

international social work, making significant contributions with her publications and work in the classroom. Dr. Healy was instrumental in establishing the University's Center for International Social Work studies over 20 years ago. The center helps social workers develop a global perspective on human rights, human needs, social policy, and social work practice. These efforts have had a role in the overall establishment of this department as a nationally recognized faculty of experts.

We should all aspire to build such a prolific and inspirational legacy as Professor Lynne Healy. My wife, Cynthia, and I are honored to celebrate Dr. Healy's achievements, and we wish her all the best as she begins the next chapter of her life. I know that many across the State of Connecticut will join me in congratulating her on this laudable occasion. ●
