RECOGNIZING MR. PATRICK J. SOLANO AS THE COMMONWEALTH MEDICAL COLLEGE'S 2016 SCHOLARSHIP GALA SERVICE TO COMMUNITY HONOREE

HON. LOU BARLETTA

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 15, 2016

Mr. BARLETTA. Mr. Speaker, it is my privilege to recognize Mr. Patrick J. Solano as The Commonwealth Medical College's 2016 Scholarship Gala Service to Community Honoree. Each year the Commonwealth Medical College honors an outstanding individual or group for contributions to their community, and Mr. Solano's extensive record of public service exemplifies the meaning of this award.

After graduating from Pittston Township High School, Mr. Solano joined the Army Air Corps and took part in 23 combat missions. Stationed with the 8th U.S. Air Force Heavy Bombardment Group in England, his missions spanned several European nations and included action during the bombing of Berlin in 1944. His exceptional service earned him the Group Presidential Citation, the Air Force Medal with two Oak Leaf Clusters, and the European Combat Theatre Medal with two Bronze Stars.

Being honored for service to his community reflects Mr. Solano's commitment to the advancement of Pennsylvania's people and resources, and his lifelong public service sets an example for future generations of selfless Pennsylvanians. After serving as a Pittston Township school director, he went on to later advise State Senate Majority Leader Dominic Pileggi, as well as two governors, Tom Ridge and Mark Schweiker. His most important contributions came during his role as deputy secretary for Parks and Forests with the former Department of Environmental Resources and as the acting secretary when the Department of Conservation and Natural Resources was created in 1995. Mr. Solano's lifelong dedication to Pennsylvania's state parks and forests will forever be remembered, and in 2013, my district was proud to have Governor Tom Corbett recognize his service by naming the

environmental education facility at Frances Slocum State Park, located in Luzerne County, as "The Patrick J. Solano Environmental Education Center."

Mr. Speaker, as The Commonwealth Medical College's 2016 Scholarship Gala Service to Community Honoree, Mr. Patrick J. Solano has consistently set an example of excellence that will inspire our state's leaders for generations to come. I wish Mr. Solano, his wife of 62 years, Marie Nocito, their six daughters, eleven grandchildren, and one great grandchild, all the best in their future endeavors, and thank him for the innumerable contributions he has made to the state of Pennsylvania.

IN CELEBRATION OF NATIONAL HISPANIC HERITAGE MONTH AND IN RECOGNITION OF ROBERT "BOB" SANCHO

HON. CHARLES B. RANGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 15, 2016

Mr. RANGEL. Mr. Speaker, today I rise in honor of National Hispanic Heritage Month to join the community of El Barrio, The Village of Harlem, the City and State of New York, and the Nation in commemorating an outstanding public servant and community leader, Mr. Robert "Bob" Sancho. Through his many years of service, Robert has spent nearly half a century tirelessly advocating for his community and uplifting many citizens.

Over the course of his career, Bob Sancho has held many positions of great importance in the City of New York. As Deputy Superintendent of Schools in Community School District No. 4, he took the district from last place (32nd) in reading and math, to 13th among New York City School districts. This feat was achieved over a seven year period and was considered one of the most successful educational accomplishments in America.

Bob was born and raised in the South Bronx. He is a product of the New York City Public School system and went on to earn a Bachelor of Arts Degree at the Inter-American University in San German, Puerto Rico, specializing in Education and Political Science. As an undergraduate, Bob was awarded a Minority Urban Education Scholarship and completed a Teaching Fellowship in both Urban and Rural School Districts on the Island of Puerto Rico. He received a scholarship to the prestigious Graduate School of Urban Affairs at Hunter College where he completed his Masters of Science Degree.

During the 1960s, Bob assembled East Harlem residents to fight against Mayor Robert F. Wagner, Jr.'s attempts to shut down Metropolitan Hospital Center which was an essential medical institution in the community. Under Mr. Sancho's successful leadership, the hospital remained open and gained enough federal funding to sustain the medical center.

These bonds helped construct three new buildings and renovate the existing hospital buildings. In addition, his department has raised approximately \$15 million during the last several years for various hospital programs.

