

Frieder, bought and renamed the company General Textile Mills. As a producer of silk cartridge bags during World War I and parachutes during World War II, General Textile Mills was awarded the Army-Navy 'E' Award for excellence in wartime production as the nation's largest manufacturer of parachutes at the time. The company's name was then shortened to Gentex in 1958. With rapid advancements in aircraft technology following World War II, the government approached Gentex to utilize the same composite-structure technology used in their parachute boxes for the production of pilot helmets. These hard shell helmets were revolutionary, and, to this day, Gentex continues to design the most technologically advanced personal protection and situational awareness solutions for defense forces, first responders, and industrial personnel.

The Frieder family was instrumental in guiding the company from its inception at the turn of the century to the global leader it is today. Staying true to their family roots, this fourth-generation company is run by Chairman L. Peter Frieder, Jr. and President L.P. Frieder III. This sense of family does not stop with the company's leadership. Gentex continues to take pride in being an active member in their community and empowering the economic stability of all that make the company so special. Many of my constituents work at Gentex, and when a company can survive both industrial and digital revolutions, it speaks to both the leadership of the employer and quality of employees. L.P. and Peter say the Carbondale facility reminds them every day of where they came from, and this spirit is the inspiration that keeps them committed to the communities they work in. Their work with area charities such as The American Red Cross, Pennsylvania Special Olympics, Ronald McDonald House of Scranton, and Pennsylvania's Adopt-A-Highway Program speaks to their outstanding work, and we are all grateful that a company so committed to its community continues to stay and excel in Northeastern Pennsylvania.

Mr. Speaker, as The Commonwealth Medical College's 2016 Scholarship Gala Innovation Honoree, Gentex Corporation has continually defined what it means to be a leader in their industry. On behalf of my constituents, I thank them for their support of our armed forces and first responders, and look forward to their continued innovation and involvement in our region.

### HON. DONALD NORCROSS

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 15, 2016*

Mr. NORCROSS. Mr. Speaker, I rise today to honor United States Army Veteran Ron DiCarlo for his achievements, contributions, and service in the United States Army whilst overseas in Korea.

Ron DiCarlo was drafted into the United States Army on August 4, 1967 and volunteered for Vietnam, but since he was highly skilled with generators he was transferred to Korea. After serving overseas for eighteen months Ron was honorably discharged as an SPA 4 from the Signal Battalion in Seoul, Korea, in February of 1969.

After his service, Ron worked for 30 years as a machinist in Westmont, New Jersey. Ron served as Senior Vice-Commander of Barrington VFW Post 7247 for several years. Along with this, he is also a steady contributor to the Wounded Warrior program.

Ron has been married for the past forty-seven years to his wife Nancy and together they have 2 daughters, 4 granddaughters, and a great grandson.

Mr. Speaker, Ron DiCarlo is a great American and family man whose service to our country in the United States Army is invaluable, and serves as an inspiration to his community. I join with his family, friends, and all of New Jersey in honoring the selfless service of this extraordinary man.

#### NATIONAL DIABETES CLINICAL CARE COMMISSION ACT

SPEECH OF

---

### HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Monday, November 14, 2016*

Ms. JACKSON LEE. Mr. Speaker, I rise in strong support of H.R. 1192, the "National Diabetes Clinical Care Commission Act," which amends the Public Health Service Act to es-

tablish the National Diabetes Clinical Care Commission.

This bill directs the Commission to evaluate and recommend solutions regarding better coordination and leverage of federal programs that relate to supporting appropriate clinical care for people afflicted with pre-diabetes, diabetes, and the resulting chronic diseases and conditions arising from these diseases.

As a member of the Congressional Diabetes Caucus, I understand the importance of diabetes prevention and care of patients.

We must address the devastating impact of diabetes as the seventh leading cause of death in the United States, affecting nearly 29,000,000 Americans.

Since 2011, 3 million Americans have been diagnosed with the disease and more than twice that, 7 million Americans, have been diagnosed as pre-diabetic.

In my home state of Texas, the numbers are even more worrisome.

According to a study performed by the Texas Department of State Health Services in 2013, 11 percent of adults in Texas suffer from diabetes and 8.1 percent of adults have pre-diabetes.

Of these percentages, minorities had the highest level of diabetes and pre-diabetes occurrences:

In Black adults, 12.9 percent had diabetes and 9.6 percent had pre-diabetes.

In Hispanic adults, 12.7 percent had diabetes and 6.2 percent had pre-diabetes.

In 2014 in Harris county, 8.5 percent of adults were diagnosed with diabetes.

A 2012 Centers for Disease Control study estimated diabetic medical treatments cost patients throughout the country an estimated \$245 billion.

The direct medical costs associated with diabetes diagnoses totaled \$176 billion.

These numbers are incredibly high, but I am encouraged by the commendable efforts of the National Diabetes Clinical Care Commission Act.

H.R. 1192 takes a critical step in the direction of preventive medicine, shifting the focus of diabetes management from reactive to proactive by encouraging prevention.

Additionally, the establishment of the National Diabetes Clinical Care Commission within the Department of Health and Human Services would allow greater collaboration in research in the area of diabetes, pre-diabetes, and the health outcomes.

I urge my colleagues to join me in supporting H.R. 1192, the "National Diabetes Clinical Care Commission Act."

IN RECOGNITION OF APRIL MARIE KEMP, FOUNDER AND PROGRAM DIRECTOR OF MARLEY'S MISSION

**HON. MATT CARTWRIGHT**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 15, 2016*

Mr. CARTWRIGHT. Mr. Speaker, I rise today to honor April Marie Kemp, who will receive WVIA's first ever Youth & Family Award. Ms. Kemp is the founder and program director of Marley's Mission. Marley's Mission is a non-profit organization that provides equine-based therapy free of charge to children, and their families, who have experienced trauma.

