

Mr. Gant has been a member of IBEW Local 351 since he began his apprenticeship in the Spring of 1974. Mr. Gant served as an apprentice for five years before he became a full-fledged electrician in 1979. Ten years later, at the age of 36, he joined the local union executive board.

From there, he moved swiftly up the ranks and was appointed IBEW Local Union 351 President in 1994. Until his recent retirement he served as the Business Manager and Financial Secretary of the local.

As an example of his commitment to not only improving his immediate community but the state as a whole, Mr. Gant has served as President of the New Jersey State Electrical Workers Association since 2002.

Mr. Gant has served as the Secretary-Treasurer of the IBEW Local 351 Joint Apprenticeship and Training Committee to advance opportunities for young people to join the workforce with gainful employment.

Ed Gant is a man who knows what it is to put in a hard day's work with your hands. Building trades jobs are some of the best jobs around but they are not always the safest. Mr. Gant understood that and donated his time to serve as the Director of the IBEW New Jersey State Lineman Safety Fund.

I had the distinct honor and privilege to work with Ed at IBEW Local 351 until my retirement to join this body, and I wish him all the best in his retirement after over 40 years.

Mr. Speaker, Edward H. Gant is a great man whose contributions toward the working men and women of this country will not be forgotten. I join with all of New Jersey in honoring the investment that he has made in his community.

HONORING HAMILTON SCHOLAR  
SARAH HILL

HON. BILLY LONG

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 13, 2016*

Mr. LONG. Mr. Speaker, I rise today to honor Seneca High School student Sarah Hill for being awarded the 2016 Hamilton Scholars Award for outstanding academic accomplishments and community service.

The Hamilton Scholars Award is presented nationally by the Alexander Hamilton Scholars, a non-profit organization designed to build leaders of character who improve our nation and our world through their service, innovation, and excellence.

To be considered for the Hamilton Scholars Award, one must be a high school junior who has demonstrated financial need, academic excellence, commitment to community service, and leadership potential. 35 to 40 students are selected each year to complete a rigorous three year program designed to provide them with practical tools for success in college and the post-college world. Students like Sarah who qualify for this incredibly selective honor exemplify top-tier diligence and academic talent.

Sarah has displayed the ability to not only excel in the classroom, but to balance her academics with such extracurricular activities as being president of her Future Business Leaders of America chapter and district, president and founder of her school's Junior State

of America, and her involvement in other such organizations as Student Council, National Honor Society, and the Fellowship of Christian Athletes.

Mr. Speaker, on behalf of Missouri's Seventh Congressional District, I urge my colleagues to join me in congratulating Sarah for this distinguished achievement and wishing her the best of luck in all her future endeavors.

PASSMORE ELEMENTARY SCHOOL  
PLACES THIRD AT THE NA-  
TIONAL SEAPERCH CHALLENGE

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 13, 2016*

Mr. OLSON. Mr. Speaker, I rise today to congratulate the Alvin, TX Passmore Elementary School Sea Sharks II for placing third in the Obstacle Course Challenge at the National SeaPerch Challenge at Louisiana State University.

The U.S. Navy National SeaPerch Challenge is an underwater robotics competition. The Passmore Elementary School built and operated their own remotely operated vehicles that function underwater and are designed to complete an obstacle course. The SeaPerch Challenge competition judges the students' underwater vehicles in poster and interview first, and then two underwater challenges follow. The first being an obstacle course and the second being an orbs challenge where the students move different sized balls into submerged containers. The students develop problem-solving, teamwork and technical skills through this competition. They were awarded 3rd Place in the Obstacle Course Challenge. We are very proud of what these bright young students have accomplished.

On behalf of the Twenty-Second Congressional District of Texas, congratulations again to the Passmore Elementary School Sea Sharks II for placing third at the National SeaPerch Challenge. Keep up the great work.

TRIBUTE TO BONNIE AND RONNIE  
EBLEN

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 13, 2016*

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and honor Bonnie and Ronnie Eblen on the very special occasion of their 60th wedding anniversary.

Bonnie and Ronnie were married on June 3, 1956, residing now in Creston, Iowa. Their life-long commitment to each other and their family truly embodies Iowa's values. As the years pass, may their love continue to grow even stronger and may they continue to love, cherish, and honor one another for many more years to come.

I salute this lovely couple on their 60 years of life together and I wish them many more. I know my colleagues in the United States House of Representatives will join me in congratulating them on this momentous occasion.

HONORING SYKES CHAPEL  
MISSIONARY BAPTIST CHURCH

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 13, 2016*

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor a remarkable historical church, Sykes Chapel Missionary Baptist Church of Lambert, Mississippi and the great leadership it is under.

