

remittances crisis is urgent. I appreciate the Chairman, Ranking Member and my colleagues' commitment to addressing the remittances crisis which hinders Somalia's ability to become a stronger more functional nation.

COLLEGIATE BASEBALL NAMES
KATY ATHLETE JON
DUPLANTIER AS AN ALL-AMER-
ICA PITCHER

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2016

Mr. OLSON. Mr. Speaker, I rise today to recognize Katy native Jon Duplantier, for being named as an All-America pitcher by Collegiate Baseball magazine.

Jon Duplantier graduated from Seven Lakes High School in 2013 and is currently a junior attending the great Rice University. Duplantier has been drafted and picked to pitch for the Arizona Diamondbacks. Duplantier was named the C-USA Pitcher of the Week three times, National Pitcher of the Week and has faced six nationally ranked teams. Duplantier has displayed great discipline and dedication. We are proud to have such talent representing our Katy community.

On behalf of the Twenty-Second Congressional District of Texas, congratulations again to Jon Duplantier for his outstanding athletic achievements. We wish him success in his baseball career and look forward to rooting for him in the majors. Katy, Texas is proud of him.

**FAA EXTENSION, SAFETY, AND
SECURITY ACT OF 2016**

SPEECH OF

HON. DANIEL WEBSTER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, July 11, 2016

Mr. WEBSTER of Florida. Mr. Speaker, H. Res. 818, the FAA Extension, Safety, and Security Act of 2016, specifies that in making a determination whether to grant or deny an application for designation under Sec. 2209, the Administrator may consider "homeland security."

Homeland Security consideration is intended to include consideration of applicants identified as potential targets by a Joint Terrorism Task Force. Joint Terrorism Task Forces serve as our nation's front line in the fight against domestic terrorism. They play an active role in identifying and investigating potential threats to certain activities where there are threats of injury to life, property or infrastructure—and in protecting communities across America from terrorist acts. Allowing targeted facilities to take pro-active steps to ensure the safety of their operations, employees and the public is critical in order to keep the homeland safe. If a facility or activity has been identified as a potential target area by a Joint Terrorism Task Force, I encourage the FAA to give ample weight to the JTTF designation when evaluating applications and give full consideration to the homeland security risks and potential threats originating from foreign, domestic, or

eco-terrorism that have been assessed by the task force.

This bill empowers and directs the FAA to protect those targeted facilities from the potential security risks that aircraft, including unmanned aircraft, can create. I believe this is important for counterterrorism efforts and for protecting America's communities and freedom. I encourage the FAA to give strong consideration to applicants identified as potential targets by a Joint Terrorism Task Force.

PERSONAL EXPLANATION

HON. ERIK PAULSEN

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2016

Mr. PAULSEN. Mr. Speaker, on Roll Call Number 452, I was not present at the time of the vote. Had I been present, I would have voted "aye" on Roll Call Vote No. 452.

**HONORING KIRTANA CHORAGUDI
FOR BEING THE SADD STUDENT
OF THE YEAR**

HON. DAN BENISHEK

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2016

Mr. BENISHEK. Mr. Speaker, I rise today to recognize Kirtana Choragudi from Iron Mountain, Michigan, on being named the Students Against Destructive Decisions, or SADD, student of the year.

Founded in 1981, SADD is a peer-to-peer youth education and prevention organization focusing primarily on traffic safety.

Today, July 14th, SADD is holding an advocacy-training program here in Washington to develop students' skills in advocacy and leadership, as well as to educate them on how public policy can be used to encourage young people to make good decisions.

Kirtana and 13 other high school juniors and seniors from all over the country were selected to attend SADD SPEAKs after going through a very competitive selection process. These students were selected based on their experience and leadership qualities.

Northern Michigan is proud to have a student from one of our communities so dedicated to making the roads safer for all drivers. I commend all these young individuals for their efforts to make our roads safer.

**RECOGNIZING MR. DON KOEHLER
OF THE GEORGIA PEANUT COM-
MISSION**

HON. EARL L. "BUDDY" CARTER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2016

Mr. CARTER of Georgia. Mr. Speaker, I rise today with my colleagues Mr. AUSTIN SCOTT, Mr. DAVID SCOTT; Mr. BISHOP; and Mr. ALLEN in the Georgia delegation to recognize, Mr. Don Koehler, Executive Director of the Georgia Peanut Commission.

August 1st, 2016 will mark 30 years since Mr. Koehler originally became the Executive

Director of the Georgia Peanut Commission, making him the longest serving Executive Director in the organization's 53 year history.

His 30 year tenure is quite impressive, especially as Mr. Koehler's position carries with it a lot of responsibility. The Georgia Peanut Commission advocates for Georgia's peanut farmers who produce more than half of the peanuts in the entire country and results in a huge economic impact to Georgia.