Even though Bob Sancho has had an extensive professional career, he also has a robust list of civic and cultural involvements outside

of his occupation. He was Assistant to Bronx Borough President Robert Adams, and has served on the Board of Trustees for the Congressional Hispanic Caucus Institute and the Community Service Society of New York, as an Advisor for the National Jazz Museum of Harlem, and as a Voting Member of the Academy of Recording Arts and Sciences. Currently, Robert serves as a Member of the Board of Trustees for the Center of Educational Innovation/Public Education Association, the Icahn Charter Schools, and the Multicultural Committee of the Metropolitan Museum of Art.

Bob Sancho's dedication and commitment to the many facets of community development makes him an incredible human being. The altruistic quality that Bob embraces is very hard to find in the world today. For his noble duty to empower the citizens of New York, I ask that my colleagues to join me as we celebrate National Hispanic Heritage Month, from September 15th through October 15th, 2016 in paying tribute to Mr. Robert "Bob" Sancho, an extraordinary man from humble beginnings. An American hero, Bob has devoted his life's work to improving the quality of life for the people of our beloved El Barrio and the Bronx, New York State, the Commonwealth of Puerto Rico and this great Nation.

Mr. Speaker, each year, Americans observe National Hispanic Heritage Month from September 15 to October 15, by celebrating the histories, cultures and contributions of American citizens whose ancestors came from Spain, Mexico, the Caribbean and Central and South America. During this year's Hispanic Heritage Month, in addition to paying tribute to my friend Robert "Bob" Sancho, and as a Korean War Veteran, as I conclude my 50 years of Public Service, including 46 years in the United States Congress, I also want to pay a very special salute to the Puerto Rican men and women men who answered the call to serve during WWII, our beloved the 65th Infantry Regiment, nicknamed "The Borinqueneers".

HONORING THE SERVICE OF ALAN PERRY

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 15, 2016

Mr. COSTA. Mr. Speaker, I rise today along with my colleagues, Mr. DENHAM, Mr. NUNES, and Mr. VALADAO to recognize Mr. Alan "Al" Perry for his dedication and commitment to the veterans of California's Central Valley. Since 2013, Mr. Perry has proudly served as the President of the Central Valley Honor Flight. As he embarks on his last trip to Washington, D.C., it is important that we recognize him for all his benevolent work and for ensuring that our Valley World War II and Korean War veterans are given the opportunity to take a final tour with honor.

Mr. Perry's dedication to working with veterans stems from his own background as a Vietnam Era veteran. He served as an officer in the Army Medical Service Corps from 1971 through 1973. Mr. Perry has also worked for numerous Veterans Affairs (VA) medical centers and has held different leadership positions within the VA. In 1998, Mr. Perry was appointed director of the Central California VA

where he served for 13 years, retiring in 2012. Mr. Perry has been recognized for transforming the Fresno VA Hospital to the modern hospital it is now, thus giving more Valley veterans the access and resources they need.

Over the years, we have had the opportunity to work closely with Mr. Perry as he continuously champions for veterans of the Central Valley. As President of Central Valley Honor Flight and leader of the trip, Mr. Perry has led the trips for all 11 flights since 2013. Under Mr. Perry's watch, the veterans are always safe and on schedule. Time after time they have memorable experiences as they visit the Smithsonian-National Air and Space Museum and the World War II and Korean War Memorials. To date, a total of 803 WWII and Korean War Veterans have visited D.C. and returned with a 100 percent safety record. For this success, Mr. Perry was recognized as a Rotary International Paul Harris Fellow in 2015. There is no doubt that Mr. Perry will be missed as he has been an integral part of Honor Flight.

We commend Mr. Perry for his selfless dedication and work on behalf of our veterans. Mr. Perry, along with Honor Flight volunteers and staff are able to continue this program with the support of local sponsors and our community. It is always a highlight for our offices to help prepare for the arrival of our veterans, and because of Mr. Perry every Honor Flight has been unforgettable.

Mr. Speaker, it is with great respect that Mr. DENHAM, Mr. NUNES, Mr. VALADAO, and I ask our colleagues in the U.S. House of Representatives to join us in recognizing Mr. Alan Perry for serving as President and trip leader of Central Valley Honor Flight. Mr. Perry's genuine devotion to our nation's veterans makes him a remarkable individual. We wish him the best of luck as he moves on to his future endeavors.

TRIBUTE TO HARRY WAYNE WAMPLER

HON. JOHN J. DUNCAN, JR.

