

the Black Student Union. He later transferred to Rutgers University, where he refined his writing skills under the guide of renowned playwrights and authors Nikki Giovanni and Sonya Sanchez. After earning his Bachelor of Arts in English from Rutgers University in 1972, he pursued a Master's Degree in Fine Arts at the University of California, Los Angeles.

After graduation, his talent as a writer led him to compose two critically acclaimed plays "Homer's Redemption" and "Resurgence," which ran at the Harding Theater in San Francisco for six months before touring college campuses. The University of San Francisco Black Alumni Association later awarded him an honorary degree in English and Theater Arts for his outstanding contributions.

While his literary success is noteworthy, Mr. Ivey continued to evolve and use his talents to contribute to his community in new capacities. In 1976, he opened Ivey's Ribs and Spirits in Jack London Square with brothers Fred and James "Jay" Ivey. Ivey's was one of the first African American operated venues located in Jack London Square, and was the frequent gathering place for elected officials, community leaders, as well as local and national celebrities. Mr. Ivey's love of community, passion for art, and the amazing food he served gave way to the development of another Ivey's in Atlanta, Georgia. Those two restaurants soon grew to nine restaurants and lounges including Bluesville, Cherie's, Du Soleil's, and Clancy's. The environment he created welcomed artists from all mediums including the Commodores, Prince, Eartha Kitt, Jane Fonda, Phyllis Hyman, Stan Getz, Coretta Scott King, and James Baldwin.

When Mr. Ivey retired from the restaurant business he began to partake in a new adventure. Mr. Ivey could be found cooking delicious meals, reading (and sharing his findings) voraciously, running Lake Merritt or traveling the globe. He combined passion for food, family, and writing, when he worked with his mother to publish Rosia Lee Ivey's Recipes For Life in 2008. In this book, he wittily incorporated her words of wisdom with her phenomenal culinary knowledge.

He also worked with numerous community organizations to mentor inner-city youth. His goal was to support and inspire the leaders of tomorrow. At the time of his passing, Mr. Ivey was actively working with Oakland Youth First, a nonprofit organization committed to providing wraparound, career and educational services to at-risk youth.

Mr. Ivey was also an avid traveler. He visited Fiji as one of fifteen Bay Area Black Community and Business Delegates, China as part of a trade mission, and Tunisia, Morocco, Casablanca and Malaga among countless other destinations. No matter where his journey took him he always came back to the place where it all began, always ready to serve the community he called home.

On a personal note, to know John was to love John. His smile was infectious, his encouragement was inspiring and his creativity was magical. John was a renaissance man, a man ahead of his time. As a role model for young African American men and boys, he gave them hope and pride. We will miss this magnificent human being, but his legacy will live forever.

Today, California's 13th Congressional District salutes the legacy of Mr. John Arthur Ivey. His contributions have truly impacted countless lives throughout the Bay Area and the country. I join all of Mr. Ivey's loved ones in celebrating his incredible life and offer my most sincere condolences.

HONORING THE LIFE OF RICHARD ROTH

HON. TED LIEU

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, July 25, 2016

Mr. TED LIEU of California. Mr. Speaker, Richard Roth was a remarkable, kind and loving man. He passed away peacefully with his son David, daughter-in-law Anita, and their girls at his side. Richard was a gentle and generous soul who loved politics, discussions, and laughter. But most of all, he loved his son, David. Richard strived throughout his very long life to encourage David to be the very best in everything he did.

Richard was energetic and active well into his 80s; making frequent trips from California to the Fiji Islands to visit with David and Anita. He told fascinating, colorful tales of joining David, Anita and the King of Tonga at the Sydney Opera House for a special gala in honor of the King. In later years, Richard followed David and Anita to Florida, where he lived peacefully in a condo overlooking the Atlantic Ocean.

David's love for his father was unsurpassed. Last year, during Richard's 95th year, David took his father on a private, personal trip together to Israel. That trip had been one of Richard's lifelong dreams, and he got to make the trip with his beloved son.

Always bright, inquisitive and cheerful, Richard enjoyed life to the fullest. His kindness to so many will not be forgotten by any who knew him.

HON. BARBARA COMSTOCK

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Monday, July 25, 2016

Mrs. COMSTOCK. Mr. Speaker, I rise to acknowledge the Children's Emergency Room at Inova Loudoun Hospital for serving my constituents so meticulously every day. The work done by the doctors and nurses at this facility has led to them being recognized by the Emergency Nurses Association with the presentation of the prestigious Lantern Award.

Named in honor of Florence Nightingale, a pioneer of modern nursing practices, this award recognizes top quality emergency departments and staff for their extraordinary performance and innovative procedures, as well as their outstanding roles of leadership, advocacy, and research. The Children's Emergency Room at Inova Loudoun Hospital is only one of eleven emergency rooms nationwide to have received this award, and I could not be

more proud of them for receiving this high honor.

This award serves as proof of Inova Loudoun Hospital's commitment to providing the best care possible, while also fostering a healthy work environment for their staff. The Children's Emergency Room opened in 2006 to meet the needs of the growing population in this part of my district. The facility treats nearly 20,000 patients annually, and remains the only emergency room in the county dedicated to the care of children.

