

IN RECOGNITION OF THE 150TH ANNIVERSARY OF THE BOROUGH OF SHENANDOAH

HON. MATT CARTWRIGHT

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 7, 2016

Mr. CARTWRIGHT. Mr. Speaker, I rise today to honor the Borough of Shenandoah, which celebrated its 150th anniversary on August 27, 2016. Shenandoah is located in Schuylkill County, Pennsylvania.

The area that became Shenandoah was first settled in 1835 by Peter Kehley, who developed the land for farming. The settlement was maintained for two decades. After anthracite coal was discovered, the land was sold to the Philadelphia Land Company. Planning for the town began under Peter Schaeffer in 1862.

Shenandoah was officially incorporated on January 16, 1866. Situated in the Middle Western Coal Field, the area around Shenandoah contained rich deposits of anthracite. As mining got under way, the borough's population grew in response to the increased demand for labor. Shenandoah became a hub for business, attracting depots for three major railroad companies to ship coal to New York and Philadelphia. Immigrants came first from Wales, Ireland, and Germany. Later, immigrants from Lithuania, Poland, Ukraine and Slovakia arrived. With each new wave of immigrants, parochial schools and places of worship arose unique to their own ethnic group. By the 1920s, Shenandoah had developed a garment industry with 15 large factories at the peak of clothing production.

Today, Shenandoah is experiencing a revitalization. People are moving into the region, some in retirement and many to raise their families. Houses are being restored, businesses are being opened. Shenandoah is now home to popular brands such as Mrs. T's Pierogies, Lee's Oriental Foods, Kowalonek's Kielbasy Shop, Lucky's, and Capitol's Kielbasy.

It is an honor to recognize Shenandoah on its sesquicentennial. I am proud to represent a community so rich in history. May the people of Shenandoah be proud of their past and look forward to a bright future as they celebrate the city's 150th anniversary.

IN RECOGNITION OF CWO4 CHAD
ADAMS

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 7, 2016

Mr. BURGESS. Mr. Speaker, I rise today to honor Chief Warrant Officer Chad Adams upon his retirement from 28 years of honorable service to the United States Army, the Kentucky National Guard, the United States Coast Guard, and this great nation.

Adams currently serves as the Coast Guard Food Service Program Manager within the Office of Work-Life, Health, Safety, and Work-Life Directorate at Coast Guard Headquarters (Commandant CG-1111). In this capacity, he is responsible for providing strategic policy and support to the entire \$175M Food Service enterprise, consisting of 1,200 Food Service Specialist (FS) members and over 370 Coast Guard Dining Facilities worldwide. The Food Service Program office is the central authority responsible for the overall technical and administrative management policy, planning, and subsistence requirements to ensure service-wide mission success.

Upon graduation from Shelby County High School in May 1988, Chief Warrant Officer Adams served with the U.S. Army in the 82nd Airborne Division during Operations Just Cause (Panama) and Desert Shield/Storm as a paratrooper in the Infantry. After being released from the Army, and later the Kentucky National Guard, he enlisted into the Coast Guard in March 1994 and graduated boot camp as the basic training honor graduate for Company E-144. His first assignment was CGC WHITE PINE out of Mobile, AL where he decided to become a Subsistence Specialist (SS) after only six months aboard mess cooking. He graduated SS "A" school as an SS3 in 1995 and was assigned to the CGC MADRONA in Charleston, SC. As the duty cook, he advanced to SS2 and fleeted-up into the Jack of the Dust position, responsible for developing menus and ordering supplies to feed a crew of 50 personnel. He also took over as the Food Service Officer (FSO) when the FS1 was unable to get underway. On his last day aboard the cutter, he advanced to FS1 and reported to isolated duty at LORAN Station St. Paul Island, AK where he served as FSO and was awarded runner-up for galley of the year small ashore for the entire Coast Guard. After one year in isolation, he was selected to become a Company Commander (Drill Instructor) at Cape May, NJ. He trained over 1,500 recruits and advanced to Chief Petty Officer (E-7) during this tour. He also piloted one of the first training sessions with Coast Guard Academy cadets for swab summer in 2001, where he and another Company

Commander indoctrinated 100 academy cadets from the Class of 2003. Chief Adams transferred to TRACEN Petaluma, CA in 2002 and took over as Chief of the Watch for FS "A" School, running one of the largest galleys in the Coast Guard. He led a team of three other FSs to re-open the upper galley which had been dormant for over a decade. He was promoted to Chief Warrant Officer in 2005 and transferred to ISC NOLA six weeks before Hurricane Katrina made land fall and flooded his home. In 2006, he graduated from Chief Warrant Officer professional development at the Coast Guard Academy in New London, CT, where he was selected by his peers as the Distinguished Officer of his class. His duties included assisting the Comptroller and Logistics Branch Chief in providing support to all lower 8th Coast Guard District units. He was the D8 IMT Logistics Chief during Hurricanes Gustav and Ike and the 2008 New Orleans oil spill. He was selected to become the FS Assignment Officer in 2010, executing assignments (orders) for hundreds of FSs including the White House, DHS Secretary's Mess, Commandant and Flag Officer Special Command Aides, Instructor, and FSO positions and operational units. In 2012, he was invited to the White House to help cook for the United Kingdom State Dinner and Greek Independence Day Dinner and has assisted the White House chefs for many events since. In July 2014, he was assigned to his current position at CG-1111. In September 2016, he will assume the duties as the new Subsistence Program Manager as a civil service employee.