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 15, 2016

Mr. DUNCAN of Tennessee. Mr. Speaker, I wish to honor a man whose service to his Country and contributions to his community

were remembered by family and friends at the First Baptist Church in Lenoir City, Tennessee on October 22, 2016.

Mr. Harry Wayne Wampler was born in Lenoir City to what would become a very large family. Mr. Wampler was the oldest of his parents' seven children, setting a tone for his leadership skills to flourish in years to come.

He took on the heavy responsibility of contributing to his family's business, Wampler's Farm Sausage, by working at the young age of 14.

Later, Mr. Wampler was a Military Chef while serving in the Army Reserves, allowing him to share his love of food with his fellow military personnel.

He went on to become the CEO of Family Brands International, which continues to provide many jobs to the Lenoir City community while boosting the local economy.

While leading his business, Harry Wampler devoted 26 years of his incredible life as a Lenoir City Councilman, 16 years as Vice Mayor of Lenoir City, and served on many boards.

He contributed to the success of community organizations by serving as a board member for Lenoir City Utilities, Baptist Hospital, Roane State Community College, Harrison Chilhowie School, Small Business Bureau, United Way, SunTrust Bank, Third National Bank, and the Bank of Loudon County.

Harry was one of the strongest leaders the Great State of Tennessee has ever seen. He is one of the best friends both my father and I have ever had.

While I am saddened by his absence, I know this Nation is better because of the life he led. Not only will he be missed by his wife Jennifer, five sons, and ten grandchildren but also by hundreds of friends, colleagues, and neighbors.

Harry Wampler was a patriotic American who loved his country, and one of the finest men I have ever known.

HONORING THE CITY OF MOORHEAD FOR ITS INNOVATIVE ENERGY SOLUTIONS

HON. COLLIN C. PETERSON

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 15, 2016

Mr. PETERSON. Mr. Speaker, the City of Moorhead in Minnesota is leading the way in developing innovative community energy programs that provide local investment opportunities, diversifies Minnesota's energy portfolio, and improves our nation's energy independence. Moorhead Public Service is the tip of the spear in those efforts.

I congratulate the administrators at Moorhead Public Service for envisioning and building renewable energy projects like Capture the Sun which have brought national recognition to the people of Moorhead. Today, I would like to expand this recognition to the United States Congress.

Capture the Sun is a community solar garden located in north Moorhead and administered by Moorhead Public Service. The project provides local energy customers the opportunity to invest in renewable energy by purchasing one or more solar panels. The renewable energy is then delivered to the home or

business of the investor, offsetting costlier sources of energy. The \$480 per panel investment is paid back through 20 years of more affordable electricity bills. With the Capture the Sun model, customers who may not have been able to afford infrastructure costs associated with building solar panels on their roofs are now able to invest in renewable solar energy.

Moorhead Public Service began its first phase of community solar in 2015, and the initial local reaction to community solar was overwhelmingly positive. In fact, the customer demand for solar panels was so strong that Moorhead Public Service decided to expand Capture the Sun to a second phase in 2016. I had the chance to attend the ribbon cutting ceremony for the second Capture the Sun community solar garden on October 4, 2016. It was impressive to learn that every panel for the second project has already been purchased by local investors.

Each .310 kilowatt panel produces an estimated 35 kilowatt hours per month which is enough to power five 60-watt light bulbs for four hours per day for a month. Between the two solar garden projects, 216 panels have been purchased by 160 customers. This means an estimated 7,560 renewable kilowatt hours are produced by the sun to local investors every month. These kilowatt hours save customers money over time and diversify the City of Moorhead's energy portfolio.

The model has worked so well that the Western Area Power Administration (WAPA) awarded Moorhead Public Service with its prestigious Administrator's Award in recognition of its dedication to service and best business practices. In the award announcement, WAPA stated that Moorhead Public Service proves that a "utility of any size can forge a powerful partnership with the community by being responsive to its customers' needs."

As our nation's economy continues to grow, the demand for electricity will grow with it. We depend on innovators like those at Moorhead Public Service who remain proactive in keeping their community's electricity rates affordable, especially in rural America. The energy investment opportunities provided to Moorhead residents will remain a leading example of what can be accomplished for other municipal governments across Minnesota.

I am proud to represent the City of Moorhead and the 7th District of Minnesota. I remain inspired by the technological and economical advancements made by leaders in my district. Today, I urge lawmakers to join me in commending Moorhead Public Service's Capture the Sun project.
