

all of America. Our diversity is part of what makes the greater Houston area a strong example of the melting pot that comprises this great nation.

I appreciate the Ismaili community's engagement with the broader community—in culture, business, education, and civic affairs. The Ismaili community provides important contributions to our community and we appreciate all that you do to embrace Texas and America as your home.

Today, I would like to acknowledge a special anniversary for the Ismaili community. On July 11th, the Aga Khan will celebrate 59 years as Imam of the Ismaili Muslims. The role of the Imam is both to interpret the faith to the community, and also to do all he can to improve the quality and security of their daily lives.

The Aga Khan emphasizes the view of the religion of Islam as a thinking, spiritual faith: one that teaches compassion and tolerance, promotes the role of the intellect and upholds the dignity of man, God's noblest creation.

I congratulate the Aga Khan on his 59th year as Imam and wish him and the Ismaili Muslim community in the United States every success in their continued efforts to improve the lives of people around the world.

SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate of February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference. This title requires all such committees to notify the Office of the Senate Daily Digest—designated by the Rules Committee—of the time, place and purpose of the meetings, when scheduled and any cancellations or changes in the meetings as they occur.

As an additional procedure along with the computerization of this information, the Office of the Senate Daily Digest will prepare this information for printing in the Extensions of Remarks section of the CONGRESSIONAL RECORD on Monday and Wednesday of each week.
