

Whereas, it is the privilege and duty of the American people to commemorate the two hundred and twenty-ninth anniversary of the drafting of the Constitution of the United States of America by the Constitutional Convention; and

Whereas, it is fitting and proper to officially recognize this magnificent document and the anniversary of its creation; and

Whereas, public law 915 guarantees the issuing of a proclamation each year by the President of the United States of America designating September 17 through 23 as Constitution Week;

Now, therefore, I, TOM RICE, by virtue of the authority vested in me as Representative of the Seventh District of the State of South Carolina, do hereby proclaim September 17 through 23, 2016 to be Constitution Week and ask our citizens to reaffirm the ideals the Framers of the Constitution had in 1787.

HONORING EAGLE SCOUT REECE
O'CONNOR

HON. PETER J. ROSKAM

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 8, 2016

Mr. ROSKAM. Mr. Speaker, I am pleased to recognize Reece O'Connor, an exceptional and accomplished young man from the Sixth District of Illinois. Reece is a senior at Hinsdale Central High School and has not only earned the rank of Eagle Scout but has earned every single merit badge the Boy Scouts of America have to offer.

This achievement represents many years of diligence and personal determination in support of the ideals of scouting. What makes this achievement even more impressive is the fact that Reece did not join Boy Scouts until the 7th grade.

Even with the late start, Reece made it his goal to "catch up" to the rest of his scout mates—and ultimately he surpassed his goal. While the Scouts only offer 136 merit badges, he currently has 138 badges. The Boy Scouts frequently add new badges and retire old ones for special occasions; for example Reece earned several badges that were only offered during the Scouts' 100th anniversary. According to a spokesman for the Boy Scouts of America Reece's success is "an extremely rare achievement."

Reece's Eagle Scout project was also an impressive accomplishment. In 2013, the summer before he started high school, he organized a shoe drive and collected more than 1,000 pairs of shoes. These shoes were sent to people in Oklahoma displaced by tornadoes, and to refugees in Nicaragua and Rwanda. Reece is a testament to the Boy Scouts organization and all that it stands for.

Mr. Speaker, please join me in honoring Reece for his remarkable achievements.

11TH ANNUAL NATIONAL NIGHT
OUT IN THE CITY OF BULVERDE,
TEXAS ON OCTOBER 4, 2016

HON. LAMAR SMITH

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 8, 2016

Mr. SMITH of Texas. Mr. Speaker, National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie in order to make our neighborhoods safer. The City of Bulverde, which is located in the 21st Congressional District in Texas, facilitates National Night Out as a unique opportunity to join with thousands of other communities across the country in promoting cooperative, police-community crime prevention efforts.

Congratulations to the City of Bulverde as it marks its 11th consecutive year participating in this important event with the Bulverde Police Department. Each year, community participation has increased. In 2015, Bulverde placed 2nd in Texas in the National Night Out Awards Program and 14th in the U.S. in their population category.

Thanks go to the citizens of Bulverde as they join the Bulverde Police Department and the National Association of Town Watch in supporting the Annual National Night Out on October 4, 2016. These efforts keep our communities, and our citizens, more safe and secure.

HONORING THE LIFE AND SERVICE
OF ST. JOHN THE BAPTIST FIRE
CHIEF SPENCER CHAUVIN

HON. CEDRIC L. RICHMOND

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 8, 2016

Mr. RICHMOND. Mr. Speaker, I rise today to recognize the life and service of St. John the Baptist Fire Chief Spencer Chauvin. Chief Chauvin lost his life on August 28th after being struck by a charter bus while responding to a car accident.

From the time he was a teenager, Chauvin knew that he wanted to serve his community by following in the footsteps of his father and grandfather who both served as firefighters. At the age of 14, Chauvin became a volunteer firefighter with the St. John the Baptist Parish Westside Volunteer Fire Department.

He continued to show his dedication to service by working as an EMT for Acadian Ambulance then later receiving his Associate's Degree in Fire Science. In 2004, Chauvin joined the St. John the Baptist Fire Department full-time where he then became District Chief.

After 40 years of service, Chief Chauvin leaves behind a legacy that will resonate for years to come. My deepest condolences and prayers are with Chief Chauvin's family, his fellow firefighters, and especially his two young children.