During his tenure as Executive Director, Mr. Koehler has been a critical player in the Georgia Peanut Commission's drive to educate people about the health benefits of eating peanuts. Additionally, he has been immersed in working for the successful passage in Congress of a new five year farm bill as well as drafting comments about the Trans-Pacific Partnership.

Mr. Koehler has done an excellent job as Executive Director of the Commission and we want to thank him for his continued dedication to successfully growing Georgia's peanut industry and allowing the state to share its product with the rest of the nation.

**IN RECOGNITION OF DON KOEHLER
30 YEARS WITH THE GA PEANUT
COMMISSION**

HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2016

Mr. BISHOP of Georgia. Mr. Speaker, it is my great honor to extend heartfelt congratulations to Mr. Don Koehler, the Executive Director for the Georgia Peanut Commission, as he celebrates 30 years of service with this esteemed organization.

Born on a small livestock and row crop farm, in southwest Alabama, Don Koehler has had an interest in agriculture since childhood. His experience and knowledge of agriculture and the peanut industry influenced his decision to attend and graduate from Auburn University, in 1979, where he received his Bachelors of Science degree in Animal Science. The experience that he has accumulated from his childhood on the farm and years in the classroom ultimately led to his decision of pursuing a career in agriculture.

In 1986, Mr. Koehler accepted the prestigious honor in becoming the Executive Director for the Georgia Peanut Commission (GPC) and is currently the longest standing Executive Director in GPC history. Don is extremely passionate in helping to promote peanut research, particularly the peanut genome, as well as improving the production capacity of peanut farmers in Georgia and throughout the country.

Georgia peanut farmers are responsible for producing nearly half of the United States' peanut crops, and the production levels continue to increase annually. In fact, I'm proud to say that the 2nd Congressional District which I represent, is the largest producer of peanuts in the Nation. Since Don's induction as Executive Director, the production levels of the commodity have nearly tripled.

Under Don's leadership, the Georgia peanut industry led the nation in the export of peanuts globally; including China and Western Europe. In April 2016, 74,268 Metric Tons of peanuts and peanut products had been exported to

various regions of Asia including, China and Vietnam. The improvements of exporting relations of peanut to Asia have been tremendous. Last year Georgia peanut exports had a total value of \$81,592,245, which is a 530% increase over the previous year.

The state of Georgia certainly appreciates what Don has done in the peanut industry over his 30 year tenure. He has earned much deserved respect as a result of his leadership and contributions to the Georgia Peanut Commission as their Executive Director.

Mr. Speaker, I ask my colleagues in the House of Representatives to join me, along with all those associated with Georgia peanuts in congratulating Mr. Don Koehler for everything he has done to improve and strengthen the peanut industry in Georgia and the peanut industry nationwide.

HONORING MANTECA CITY POLICE CHIEF NICK OBLIGACION

HON. JEFF DENHAM

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2016

Mr. DENHAM. Mr. Speaker, I rise today to acknowledge and honor Manteca City Police Chief, Nick Obligacion, who announced his retirement after 24 years of service.

Nick was born in Fort Ord, California and was raised in Monterey County. He attended college at Monterey Peninsula College where he graduated with an Associate's Degree in General Education and a certificate in Electronic Technology.

Before working in Manteca, Nick was a Deputy Sheriff at Monterey County Sheriff's Department in Salinas. He received his basic certificate in 1989, and applied for the Police Officer position in Manteca in 1991 and began his first shift as an Officer in December of that year. Nick completed the Field Training Program in January of 1992 and was then released to patrol.

In addition to being recognized as Employee of the Month in 1992, Nick and his patrol canine, Barry, received several awards for their trial showings throughout the state of California. His commitment to excelling as an Officer was evident through his continued education and certification in many tactical areas of training.

Nick had a very long and successful career and was promoted to Police Sergeant in July of 2007 and ultimately to the position of Manteca Police Chief in January of 2012.

Mr. Speaker, please join me in honoring and commanding the outstanding contributions made to law enforcement services in the City of Manteca by Chief Nick Obligacion and hereby wish him continued success in his retirement.

HONORING THE ROBERT MONDAVI WINERY

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2016

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor the Robert Mondavi Win-

ery, which today is celebrating the 50th anniversary of its groundbreaking by founder and winemaking pioneer Robert Mondavi.

Robert Mondavi embarked on an ambitious venture in 1966 to make our Napa Valley a world class wine region. Mondavi's winery became the first major winery built in the Napa Valley since the repeal of Prohibition in 1933. He carefully selected the historic To Kalon Vineyard as the site for his new winery to showcase the best qualities of Napa grapes and wines.

Mondavi selected architect Cliff May to design a winery inspired by California's historic missions. To enrich visitors' experience, the family began collecting art to fill the winery, including many works by the Californian sculptor Beniamino Bufano. The Robert Mondavi Winery soon became a cultural landmark in our community, hosting visitors for wine tastings and tours, as well as the first annual Summer Music Festival fundraiser for the Napa Valley Symphony in 1969.

