

COMMEMORATING THE LIFE OF  
SEN. HARRIET SPANEL

**HON. SUZAN K. DeIBENE**

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 8, 2016*

Ms. DELBENE. Mr. Speaker, I rise today to pay tribute to Ms. Harriet Spanel, who recently passed away at the age of 77.

Harriet served in the Washington State Legislature for more than two decades, representing Northwest Washington with immense dedication and conviction.

Harriet had an intense passion for making her community a better place. She served on many local boards and committees, and took a hands on approach to what she saw as her civic responsibility.

So it was no surprise that when Harriet decided to run for office and was elected to the state House, and then the Senate, she jumped in head first without hesitation.

Throughout her political career, Harriet was a strong proponent for her constituents, sticking up for the local fishing economy and for the preservation of some of our state's most beautiful lands.

She was a constant advocate for her community, always fighting for what she believed would make a positive difference, however large or small.

My heart goes out to all her family and friends. Harriet will be greatly missed by the countless lives she touched, but her presence through the work she accomplished will continue to resonate in Whatcom, San Juan and Skagit counties as well as throughout our state for years to come.

RECOGNIZING LEHIGH CARBON  
COMMUNITY COLLEGE FOR ITS  
50TH ANNIVERSARY

**HON. LOU BARLETTA**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 8, 2016*

Mr. BARLETTA. Mr. Speaker, it is my honor to help commemorate the 50th anniversary of the establishment of Lehigh Carbon Community College. With humble roots in Schnecksville, Pennsylvania, the school was founded in 1966 and has expanded to include three modern satellite campuses serving more than 7,500 students in the Lehigh, Carbon, Schuylkill, and surrounding counties.

As a student-centered learning institution, Lehigh Carbon Community College exemplifies values that permeate all aspects of the higher education experience. Through practical access to real-world skills, classroom diversity that embodies the human experience, and quality teacher-student contact, Lehigh Carbon Community College offers students the tools they will need to meet the world's most daunting challenges.

In January 2005, Lehigh Carbon Community College received a 21st Century Learning Center Grant from the Pennsylvania Department of Education for the implementation of the Schools and Homes in Education (SHINE) after school program. This program was designed to address the before and after-school programs available to students in the commu-

nity. The first full year proved to be a success—86 percent of classroom teachers involved noted significant improvement in homework assignments, and kindergarten children improved an average of 32 percent in letter recognition, number recognition, and sound association.

In the spring of 2006, Lehigh Carbon Community College received notice that the program would receive additional funding for expansion into Mahanoy Area and Shenandoah Valley School Districts. This new program was to focus on kindergarten through 5th grade, and has continued to show the value that after-school programs provide when coupled with exceptional leadership and resources.

Mr. Speaker, it is my pleasure to recognize Lehigh Carbon Community College as it celebrates its 50th anniversary. On behalf of a grateful community, I wish to thank the college and its members for their tireless service to the community and unwavering commitment to accessible education.

HONORING THE LIFE AND LEGACY  
OF MRS. JULIA AARON HUMBLER

**HON. CEDRIC L. RICHMOND**

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 8, 2016*

Mr. RICHMOND. Mr. Speaker, I rise today to honor the life of Julia Aaron Humbler, a New Orleans native and a lifelong civil rights activist. Mrs. Humbler passed away on January 26, 2016, at the age of 72.

In the 1960's, Mrs. Humbler was among a group of young activists from New Orleans that organized sit-ins, and challenged unjust laws on buses traveling across the Deep South. Mrs. Humbler and her companions were arrested more than 30 times for their civil rights work.

In 1961, Mrs. Humbler received national attention because of a photo of her and fellow activist David Dennis sitting on the front seat of a bus next to a soldier armed with a rifle and bayonet. Soldiers had been ordered to protect the Freedom Riders as they rode across the Deep South, determined to desegregate bus stations.

By the age of 18, Mrs. Humbler was already very active in the New Orleans chapter of the Congress of Racial Equality (CORE) and was selected to be on the first Freedom Ride bus.

Two New Orleanians, Mrs. Humbler and Jerome Smith, were selected for the first Freedom Ride bus, which ultimately was firebombed outside Anniston, Alabama. Fortunately, the two were not on that bus; they were in Orleans Parish Prison for picketing outside the segregated Woolworth stores on Canal Street.

Mrs. Humbler graduated from the Charity Hospital School of Surgical Technology in New Orleans and worked as a surgical technician for 30 years. In 1988, after the death of her husband, Joseph Lee Humbler Sr., she moved to Atlanta for a job at Northside Hospital.

Mrs. Humbler's legacy will forever be a part of the city and her dedication to justice embodies the spirit of New Orleans. Stories like hers will inspire generations of Americans to fight for their dreams. She will be sorely

missed by her family, her friends, and all those who are able to pursue their dreams because of her courage.