Mr. Speaker, I ask my colleagues to join me in congratulating the doctors, nurses, and administrators at the Children's Emergency Room at Inova Loudoun Hospital for receiving the Lantern Award from the Emergency Nurses Association. I wish them all continued success, and thank them for diligently serving my constituents.

HONORING THE LIFE OF JONA
GOLDRICH

HON. TED LIEU

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, July 25, 2016

Mr. TED LIEU of California. Mr. Speaker, I rise to celebrate the life of Jona Goldrich—father, husband, grandfather, Holocaust survivor, real estate developer, and philanthropist—who passed away on June 26, 2016, at the age of 88.

Born September 11, 1927 in Lviv, Poland, Jona escaped the Nazi occupation by fleeing with his brother Avraham to Hungary in 1942, eventually reaching Israel. The rest of their family died in concentration camps.

Jona left Israel after 11 years for the United States where he hoped to attend Massachusetts Institute of Technology. But after being denied admission because of his limited English skills, Jona decided to go across the country to southern California, where he arrived on a bus with only \$50 in his pocket.

Jona began working as a window and screen installer and a year later, he started a subcontracting cleaning business, setting his foot into the world of real estate. In 1956, at the age of 29, he built his first apartment building, and in 1959 he met a construction laborer and a fellow Holocaust survivor named Sol Kest with whom he founded the Goldrich & Kest Industries.

Jona was a visionary. In the 1960s when there were only offices and governmental buildings in downtown Los Angeles, he decided to construct residential buildings in downtown LA despite skepticism about whether the area could attract residents. Jona also built one of Marina del Rey's first apartment complexes in 1968 seeing an opportunity to transform it into an attractive beach city.

Jona was also a philanthropist who contributed to the American society in many ways. His firm constructed 72 apartment buildings that accommodate low-income families. He founded the Goldrich Family Foundation which supports Jewish and Israeli charities as well as educational causes. Jona is also remembered for his lifelong work on raising public awareness of the Holocaust, and he played an important role in the founding of the Los Angeles Museum of the Holocaust, located in my district.

He is survived by his wife of 56 years, Doretta; brother Avraham; daughters Melinda and Andrea Goldrich Cayton; and grandchildren Garrett, Lindsay and Derek.

I ask my colleagues to join me in honoring the life of Jona Goldrich.

HONORING LIUNA LOCAL 304

HON. BARBARA LEE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, July 25, 2016

Ms. LEE. Mr. Speaker, I rise today to pay tribute to LiUNA Local 304—Alameda County as they celebrate 100 years of solidarity and a commitment to a safe work environment for their members.

On April 13, 1916, LiUNA Local 304—Alameda County was signed into existence with

the founding mission of “We, the undersigned wage workers, believing it to be well calculated to improve our intellectual and social condition, and to promote our industrial well-being and advancement, respectfully petition the International Hod Carriers’, Building and Common Laborers’ Union of North America to grant us a Charter as representatives of said International Union.”

LiUNA Local 304—Alameda County was born out of a petition to the International Hod Carriers’, Building and Common Laborers’ Union of North America to grant us a Charter as representatives of said International Union. They chartered by President Anderson, Vice President Walker, Recording Secretary Burke, Financial Secretary Hawley, Correspondence Secretary Van Deventer, Treasurer Cottingham, Sergeant-at-Arms Wilcox, Guard Norris and Executive Board members Evans, Canady, Jones, Cayne and Falk, LiUNA Local 304—Alameda County (as it is known today) was chartered on April 13, 1916 in Oakland, California, with a fierce commitment to those words and born out of the necessity and constant struggle of the disenfranchised community, knowing that tangible sacrifices would soon follow to ensure the working men and women of the East Bay would be protected by this promise.

This chartering occurred during a time when the City of Oakland was growing by leaps and bounds due in part by the industrial explosion in the San Francisco Bay Area, LiUNA Local 304—Alameda County served the communities of not just Oakland, but the surrounding cities that make up Alameda County.

Further, the San Francisco earthquake of 1906 helped double Alameda County's population and industry overnight. During this time, Oakland became host to over 50 assembly and component plants with close to 300,000 residents many of whom became lifelong members of LiUNA Local 304—Alameda County.

With construction of marvels such as Kaiser's Bay Bridge and Bechtel's Golden Gate Bridge, the Laborers served a real need to the construction industry not just as a work force but as a melting pot of sorts, bringing the majority of white male unionized workers together with both the immigrant Mexican and African American workers at the time. The early years of organizing were especially difficult due to the anti-union climate in Oakland and the Alameda County government.

Throughout the decades in the face of adversity and antagonism, LiUNA Local 304—Alameda County has never forgotten that they exist because of loyalty to their members. Regardless of their successes and failures, their members, families and community will always be at the heart of their work and their commitment to the mission. Today, with more than 30,000 brothers and sisters in Northern California, of which 5,000 reside in Alameda County, they continue to do outstanding work.

On behalf of the residents of California's 13th Congressional District, I extend my sincerest congratulations to LiUNA Local 304—Alameda County on the special occasion of its Centennial Anniversary. I thank LiUNA Local 304—Alameda County for providing critical unionization and protection for labor workers and their families in my district, and wish them many more years of success.