FL INVENTOR HALL OF FAME 2016

HON. GUS M. BILIRAKIS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 8, 2016

Mr. BILIRAKIS. Mr. Speaker, I rise today to honor the seven inventors who have been recognized as the 2016 Inductees of the Florida Inventors Hall of Fame. These inventors were nominated by their peers and have undergone the scrutiny of the Florida Inventors Hall of Fame Selection Committee, having had their innovations deemed as making a significant impact for the citizens of Florida and the United States on quality of life, economic development, and welfare of society.

The Florida Inventors Hall of Fame was founded in 2013 by Paul R. Sanberg, Senior Vice President for Research, Innovation and Economic Development, and Judy Genshaft, President, at the University of South Florida. It was recognized by the Florida Senate with Senate Resolution 1756 and adopted on April 30, 2014. Its mission is to encourage individuals of all ages and backgrounds to strive toward the betterment of Florida and society through continuous, groundbreaking innovation by commending the incredible scientific work that has been or is being accomplished in Florida and by its citizens.

Nominations to the Florida Inventors Hall of Fame are open to all Florida inventors who are or who were residents of Florida and whose connection to the state has informed their inventive work. The nominee must be a named inventor on a patent issued by the United States Patent and Trademark Office. The impact of the inventor and his or her invention should be significant to society as a whole, and the invention should have been commercialized, utilized, or led to important innovations.

The 2016 Inductees of the Florida Inventors Hall of Fame are: William Dalton, Tampa physician, founder and CEO of M2Gen at Moffitt Cancer Center, for his revolutionary developments in personalized cancer treatment; Yogi Goswami, Distinguished Professor at the University of South Florida in Tampa, for his pioneering contributions and technology development in solar energy and indoor air quality; Alan Marshall, professor and chief scientist at Florida State University in Tallahassee, who invented the Fourier transform ion cyclotron resonance (FT-ICR) mass spectrometry, used to analyze complex structures; Nicholas Muzyczka, microbiologist at University of Florida in Gainesville, whose ground breaking research in adeno-associated virus has led to numerous breakthroughs in gene therapy; Jacqueline Quinn, environmental engineer at Kennedy Space Center in Cape Canaveral, who invented multiple, globally-impacting environmental cleanup technologies, including NASA's most licensed and recognized technology for groundwater remediation, Emulsified Zero Valent Iron (EZVI); Andrew Schally, Nobel Laureate, Distinguished Professor at University of Miami School of Medicine, and Distinguished Medical Research Scientist and Chief of the Endocrine, Polypeptide and Cancer Institute at the Miami Veterans Affairs Medical Center, for his discovery of hypothalamic hormones and subsequent applications of their analogues to treatment of cancer and other diseases; and MJ Soileau, professor

at the University of Central Florida in Orlando, for his innovative research in the advancement of high energy laser optics used by the Department of Defense and leading the development of UCF's internationally recognized Center for Research & Education in Optics & Lasers (CREOL).

These contributions made to society through innovation and invention are significant and life changing. I commend these individuals for the work they have done to benefit the world. In contemplating the work of these inventors, future generations can strive to emulate these honorees and their dedication to innovation.

IN RECOGNITION OF HOME INSTEAD SENIOR CARE'S 10TH ANNIVERSARY

HON. BARBARA COMSTOCK

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 8, 2016

Mrs. COMSTOCK. Mr. Speaker, please allow me to take a moment to congratulate the Home Instead Senior Care in Manassas, Virginia who are celebrating their 10th anniversary this October. Opened by Jack and Jacqueline St. Clair in 2006, Home Instead provides quality care to nearly 600 senior citizens throughout our great Commonwealth.

Home Instead caregivers seek to build quality relationships with the clients they serve, giving a personal touch to home care. The company operations are all derived from their mission "to enhance the lives of again adults and their families". This mission is evident as their care allows seniors to remain at home with family where they are comfortable and happy. Home Instead Senior Care in Manassas is a company run with compassion and a focus on providing excellent care for their clients. As local residents themselves, Jack and Jacqueline St. Clair pride themselves on providing friendly and responsive service to their neighbors and have dedicated themselves to making their community a better place to live for seniors and their families.

In closing Mr. Speaker, I ask that my colleagues join me in sending our most sincere appreciation to a company that has given so much to their neighbors. Jack, Jacqueline, and the staff at Home Instead Senior Care in Manassas serve as an example to all. On behalf of Virginia's 10th Congressional District I wish them continued success in the future.

