HONORING THE LIFE OF MR. JACK REED, SR.

HON. TRENT KELLY

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 3, 2016

Mr. KELLY of Mississippi. Mr. Speaker, today I rise to honor the life of one of Mississippi's most dedicated citizens, Mr. Jack Reed, Sr. Albert Einstein said, "What is right is not always popular and what is popular is not always right." This quote comes to mind when I reflect on the phenomenal life's work of Jack Reed. Even if it was not popular at the time, he always strived to support policies that he believed would improve the state. A dynamic figure, he was a successful business leader and devoted himself to economic development and community service.

After serving in World War II and graduating from Vanderbilt University and New York University, Mr. Reed returned home to Tupelo to work for the family business, Reed's retail store. In this role, he grew the family legacy and successfully expanded the business to other regions in the state. As the first Chairman of the State Board of Education, he was instrumental in education reform and was an advocate and powerful voice for desegregation in the South. His accomplishments and leadership roles are both impressive and far-reaching. He chaired the Yocona Area Council of Boy Scouts of America and was a founder and long-serving Board of Directors member of LIFT, Mississippi's first community action agency. He served as president and was a member of the Executive Committee of both the Community Development Foundation and CREATE, Inc. His reach and influence in community projects and initiatives was truly remarkable and these only serve as a few examples of his exemplary commitment to making Mississippi a better place to live and raise a family.

Most importantly, Mr. Reed was a man of family and faith. In 1950, he married Frances Camille Purvis and together they have four children, twelve grandchildren, and ten great-grandchildren. He was a staple at First United Methodist Church where he also taught an adult Sunday school class. It is often stated that Jack Reed was "the best governor Mississippi never had." His legacy is one of service and dedication to leave Mississippi a better place than he found it. Without a doubt, he accomplished that goal. My thoughts and prayers continue to be with Mr. Reed's family and friends.

Wednesday, February 3, 2016

Mr. LONG. Mr. Speaker, I rise today to recognize and congratulate Caitlin Kemp-Shukwit, an outstanding student at Missouri State University, on her selection to receive the Citizen Scholar Award.

Each year, this prestigious award is given by Missouri State University's Board of Governors to students who have contributed to the university, furthered the university's public affairs mission, and have been significantly engaged in extra-curricular accomplishments and/or in important service activities in the community. Her professors praise her exemplary leadership skills, which she uses to benefit both the college and local communities.

Mr. Speaker, Caitlin Kemp-Shukwit's accomplishments have set a great example of what a Citizen Scholar should be, this award represents a great deal of her hard work and dedication. COMMEMORATING JULIE BAKER DOBSKI, RECIPIENT OF ILLINOIS STATE UNIVERSITY FOUNDERS DAY HONORARY DEGREE

HON. DARIN LAHOOD

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 3, 2016

Mr. LAHOOD. Mr. Speaker, I would like to honor Julie Baker Dobski, the 2016 Honorary Degree Recipient of Illinois State University Founders Day.

Julie Baker Dobski, a citizen of Bloomington-Normal since 1988, is a successful business person and philanthropist who serves her fellow citizens in more ways than one. In 1982, she and her husband, Bob, opened their first McDonald's in Farmington, Missouri and has since expanded their franchise to serve Big Macs and Happy Meals in Bloomington, Normal, McLean and Gibson City. However, she soon realized that local boys and girls were hungry for something greater such as knowledge. In 2004, Julie fulfilled those needs by opening her first of three Little Jewels Learning Centers. These centers provide family-oriented child care with a variety of programs and activities that engage the children and prepare them for school in a safe, loving, and nurturing environment.

Julie continued her service and devotion in the community by serving on various executive boards such as the McLean County Chamber of Commerce, American Red Cross, United Way as well as many others. She currently serves on the Baby Fold, BN Advantage Leadership Council, and the Illinois State University College of Business Advisory Board.

In addition, her great leadership does not go unrecognized as she was awarded with the McDonald's People Award and the McDonald's Ronald Award twice. Under her tenure as president of the Bloomington-Normal Sunrise Rotary, her club was donned the Club of the Year. Because of her values of leadership, hard work, and passion to help others, those around her also achieve success. In short, where ever she goes, success ultimately follows.

Again, I want to congratulate Julie Baker Dobski and her continued service to the 18th District.

