next generation of company leaders.

Walt's experience working at Emerson provided him with the insight necessary to influence positive change in U.S. lawmaking. In 2004, he was directly involved in the passage of the American Jobs Creation Act, which included many provisions intended to incentivize and expand domestic manufacturing. He appeared as a witness many times before committees in the House and Senate, shedding light on the struggle American companies face in such a competitive international environment and lending his expertise to discussions of our Tax Code and comprehensive tax reform.

He served as a member of the Board of Directors of the U.S. Chamber of Commerce and as vice chairman and later, chairman of the Chamber's tax committee in Washington, DC. He also served on the board of the National Association of Manufacturers, NAM, and, for a time, as the chairman of NAM's tax committee. Other companies such as Ameren Corporation, F.M. Global Insurance, and Aegion Corporation also count Walt as a director.

In addition to his service to Emerson and broader policy discussions, Walt was active in charitable endeavors in the St. Louis community. He served on the board of Interco Charitable Foundation, the United Way of Greater St. Louis, and is the past president of the Saint Louis Zoo Association and Cardinal Glennon Children's Hospital.

St. Louis and the entire State of Missouri are very lucky to have such a dedicated community leader making a difference on a local, State, and national level. I ask all of my colleagues to join me in recognizing Walter Galvin's impact on American businesses and leaders nationwide.●

#### PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-78. A resolution adopted by the Senate of the Commonwealth of Pennsylvania urging the United States Congress to take all necessary action to prohibit any force structure changes, to prohibit any transfer of AH-64 Apache helicopters from the National Guard, and maintain the Army National Guard at 350,200 soldiers until the National Commission on the Future of the Army has reported its findings to Congress in February 2016; to the Committee on Armed Services.

#### SENATE RESOLUTION NO. 149

Whereas, The United States Army plans to transfer all National Guard AH-64 Apache helicopters to active duty as part of the United States Army's Restructuring Initiative; and

Whereas, The United States Army has marked Pennsylvania's 55th Armored Brigade Combat Team (ABCT) for inactivation; and

Whereas, The 55th ABCT is headquartered in Scranton, extends over the eastern portion of Pennsylvania and approximately 3,500 Pennsylvanians serve with the 55th ABCT; and

Whereas, Congress established the National Commission on the Future of the Army, which is tasked with completing an independent study on the proper size, force mixture and force generation requirements for the army, and this commission is required to report its findings during February 2016; and

Whereas, This comprehensive assessment will provide Congressional members the opportunity to review and legislate in response to the commission's recommendations; and

Whereas, There are 24 AH-64 Apache helicopters authorized for the Pennsylvania

Army National Guard (PAARNG) with a significant portion of the allotment stationed at the John Murtha Johnstown-Cambria County Airport; and

Whereas, Transferring the Apache helicopters would result in the loss of 350 part-time personnel from the 1-104th Attack Battalion and the stationing of PAARNG is an important economic driver in the Johnstown area with an estimated impact of nearly \$45 million; and

Whereas, The economic necessity and the maintenance of critical national defense units in the Johnstown area, including the 1-104th Attack Battalion PAARNG and its complement of Apache helicopters, dictates that the United States Army reverse its decision to redeploy the helicopters; and

Whereas, Units from the 55th ABCT have deployed multiple times since 9/11, including deployments to Kosovo, Kuwait, Egypt, Iraq and Afghanistan and units from the brigade have earned multiple Navy Unit Commendations and Meritorious Unit Commendations; and

Whereas, The army's current force proposals reduce the total Army National Guard end strength from 350,200 to 342,000 during fiscal year 2016, and further, from 342,000 to 335,000 during fiscal year 2017; and

Whereas, Since 2000, the army has cut the Army National Guard by 14 Brigade Combat Teams and increased the active army by 12 Brigade Combat Teams, which have resulted in a shift from the majority of force structure residing with the Army National Guard to the majority of the force structure contained within the active army; and

Whereas, The geographical location of Pennsylvania in relation to the entire northeast corridor places the Pennsylvania National Guard in a strategically accessible position that can effectively respond at the Federal and State level when needed for domestic emergencies or armed conflicts; and

Whereas, The National Guard represents the best economic value for the United States validated by the Department of Defense stating in 2013 that a drilling guardsman is about 15% the cost of an active component soldier; and

Whereas, When Title 10 mobilized duty, a national guard soldier only cost 80 to 95% as much as an active component soldier: Now, therefore, be it

*Resolved* (the House of Representatives concurring), That the General Assembly urge the United States Army to reverse its decision to deactivate the 55th Armored Brigade Combat Team and to reverse its decision to transfer any National Guard AH-64 Apache helicopters to active duty; and be it further

*Resolved*, That the General Assembly urge Congress to take all necessary action to prohibit any force structure changes, to prohibit any transfer of AH-64 Apache helicopters from the National Guard, and maintain the Army National Guard at 350,200 soldiers until the National Commission on the Future of the Army has reported its findings to Congress in February 2016; and be it further

*Resolved*, That copies of this resolution be transmitted to the President of the United States, the Secretary of Defense and to each member of Congress from Pennsylvania.

POM-79. A resolution adopted by the Senate of the Commonwealth of Pennsylvania urging the President of the United States and the United States Congress to consider imposing tariffs on imported anthracite coal in order to preserve American jobs; to the Committee on Finance.

#### SENATE RESOLUTION NO. 54

Whereas, The anthracite coal industry accounts for more than 1,000 Pennsylvania jobs; and