IN RECOGNITION OF TIO TACHIAS

HON. KYRSTEN SINEMA

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 8, 2016

Ms. SINEMA. Mr. Speaker, I rise today to recognize the tenure and accomplishments of a community leader, an elected official, and an advocate for higher education in Arizona, Mr. Tio Tachias.

Mr. Tachias has proudly served the state of Arizona for over 40 years through his work as a Coconino County Supervisor, a member of the Arizona Board of Regents and a board member for countless community and educational organizations.

He developed personal and political relationships with Arizona Governors Castro, Babbitt, Mofford and Napolitano and is widely regarded as the best person to identify, register and turnout new voters on the Navajo Nation. His work contributed to countless electoral victories and he has helped thousands of new voters exercise their right to vote on Election Day.

Mr. Tachias has also served as a mentor for the next generation of Latino and Native American youth in Arizona. He has been involved in organizations such as the Boy's and Girl's Club of Flagstaff, the Phoenix Boys Choir and Northern Arizona Crisis Nursery.

Arizona is lucky to have Tio as part of our community and I know that even in retirement he will continue to contribute to our state in countless ways.

CITY OF BRONSON'S SESQUICENTENNIAL CELEBRATION

HON. TIM WALBERG

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 8, 2016

Mr. WALBERG. Mr. Speaker, I rise today in recognition of the City of Bronson's Sesquicentennial celebration.

The city of Bronson—located in the heart of Branch County—was first incorporated as a village in 1866 under the name Bronson's Prairie. Named for Jabez B. Bronson, who was the first settler to the area and later the first village postmaster, Bronson was officially chartered as a city in 1934.

Known as the "Gladiolus Capital of the United States," Bronson grows the finest gladiolus flowers along with other diverse agricultural commodities on over 300 local farms. The city is also home to a strong industrial base, with a mixture of precision metal machining, tool and die, and automotive assembly, among numerous other manufacturing shops.

With its many lakes and trails, farmer's markets, and concerts in the park, Bronson is busy with countless activities for all. Its yearly Polish Festival attracts visitors from throughout the region, featuring Polish food, vendors, crafters, and a parade.

A gem of the community—the Bronson Public Library—remains as one of the few remaining Carnegie Libraries still in its original unaltered configuration.

It is truly an honor to commemorate this exciting celebration for the people of Bronson—where family, friends, and neighbors proudly come together to make the community a special place to call home. Congratulations to the citizens of Bronson as they celebrate 150 years.

THANKING TINA HANONU FOR HER DEDICATED SERVICE TO THE HOUSE

HON. CANDICE S. MILLER

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 8, 2016

Mrs. MILLER of Michigan. Mr. Speaker, I rise today to acknowledge and thank Ms. Tina Hanonu, who, after 31 years of dedicated service to the United States House of Representatives, retired August 5, 2016.

Tina began her career in 1984 serving as an advisor and consultant to Representative Connie Morella and went on to become a senior systems administrator for Representative Sherwood Boehlert. Recognizing her technical know-how and proven ability to provide seamless customer solutions in the IT field, Ms. Hanonu was hired by the House's Chief Administrative Officer as a systems administrator for House Information Resources. During her tenure with House Information Resources, Ms. Hanonu was promoted multiple times and took on several important roles, including the Director of Technology Support, Assistant Chief Administrative Officer and then finally the Senior Advisor for the Transition to the 115th Congress.

Having worked in various capacities on the Hill, Tina developed a comprehensive understanding of the House's complex IT needs and worked tirelessly to serve the House community. Tina's colleagues at the CAO and the countless congressional offices she worked with over the course of her three-decade career, not only praised her many skills, but also her upbeat attitude, positive approach to every problem and strong work ethic that cultivated strong relationships between Member offices and administrative House organizations.

Ms. Hanonu's supervisor, Chief Information Officer Catherine Szpindor, praised Tina's "deep commitment to the House and genuine love for the role she played in supporting the Member, Committee, and Leadership offices and CAO offices over her 31 year tenure."

Tina once said that despite her many years working on the Hill, she would get "goosebumps every day" when she saw the Capitol Dome. The privilege of working here at the Capitol was not lost on Ms. Hanonu and it showed every day. Mr. Speaker, I think it's clear that those who worked with Ms. Hanonu considered it a privilege to call her a colleague and a friend.

On behalf of the U.S. House of Representatives, I personally congratulate Tina on her retirement, and thank her for her outstanding dedication and contributions to this institution.