Mr. Speaker, as a beneficiary of Mrs. Humbler's courage, commitment and sacrifice, I celebrate her life and legacy, because she has made America a more perfect union. With that, I yield back the balance of my time.

"Yea" on roll call number 47 regarding H.R. 4168—"Small Business Capital Formation Enhancement Act."

"Yea" on roll call number 48, the previous question for H. Res. 594.

"Yea" on roll call number 49 regarding H. Res. 594—"Providing for consideration of the bill (H.R. 3700) to provide housing opportunities in the United States through modernization of various housing programs, and for other purposes."

TRIBUTE TO RUTH BERMAN AND  
CONSTANCE KURTZ

**HON. PATRICK MURPHY**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 8, 2016*

Mr. MURPHY of Florida. Mr. Speaker, I along with Representatives TED DEUTCH and LOIS FRANKEL rise to recognize Ruth Berman and Constance Kurtz on the occasion of receiving the SAGE Pioneer award this Saturday, February 6, 2016.

Ruth Berman and Constance Kurtz, affectionately known to all as Ruthie and Connie, are fierce, unyielding advocates and activists who have changed hearts and minds on LGBT rights, marriage equality, and women's rights. Since falling in love and coming out in the 1970s, Ruthie and Connie have risen to national prominence, successfully winning domestic partner benefits for City of New York employees in 1988. Additionally, through television appearances on The Phil Donohue Show, interviews with Geraldo Rivera and Bill Boggs, and their 2002 documentary "Connie and Ruthie: Every Room in the House," they have connected with individuals worldwide and shown the personal impact of changing social climates.

That commitment to the personal impact of love and acceptance continues through their work as certified counselors. In that capacity, they founded The Answer is Loving Counseling Center, where they have served for over twenty years. Additionally, they founded branches of Parents, Friends and Family of Lesbians and Gays (PFLAG) in Florida and New York. In 2000, they began serving as co-chairs of the New York State National Organization for Women (NOW) Lesbian Rights Task Force.

I was privileged to introduce a bill this session with my colleagues SUZANNE BONAMICI and TED DEUTCH to expand the Older Americans Act (OAA) to improve services available for older LGBT adults. This legislation recognizes LGBT seniors as a vulnerable population, which will open the door for improved health and longterm care services for elders in the LGBT community.

I, along with Representatives DEUTCH and FRANKEL, have known Ruthie and Connie for many years. They are my constituents and my inspiration for the bill. For decades, their advocacy and leadership in the LGBT community has not wavered as they have aged, but the services available to them and other aging LGBT adults are profoundly unequal to those of other American populations. Their living message inspired the Ruthie and Connie LGBT Elder Americans Act of 2015 (H.R. 3793).

For these reasons and more, it is with great pleasure that we join SAGE (Services & Advocacy for Gay, Lesbian, Bisexual, & Transgender Elders) to recognize Ruthie and Connie for their lifetime of love and service.

#### LOUISIANA MUNICIPAL ASSOCIATION

#### HON. GARRET GRAVES

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 8, 2016*

Mr. GRAVES of Louisiana. Mr. Speaker, it is with great pleasure that I rise to commemorate the 90th anniversary of the Louisiana Municipal Association.

Since January 28, 1926, the LMA has represented over 305 villages, towns, cities, and parishes across the state of Louisiana.

The three-fold mission of the LMA has been one of education, advocacy and service and includes advocacy at the national level.

At the state level, they work to fight blight, promote the work of law enforcement and public safety efforts, and encourage economic growth.

The LMA exemplifies the cooperation necessary to move our state forward. I'd like to recognize the accomplishments of the LMA over the last 90 years and thank them for their ongoing efforts.

#### HONORING NEW ORLEANS' FIRST AFRICAN AMERICAN FIREFIGHTER

#### HON. CEDRIC L. RICHMOND

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 8, 2016*

Mr. RICHMOND. Mr. Speaker, I rise today to recognize the 50th year since the City of New Orleans hired its first African American Firefighter.

George Mondy was the first African American to join the paid department as a professional firefighter with the New Orleans Fire Department. Firefighter Mondy opened the doors to professional firefighting in February 1965. As he worked diligently to overcome racial barriers of the times, his persistence and perseverance paid off. Firefighter Mondy was promoted to Fire Apparatus Operator to drive

and operate the fire trucks. He retired in 1991, after 26 years with the department. Shortly after his retirement, Operator Mondy applied and was rehired as a fire supply technician. Firefighter Mondy was a trailblazer on whose shoulders many firefighters stand today. I believe it was his can do attitude and manifestation of competence that let the department know it was depriving itself and the City of New Orleans by not hiring African Americans. The late George Mondy's name has been written in the history of the New Orleans Fire Department. Today, I submit Firefighter Mondy's name to be written in the U.S. CONGRESSIONAL RECORD.