Sykes Chapel Missionary Baptist Church was founded in the 1900s by the share cropping plantation families: the Sykes family, the Noble family, the Cox family, and the McCray family. For years, there was no building for worship service. Therefore, the families went from house to house worshipping and praising God. The plantation was first-owned by Mr. Yeager who later gave it to his relative, Mr. E. H. Anderson. Mr. Anderson was more of a God-fearing man who would often attend some of the worship services, sometimes standing in the back or just stopping by one of the homes.

The Sykes family was the oldest and first family on the plantation. Therefore, the families gathered together and sold cakes to raise a little money. Afterwards, they asked Mr. Anderson to allow them to have a spot to build a church. Mr. Anderson allowed them to build a one-room shot gun building and allowed the men on the plantation to provide the labor. There was one wood heater and no air, but the families continued to praise God.

The members along with Mr. Anderson agreed to name the church Sykes Chapel Missionary Baptist Church. Afterwards, they selected a pastor to lead them. Minister Richardson was the first pastor selected. He served for a while, and later God called him home. In addition to the church, Mr. Anderson provided them with burial ground, and they called it the Sykes Chapel Cemetery. Some of the members are actually buried there.

Later, the church was destroyed twice—first by storm and later by fire. With the assistance of Mr. Anderson and loyal families, the church was rebuilt twice. After rebuilding the church, they had worship service once a month. The church has been under the leadership of several pastors: Rev. Harry Benimon, Rev. Rollie Lee, Rev. Arthur Lee, Rev. Lloyd Johnson, and Rev. Robert Griffin.

Pastor Lloyd Johnson enjoyed praising God. He encouraged members to attend church every Sunday, and the membership increased. He later had a vision to build a larger sanctuary. In the process of preparing to build a larger church, no deed was found. Several deacons, including Deacon Albert Emerson, Deacon James Lee McCray, Deacon Ollie McCray, and Deacon Eddie Moore went to Mr. Anderson to inquire about the deed, and he sold the land to Sykes Chapel Missionary Baptist Church for \$1.00. In addition to the new sanctuary, a bus and van were purchased; outreach ministries and abstinence programs were started. Pastor Johnson served as pastor for seventeen years, until God called him home.

God sent Pastor Robert Griffin, who served for approximately four years. Under his leadership, the church continued to praise God. The youth ministry flourished, and the church was paid off in one and a half years.

Currently, Sykes Chapel Missionary Baptist Church is under the leadership of Pastor Derell Wiley. He believes that we can truly move mountains through prayer and faith. His established mission for Sykes Chapel is: "Exalting the Savior, Equipping the Saints, and Evangelizing the Sinner." In his vision, souls are saved, minds are renewed, hearts are cleansed, and members are rejuvenated. He emphasizes that the atmosphere will be shifted and a change will occur when we work together and embrace others with love, for God is love.

They are a little country church, but they serve an awesome God, who is able to transform minds, spirits, and lives. Under Pastor Wiley's leadership, they are growing physically and spiritually—studying and standing on the word of God. The following ministries have been started: Youth Ministry, Jail Ministry and Counseling, and the Convalescent Home Ministry. In addition, the church webpage, [www.sykeschapel.com](http://www.sykeschapel.com), was established.

By faith, they are discovering their purposes and trusting God for His promises. As God leads and guides, the future ministries will be developed: family ministries, couple ministries, and single ministries, as we become spiritually and physically prepared for God's kingdom. By faith, mountains are being moved, sinners are seeking Christ, and Christians are being restored.

The Sykes Chapel Missionary Baptist Church, believes that the greatest privilege and responsibility is to create disciples for Christ. The members are therefore committed to fulfilling their purpose through worship, fellowship, ministry, and Christian education.

Mr. Speaker, I ask my colleagues to join me in recognizing Sykes Chapel Missionary Baptist Church for its dedication to serving our great community and country.

CELEBRATING THE CITY OF  
DOWNEY'S 60TH ANNIVERSARY

HON. LUCILE ROYBAL-ALLARD

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 13, 2016

Ms. ROYBAL-ALLARD. Mr. Speaker, I rise today to pay tribute to the City of Downey on its 60th anniversary, and I ask my colleagues to join me in congratulating Downey and its residents on this magnificent milestone. It is my great privilege to represent this distinguished and dynamic city as part of California's 40th Congressional District.

The City of Downey, home to more than 113,000 residents, is a diverse community with a small-town friendliness located in the middle of an expansive metropolitan area. Downey, named an All-America City in 2013, was incorporated in 1956 after a lively local debate in which residents campaigned for, and ultimately won, self-governance of the formerly unincorporated Downey community.