Ms. Kemp was born in San Leandro, California and is a 1996 graduate of Ridgeview High School in Paradise, California. In 2003, she moved to Pennsylvania. She has pursued a degree in Criminal Justice at Colorado Technical University.

On July 5, 2009, Ms. Kemp's five-year-old daughter was attacked in their home in Taylor, Pennsylvania. After limited success with traditional therapy, Equine-Assisted Psychotherapy was added to her daughter's regimen. Research has shown Equine-Assisted Psychotherapy yields a variety of benefits such as confidence, self-efficacy, self-concept, communication, anxiety reduction, and trust.

Inspired by her daughter's progress with Equine-Assisted Psychotherapy, Ms. Kemp established Marley's Mission. Marley's Mission is housed on a 32-acre campus in Newton Township, Pennsylvania and utilizes twelve therapy horses in its program. Marley's Mission employs a team approach to healing children who have experienced trauma. The treatment team includes a specially trained Trauma Therapist and an Equine Specialist. The treatment team has been educated in the internationally recognized Equine-Assisted Therapy Model developed by the Equine Assisted Growth and Learning Association.

It is an honor to recognize April Marie Kemp for her work helping children who have experienced trauma. I congratulate her for being the inaugural recipient of WVIA's Youth & Family Award. I wish her all the best as she continues the work of Marley's Mission.

HONORING REV. DR. CHARLEY HAMES, JR.

**HON. BARBARA LEE**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 15, 2016*

Ms. LEE. Mr. Speaker, I rise today to honor the extraordinary career and the service of Rev. Dr. Charley Hames, Jr., as he celebrates with friends, family, and his congregation 25 dedicated years of faithful service and ministry.

Dr. Hames was born to Charley Hames, Sr. and Leona Elizabeth Steadman-Hames on January 10, 1974, on the South side of Chicago, Illinois.

After completing high school, Dr. Hames went on to graduate from Chicago State University where he received his Bachelor of Arts degree in African-American studies. He would then go on to study at Garrett-Evangelical Theological Seminary in Evanston, Illinois and in 2000 he earned his Masters of Divinity. In 2004, Rev. Hames earned and received his Doctor of Ministry degree in Evangelism from the Perkins School of Theology, Southern Methodist University, in Dallas, Texas.

In 2003, Dr. Hames had obediently fulfilled his calling to serve as Senior Pastor of Beebe Memorial Cathedral (BMC) in Oakland. Dr. Hames has received many accolades including being named "Pastor of the Year" by the CME 9th Episcopal District.

A passionate fighter for the men of color in our communities, Dr. Hames was amongst a group of pastors and community leaders selected to meet at the White House in 2012 to discuss the killing of Trayvon Martin with President Barack Obama. He has also been a commentator on CNN to speak about the relationships between police and communities of color. He volunteers as chaplain of 100 Black Men of the Bay Area, Inc., president of the National Action Network's Oakland chapter, Chairman of the board of the Oakland African-American Chamber of Commerce and is a proud Life member of the Alpha Phi Alpha, Fraternity, making him a true champion of our community.

Dr. Hames is married to Lady Michelle J. Gaskill-Hames who serves as a Senior Vice President with Kaiser Permanente. He is also the proud father of two sons, Charles Jonathon Hames, Elijah Immanuel Hames and daughter, Jael Deon Hames.

Today, California's 13th Congressional District salutes and honors the outstanding Rev. Dr. Charley Hames, Jr. His dedication and commitment to our local faith community has impacted many lives throughout the district and the nation. I wish Dr. Hames many more years of faithful and compassionate service.

HONORING LOUIE KEE MARKET OF FRESNO COUNTY

**HON. JIM COSTA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 15, 2016*

Mr. COSTA. Mr. Speaker, I rise today to recognize Louie Kee Market in west Fresno, CA. After 93 years of serving the community, Louie Kee Market is closing its doors. For many people, Louie Kee Market is not solely a market, but a friendly place that felt like home for its loyal patrons. The commitment, service, and friendliness that this market has given to people of the Central Valley will be missed.

Louie Kee Market, located on 1041 Tulare Street, was founded by Kee and Effie Louie in April of 1923. The market has been operated by four generations of the Louie family. In 1967, Kee and Effie's son, Sherman Louie, took over day to day operations. With the help of three of his children, the Louie family has been able to keep the store running strong. Because of passionate family members and enthusiastic customers, Louie Kee Market has become one of the longest-running family-operated grocery stores in the city of Fresno. Although the store was small, with only five aisles and a long meat counter, it has a big place in the hearts of Fresno residents. The market and its staff have always been friendly, welcoming and helpful in an effort to foster a personal relationship with the community.

The market is a staple in the lives of many local residents. The Louie Kee Market was known for giving students in the neighboring high school their first job. This opportunity allowed them to get a strong sense of work ethic and fostered their future as it gave them quality experience at a young age. The Louie Kee Market also had an incredible impact on their employees as they strove to make them feel like family. The Louie's made it a habit to invite their employees for family dinners. In 1982, the Louie's took all of the employees on a trip to Disneyland. This was more than just a small business; Louie Kee Market truly fostered community development and knew how to treat its employees.

Mr. Speaker, it is with great respect that I ask my colleagues in the U.S. House of Representatives to join me in honoring Louie Kee Market for 93 years of business. This Fresno landmark will be missed by many in the community. Louie Kee Market has made phenomenal strides to contribute to Fresno County. They have had a positive influence on our community and deserve to be commended for their efforts.