The Robert Mondavi Winery has achieved great success in producing high quality wines and advancing the art of winemaking. The winery has been a notable leader in pioneering environmentally sustainable agricultural practices to preserve our valley's land for future generations. In a testament to its commitment to innovation, the Robert Mondavi Winery has worked with NASA to use advanced sensory technology in vineyard management. Moreover, the Robert Mondavi Winery has been a generous community partner, providing well-paying jobs to Napaans and giving back more than \$150 million to local charities in our Valley.

Mr. Speaker, the Robert Mondavi Winery has been a leading institution in our wine community for the past five decades and will continue to thrive with the dedication and support of its winemakers, owners, and staff. It is therefore fitting and proper that we honor the winery here today.

PREFACE TO "THE RESCUE OF THE SARAH D.J. RAWSON"

HON. WALTER B. JONES

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2016

Mr. JONES. Mr. Speaker, commencing first in 1848, the United States Life Saving Service was a federal government agency that grew out of private and local humanitarian efforts to create and man rescue stations along the coast. These outposts were often remote. The men stationed there took great pride in their deep commitment to save the lives of shipwrecked mariners and passengers, often against overwhelming odds. In 1874, life saving stations were added along the coast of Maine, Cape Cod, and the famed Outer Banks of North Carolina. In 1878, this network of stations was formally organized as a separate agency of the United States Department of the Treasury. In 1915, the Service formally merged with the Revenue Cutter Service to form the United States Coast Guard. These lonely, isolated outposts were always manned by the bravest of men who knew no fear, and who were dedicated to their sworn duty of rescuing seamen in distress. Their motto was "to always go, but not always return". Even now,

many stories are told about the daring rescues by such men, some admittedly embellished a bit for literary interest. Proudly beat the hearts today of all who can call themselves their descendants.

One of the most notable of these rescues occurred on a cold, blustery winter's night in February of 1905. The three-masted schooner, *Sarah D.J. Rawson*, two days out of Georgetown, South Carolina and bound for New York with a cargo of lumber, "stoved up" hard on Cape Lookout Shoals in a heavy winter squall. A complete report of the *Rawson* rescue appears at: <http://www.coastalguide.com/helmsman/rawson-rescue.shtml>. The names of the men who were attached to Life Saving Station, Cape Lookout and who participated in this rescue party were: William H. Gaskill ("Keeper"), Kilby Guthrie, Walter M. Yeomans (grandfather of the author's wife), Tyre Moore, John A. Guthrie, James W. Fulcher, John E. Kirkman, Calupt T. Jarvis, and Joseph L. Lewis—some of the bravest sons ever hatched out of Cartret County homes. Each received a gold medal from the Service in recognition of their heroism in this rescue. During World War II, the U.S. Government made a request of these men to return their gold medals to support the war effort. The medals have never been reissued to the men or their families.

HISTORY OF SARAH D.J. RAWSON RESCUE

The 387-ton, three-masted schooner *Sarah D.J. Rawson*, with a crew of seven, sailed from Georgetown, SC for New York with a full cargo of lumber on 2 February 1905. While standing under short canvas in a SSE gale at 5:30 PM on the 9th, the vessel stranded in the breakers on the south side of Lookout Shoals. She became a total loss. As soon as the schooner struck the master gave orders to take in sail. While the crew performed this work, a heavy sea swept the decks and carried Jacob Hansen, a Norwegian seaman, into the surf. He soon disappeared.

The same sea struck the master and 3 other seamen. Only by the most desperate efforts, did they cling to the vessel. The schooner gradually worked onto the shoal and lay somewhat easier. The violent onslaughts of the sea, however, broke over her and soon carried away her boat. Then they swept the fore and aft deckhouses, her deck load of lumber and her spars. Powerless to do anything for the vessel, the crew sought refuge in the highest part of the wreck. Their situation appeared to be hopeless.

At Cape Lookout (NC) Life-Saving Station, about 9 miles northwest from the vessel, a vigilant lookout had been maintained during the day. A surfman remained constantly on watch while the keeper himself had twice visited the tower during the morning. A thick mantle of fog, however, covered the ocean and shut the doomed vessel from view. At noon, just as the lookout had been relieved, the keeper again climbed into the tower and at 12:05 PM, while scanning the sea with the glasses, he caught a glimpse of the schooner's topmost spars. Knowing from her bearings that she probably was upon the shoal, he immediately called away the lifeboat. Every member of the crew promptly responded.

Though nearly all the men were ill, there having been an epidemic of influenza at the station, not one shrank from what all knew would be a long and wearisome pull in wintry weather over 18 miles of rough sea. A light southwesterly breeze made for a favorable wind and allowed the surfmen to make sail. With 8 men at the oars, they were off to