Mr. Speaker, as a beneficiary of the courage, commitment and sacrifice of Firefighter Mondy, I celebrate his life and legacy, because he helped make America a more perfect union. With that, I yield back the balance of my time.

#### REMEMBERING PHIL NEIGHBORS, COMMUNITY SERVANT

#### HON. K. MICHAEL CONAWAY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Monday February 8, 2016*

Mr. CONAWAY. Mr. Speaker, I rise today to honor the life and service of Phil Neighbors. Phil was a pillar in the San Angelo community, and I had the pleasure of working with him frequently over the last decade. Phil dedicated his life to three things: to God, his family, and his community.

He and his wife, Susan, had two children together, and four grandchildren. It wasn't uncommon for Phil to run straight to a city event from his grandsons' ball games—he seemed to make time for everyone while placing the truly important things in life first.

Phil was deeply ingrained in Angelo. A graduate of Angelo State University, he led the San Angelo Chamber of Commerce for the last 10 years. In this role, he strengthened the community and helped Angelo become a better place to live and raise a family. He dedicated his life to this calling, taking on many duties, none of which were too small or large, for the betterment of the community.

One example was the bridge he helped build between the Goodfellow Air Force Base and the Angelo community. He established a strong and lasting bond for the betterment of both. He embraced our service-members, and was always willing to support them and our military in any way that he could.

As a deacon in the Baptist church, Phil led the church's college program and many mission trips to Mexico. He was a selfless servant, a trait that extended beyond the city, state, and country's borders. Everyone felt and knew Phil's warmth and thoughtfulness of others. His guidance and quiet diligence was reassuring to those around him and helped shape a community that is exemplary in Texas and the nation. Phil had no small part in creating such a community.

We lost Phil far too soon, just days after his 64th birthday. His loss will be felt across the community and state, and his service will not be forgotten. Please join me in remembering and celebrating the extraordinary life of our friend Phil Neighbors.

#### RECOGNIZING THE OUTSTANDING SERVICE TO THE COMMUNITY OF TACOMA OF DR. DUNG XUAN NGUYEN

#### HON. DEREK KILMER

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 8, 2016*

Mr. KILMER. Mr. Speaker, I rise today to recognize Dr. Dung Xuan Nguyen of Tacoma, WA. Dr. Nguyen has served his community with dedication and compassion through his medical practice and his outreach and support to local immigrant families.

Dr. Nguyen has practiced in the Lincoln District of Tacoma for forty years, offering medical service and strong advocacy for the uninsured and homeless in Tacoma's Vietnamese-American community.

Mr. Speaker, for the past seven years, Dr. Nguyen has served as the President of the Vietnamese-American Community of Tacoma-Pierce County, which provides information and advocacy to the Vietnamese-American community in the Tacoma region.

Dr. Nguyen's office is often a clearinghouse for ride-share services, community outreach and gatherings, and other essential services for new residents of the neighborhood.

Mr. Speaker, Dr. Nguyen has even dedicated his time to help create public art to memorialize the fallen soldiers of the Vietnam War—both U.S. and South Vietnamese servicemen. He designed and donated a black monolith memorial to the Vietnamese Cultural Center in Seattle in 2012 with the inscription "The Nation Will Always Remember Those Who Sacrificed."

Dr. Nguyen has shown dedication to community and advocacy for those who need it. He has lived up to the values of our nation, welcoming immigrants to his community and honoring his adopted home through his work in the Tacoma community.

Mr. Speaker, I'm proud to express my gratitude for Dr. Dung Xuan Nguyen's inspirational medical care and volunteerism to the lives of Tacoma's citizens and their families today in the United States Congress.

#### HONORING THE REVEREND DR. NOAH SPENCER SMITH

#### HON. KEITH ELLISON

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 8, 2016*

Mr. ELLISON. Mr. Speaker, I rise today in honor of Reverend Dr. Noah Spencer Smith and to recognize his decades of service to the citizens of Minneapolis.

Born in Marion, Indiana in 1908, Reverend Dr. Smith's parents enriched his childhood through music, art, and a lasting devotion to the African Methodist Episcopal church. After graduating high school in 1927, Reverend Dr. Smith's love of music led him to drum in a jazz band, touring and composing songs for many years. He later took a job as a railroad dining car waiter to support his family.

Eventually settling in Minneapolis and joining St. Peter's AME Church, Reverend Dr. Smith was active in choir, Sunday school, and the Order of Service before answering his