Since that time, Downey has consistently been known for its quality residential neighborhoods, excellent schools, rich aerospace history, and engaging civic life. From the first Taco Bell restaurant and the oldest operational McDonald's, to the Apollo Space Program and Space Shuttles, Downey embodies its motto, "Future Unlimited."

Like the proponents of Downey's incorporation in the 1950s—many of whom are still ac-

tively engaged in the community—the successive generations of Downey residents have been committed to making Downey the very best it can be. City leaders continuously strive to improve the high quality of life for which the City of Downey is known, by providing the best possible service to residents, businesses, and each other in a professional, ethical, and responsible manner.

Downey has experienced significant developments during the last decade, including the revitalization of its downtown; an arts and culture movement, the city's new branding identity, Discover Downey; and, most significantly, the redevelopment of the former NASA Industrial Plant Site.

Today, the NASA site has been transformed from a vacant and blighted eyesore to a new and thriving community asset. On the northern end of the NASA site, the Downey Landing Commercial Center boasts 375,000 square feet of high-quality retail options for Downey residents. Kaiser Medical Center Downey, a new 352-bed hospital, created approximately 3,000 jobs, and has many environmentally friendly features and new medical offices. Discovery Sports Complex provided Downey residents with its first new public park space in more than 30 years.

The Columbia Memorial Space Center, which honors the crew of STS-107 lost on February 1, 2003, has been named the official national memorial to the Space Shuttle *Columbia* by a joint resolution of the U.S. Senate and House of Representatives. The center opened its doors in 2009 and is a popular destination for students and educators seeking to learn about space and science.

Most recent is the development of the Promenade at Downey, a 656,000-square-foot shopping center and entertainment district. The Promenade is Downey's newest community gathering spot and tourist destination, merging retail, dining, and entertainment with a one-of-a-kind walk through history.

Close to 60 years after incorporation, Downey remains a special place. Downey's indescribable essence of community is why generations of residents remain there, and why Downey continues to be a beacon to its surrounding cities. The relationships between Downey's individuals and institutions—between its community organizations, schools, local businesses, houses of worship, and residents—mean that Downey is uniquely capable of facing the challenges of the 21st century with the same spirit of vigor and commitment that created the city. This spirit will guide Downey as it continues into the "Future Unlimited," ensuring public safety, encouraging economic growth, supporting environmental responsibility, and building on its illustrious past.

I hope my colleagues will join me in celebrating Downey's 60th anniversary, and in wishing the city continued prosperity, growth, and happiness in all the years to come.

DEPARTMENT OF THE INTERIOR,  
ENVIRONMENT, AND RELATED  
AGENCIES APPROPRIATIONS  
ACT, 2017

SPEECH OF

HON. CHRIS VAN HOLLEN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 12, 2016

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 5538) making appropriations for the Department of the Interior, environment, and related agencies for the fiscal year ending September 30, 2017, and for other purposes:

Mr. VAN HOLLEN. Mr. Chair, I rise in strong opposition to the Goodlatte amendment, which would jeopardize state efforts to clean up the Chesapeake Bay.

Mr. Chair, in my home state of Maryland, at the center of the Bay watershed, there's a lot of concern about pollution behind the Conowingo Dam. The sediment and nutrients there don't just materialize out of nothing. They come from Pennsylvania, down the Susquehanna River, and are caught by the dam in Maryland. Pennsylvania's water, and pollution, doesn't stop at the Mason-Dixon line.

The Bay states have recognized the need to work together to protect the Chesapeake for three decades. But for most of that time, we haven't made the progress we need because there was no way to make sure that every state was keeping its commitment. That's why the states asked for federal assistance in 2008 and the federal government agreed to act as a backstop, giving every state the confidence to take action because they know they and their partners will be held accountable.

This has been working and has been upheld by the federal courts. The states are not asking for repeal. But this amendment would remove the accountability provisions that have been critical to the plan's success.

If Pennsylvania doesn't meet its responsibilities, Maryland sees the consequences at the Conowingo Dam. If Maryland doesn't do its job, it jeopardizes Virginia's oyster populations. We have a collaborative process in place, and our states have made significant investments and important progress. I urge my colleagues to respect the states' partnership and oppose the Goodlatte amendment.

PERSONAL EXPLANATION

HON. JOYCE BEATTY

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 13, 2016

Mrs. BEATTY. Mr. Speaker, unfortunately on July 11, 2016, I missed roll call vote 401.

On roll call vote 401, had I been present, I would have voted "aye" on final passage of H.R. 5602, "To amend title 31, United States Code, to authorize the Secretary of the Treasury to include all funds when issuing certain geographic targeting orders, and for other purposes."

SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate of February 4,