Wednesday, February 3, 2016

Mr. YOUNG of Alaska. Mr. Speaker, I would like to congratulate a group of outstanding students from West Valley High School in Fairbanks, Alaska who participated in the We the People: The Citizen and the Constitution program.

The We the People: The Citizen and the Constitution program, administered by the Center for Civic Education, complements regular school curricula by providing upper elementary, middle, and high school students

with an innovative course of instruction on the history and principles of U.S. constitutional democracy.

The We the People program's culminating activity is a simulated Congressional hearing in which students evaluate and defend positions on relevant historical and contemporary issues. These young constitutional experts from West Valley High School won the state competition in Alaska on December 2, 2015 and qualified for the We the People national finals competition held in Washington, D.C.

The students from West Valley High School who qualified to compete at the national competition are:

TRIBUTE TO DR. ARTHUR OBERMAYER

HON. JOSEPH P. KENNEDY III

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 3, 2016

Mr. KENNEDY. Mr. Speaker, I rise today in memory of a dear friend and mentor who passed away recently.

Dr. Arthur Obermayer was a talented entrepreneur, generous philanthropist, and a passionate advocate. He committed his life to making his community, our country and the world a better place.

Throughout his life, he showed how words like justice and opportunity were not just words, but principles to be pursued and, if necessary, fought for.

He was a man of many accomplishments, among them, advocating for federal investment in small businesses and focusing on and fostering research and development. In 1982, due in large part to the efforts of Dr. Obermayer the US Small Business Innovation Research grant was created with the support of my late uncle, Senator Ted Kennedy.

In a true testament to this remarkable accomplishment, the Obermayer family was inducted into the Small Business Innovation Research Hall of Fame for their pioneering efforts in a White House ceremony last June.

Dr. Obermayer inspired many, and though our country has lost a champion his values and vision live on through all those he touched.

My thoughts and prayers are with the Obermayer Family during this difficult time.

May his memory be a blessing for us all.

HONORING BILL BARNETT FOR HIS SERVICE AS CHRISTIAN COUNTY COMMISSIONER

HON. BILLY LONG

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 3, 2016

Mr. LONG. Mr. Speaker, I rise today to honor Bill Barnett, for his service as County Commissioner to Christian County for more than twenty years.

After two decades, Bill has now decided to retire from this long held position. Bill began a career of outstanding service in 1994, and is now one of less than a handful of county employees who has more than twenty years of experience. His passion for his work stemmed from his passion for helping fellow residents.

During his time serving as Commissioner, Bill has contributed to his community in many ways and accomplished much, but none he is more proud of than the barn that was built for the county's road crews, finally providing them with a central location to better serve the community. Over the years he handled adversity with disdain and dignity, balancing the community's need for services and the community's desire to maintain a low cost of living. Bill saw taxes as a last resort, traditionally setting the property tax of his district at zero.

Mr. Speaker, Bill Barnett's work as County Commissioner has set a great example of exceptional public service for the people of Christian County. I am proud to represent citizens like him and I urge my colleagues to join me in congratulating him on his well-deserved retirement from service.

RUSSIAN INCURSION OF TURKISH AIRSPACE

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 3, 2016

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I rise today to call our attention to Russia's unprovoked aggression against a friend and NATO ally of the United States.

As you may know, in recent months, the Republic of Turkey has reported several incidents of Russian incursion of Turkish airspace. As my colleagues will remember, in November 2015, the Turkish military was forced to shoot down a Russian warplane that entered its airspace. That action was condemned by the Russian Federation, but Turkish officials have repeatedly disclosed that they provided significant warnings to those pilots, as well as allowed ample time for the plane to correct its course. This shows the Russian incursion into Turkish airspace was no incursion.

This weekend, the Pentagon confirmed another such incident of a Russian fighter jet entering Turkish airspace without authorization. While this incident did not result in any violence or loss of life, it is disappointing to see continued disrespect from Russia towards the Turkish boundary. The Department of Defense released a statement calling on the Russians "to respect Turkish airspace and cease activities that risk further heightening instability in the region."

Mr. Speaker, I applaud the Pentagon and the Obama Administration for standing with Turkey and the rest of our NATO allies in condemning Russia's unprovoked aggression. The world is most stable when the United States acts in conjunction with its partners around the world in standing up to those who would do them harm. I urge the Administration to continue to stand strong with our friends in Turkey as well as with our NATO allies around the world in condemning this unprovoked encroachment and protecting allies' borders.