HON. MIKE QUIGLEY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 7, 2016

Mr. QUIGLEY. Mr. Speaker, I rise to honor the World War II and Korean War veterans who traveled to Washington, D.C. on August 10, 2016 with Honor Flight Chicago, a program that provides World War II and Korean War veterans the opportunity to visit their memorials on The National Mall in Washington, D.C. These memorials were built to honor their courage and service to their country.

The American Veteran is one of our greatest treasures. The Soldiers, Airmen, Sailors, Marines, and Coast Guardsmen who traveled here on August 10th answered our nation's call to service during one of its greatest times

of need. From the European Campaign to the Pacific Asian Theatre to the African Theater, these brave Americans risked life and limb, gave service and sacrificed much, all while embodying what it is to be a hero. We owe them more gratitude than can ever be expressed.

I welcome these brave veterans to Washington and to their memorials. I am proud to submit the names of these men and women for all to see, hear, and recognize, and I call on my colleagues to rise and join me in expressing gratitude.

MEDIA DOWNPLAYS "RANSOM PAYMENT" TO IRAN

HON. LAMAR SMITH

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 7, 2016

Mr. SMITH of Texas. Mr. Speaker, last month the Wall Street Journal reported that the Obama administration secretly sent \$400 million in cash to Iran on the same day four American hostages detained in Tehran were released.

The president should admit that the ransom payment to the world's leading state sponsor of terrorism was bad policy and endangers the lives of Americans at home and abroad.

The spokesman for the State Department even admitted that the payment was "leverage," which sounds like he's trying to find a nice word for "ransom."

The media also has not been forthcoming. The Media Research Center found that the Big Three networks devoted ten times more coverage to Olympic swimmer Ryan Lochte's alleged robbery in Brazil than to the \$400 million cash payment to Iran.

It's not a surprise why three-quarters of Americans feel the news media are biased in their reporting.

IN RECOGNITION OF THE DOUGLASS SCHOOL'S 75TH ANNIVERSARY

HON. BARBARA COMSTOCK

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 7, 2016

Mrs. COMSTOCK. Mr. Speaker, I rise to recognize the Douglass School, of Leesburg, Virginia, on their 75th anniversary. This is an important milestone for this wonderful school in my District. The Douglass School celebrated this anniversary in Loudoun County last month on the 13th of August, and it is my pleasure to briefly highlight the impact this school has had on my constituents.

The Douglass School has had a terrific history of success since first opening its doors in 1941. Named after Fredrick Douglass, the famous African-American anti-slavery leader, the Douglass School has stood as a pillar of education for those it serves. Before its founding, African-American families needed a place to educate their children. These parents worked tirelessly to raise the four thousand dollars necessary to purchase the land for building the school. Since the school was desegregated in 1968, it has provided high quality education to students from every race, background, and creed. Equipped with top tier teachers and staff, this school has produced countless student success stories.

Coming from a family of educators, I understand how important a strong education is to the future of our nation. It is schools like the Douglass School that will continue to help shape the United States' role in the ever-changing global economy, while also producing many of our nation's future leaders. Over the years, the faculty has shown an impressive dedication not only to its students, but to the Loudoun community as a whole. The success of this school is a tremendous accomplishment that should make past and present faculty proud.

Mr. Speaker, I ask that my colleagues join me in congratulating the Douglass School for 75 years of serving children and their families. I wish them all the best in their future endeavors.

OSCAR REISS, PH.D.

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 7, 2016

Mr. PERLMUTTER. Mr. Speaker, I rise today to recognize and honor Oscar Reiss,

Ph.D. and World War II Army veteran for his service to our country.

Dr. Reiss served in the United States Army from January 1944 to 1947. During his time he was assigned as a replacement to the 79th Infantry, 315th Division B Company, in Alsace, France, guarding the right flank during the Battle of the Bulge. His company was transported to a small town in the Netherlands, near the German border to practice crossing the Rhine in confiscated German boats. In 1945, he was wounded by shrapnel and taken to a hospital in Liege, Belgium. He was later awarded the Purple Heart for these injuries. His awards and decorations include the Silver Star Medal, the Purple Heart Medal, the Army Good Conduct Medal, European-African-Middle Eastern Campaign Medal (with 2 bronze service stars), World War II Victory Medal, the Army of Occupation of Germany Medal, and the Honorable Service Lapel WWII pin.

In 1947, after being discharged from the U.S. Army he returned to the U.S. and was accepted to the University of Chicago chemistry program, beginning his long career in medical research. Dr. Reiss received his Ph.D. from the University of Chicago and continued his postdoctoral fellowship with the American Heart Association's Department of Cardiology. Dr. Reiss's decades long service in environmental biochemistry and medicine culminated in 1991. During his distinguished career he served as a lecturer in various courses on environmental and dental biochemistry at the University of Colorado Medical School and taught foreign seminars, most notably in Germany, France and Bulgaria. Through his courageous service in the military and medical fields, Dr. Reiss charted the path for future generations in this country.

I extend my deepest appreciation to Dr. Reiss for his dedication, integrity and outstanding service to the United States of America.
