RECOGNIZING THE 21ST CENTURY
WILBERFORCE INITIATIVE

HON. K. MICHAEL CONAWAY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 7, 2016

Mr. CONAWAY. Mr. Speaker, I rise today to recognize the 21st Century Wilberforce Initiative for working towards a world of religious freedom.

On October 1, 2014, Dr. Randel Everett founded the 21st Century Wilberforce Initiative. Dr. Everett has a long and distinguished record of service, which includes establishing the John Leland Center for Theological Stud-

ies, serving as the Executive Director of the Baptist General Convention of Texas, and over 40 years of pastoring all over the nation including as my own pastor at First Baptist Church in Midland, Texas.

Under Dr. Everett's leadership, the 21st Century Wilberforce Initiative has experienced remarkable growth and has left a lasting impact through their work. The organization has now grown to two offices: one in the Washington, D.C. area that focuses on the United States' engagement in protecting religious liberties and a second office in Dallas, Texas, which serves as a headquarters that mobilizes and engages with churches to help raise public awareness of people who are facing religious oppression around the world.

Since its conception, the 21st Century Wilberforce Initiative has helped thousands of people worldwide by working alongside policymakers. In 2015, members from the organization traveled to Iraq and met with Christians and Yazidis impacted by the Islamic State. Their report, "Edge of Extinction," helped elevate the awareness regarding the atrocities of religious and ethnic minorities in the Nineveh Plain. Through their efforts, the organization was successful in establishing a Special Advisor for Religious Minorities in the Near East and South/Central Asia within the State Department and in passing H. Con. Res. 75, which officially declared ISIL's persecution and mass murder of Christians, Yazidis, and other groups in Iraq and Syria as genocide, war crimes, and crimes against humanity. This bill passed the House on March 14, 2016, by a vote of 393-0—a success I was proud to support.

The 21st Century Wilberforce Initiative has become a leading advocate for religious minorities in other areas, such as northern and central Nigeria. Throughout 2016, the 21st Century Wilberforce Initiative has traveled throughout areas of Nigeria that the UN describes as the world's worst current humanitarian crisis. During these trips, Wilberforce spoke with thousands of pastors and victims throughout the country and listened to their heartbreaking stories. The group's published report "Fractured and Forgotten" has been featured at numerous conferences and has been used to brief Congressional leaders. The group worked extensively with the Nigerian National Assembly to help confirm a new U.S. Ambassador to Nigeria in September of 2016.

In addition to raising awareness, the 21st Century Wilberforce Initiative has trained more than 2,700 religious and government leaders from across the world on the importance of religious freedom, worked to expand religious liberties in Nepal's Constitution, and met with leaders within the Taiwanese government to discuss creating a Religious Freedom Caucus in the Legislative Yuan. These are just some of the many accomplishments the 21st Century Wilberforce Initiative has been able to accomplish in their efforts to advance religious freedom around the world.

As a nation that was built by those who escaped religious persecution in their homelands, we must not forget that thousands of others across the globe are facing the same persecution as our forefathers. The 21st Century Wilberforce Initiative has given these people a voice and hope that one day they can share the same liberties that we all cherish here in this great nation. I applaud the 21st Century Wilberforce Initiative for their hard work and pray that God blesses them and continues to provide them with the strength and courage to continue their mission to help save their fellow man.

HONORING THE LIFE AND LEGACY
OF EDGAR “DOOKY” CHASE

HON. CEDRIC L. RICHMOND

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 7, 2016

Mr. RICHMOND. Mr. Speaker, I rise today with my colleague Congressman SCALISE to honor a true New Orleans legend, Mr. Edgar “Dooky” Chase Jr. Mr. Chase is known in New Orleans not only for the decadent cuisine served at Dooky Chase’s Restaurant, but also for his continued dedication to being a leader in the African-American community. He used food and music to bring people from all walks of life together under one roof. From the age of 16 to the age of 88, Mr. Chase worked tirelessly for the people of New Orleans.

During his teenage years, Mr. Chase was an active member of the Musicians Union and helped increase the pay for local entertainers. He also worked with the Musicians Union to promote the first racially integrated concert performed at the Municipal Auditorium in the historical Tremé neighborhood.

Mr. Chase and his wife Leah, graciously known as the “Queen of Creole Cuisine,” turned his family po-boy restaurant into an eloquent dining experience for the likes of Martin Luther King Sr., Ray Charles, President Barack Obama, and everyday citizens like Rep. SCALISE and I. This restaurant served as a safe place where African-Americans could dine when other establishments did not serve them.

Even in hard times, Mr. Chase’s faith did not waver. After Hurricane Katrina, he and his wife lived in a FEMA trailer across from their restaurant for more than a year until they could reopen their doors in 2007.

Because of Mr. Chase’s relentless dedication and service to the New Orleans community, his legacy will live on through his iconic restaurant, and through his beloved wife.

HONORING THE SERVICE OF COM-
MANDER MICHAEL F. BRINCK ON
HIS RETIREMENT

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 7, 2016

Mr. MILLER of Florida. Mr. Speaker, I rise today to recognize and honor the service, dedication, and accomplishments of Commander Michael F. Brinck (USN Ret.), Deputy Staff Director of the House Committee on Veterans’ Affairs, upon the occasion of his retirement from the U.S. House of Representatives.

A native of West Point, Iowa, Commander Brinck received a Bachelor’s degree in Political Science from St. Ambrose University in 1968. Following his graduation, Commander Brinck entered the Officer Candidate School for the United States Navy. In 1969, he received his Navy wings and reported to Helicopter Attack Light Squadron 3 in the Republic of Vietnam in support of Riverine operations in the Mekong Delta. Fleet assignments include carrier deployments to the Gulf of Tonkin and the Mediterranean, flight instructor, three deployments in support of Operation Deep Freeze in Antarctica, the Naval War College,

Washington D.C. and assignments at the Navy Command Center at the Pentagon, the Bureau of Naval Personnel, and the Arms Control and Disarmament Agency. After two decades and a distinguished career, he retired from the United States Navy in 1988 with the rank of commander.

Commander Brinck began his career on Capitol Hill in 1995 as the Staff Director for the Subcommittee on Education, Training, Employment, and Housing and continued to serve as a Subcommittee Staff Director for the House Committee on Veterans’ Affairs in the 104th, 105th, 109th, 110th, 111th, 112th, and 113th Congresses.

Due to his steadfast commitment to his work and his expertise navigating the plethora of issues facing America’s veterans, Commander Brinck was named the Deputy Staff Director of the full Committee in 2013.

Throughout his tenure on the Committee staff, Commander Brinck faithfully served three different Committee Chairmen—Bob Stump, Steve Buyer, and myself—as well as countless other Members. I know I speak for us all when I say that his wise advice and sage counsel was instrumental in assisting us in honoring the service and sacrifice of America’s servicemembers, veterans, and their families.

Commander Brinck was a key contributor in the drafting and passage of landmark pieces of veterans’ education and training legislation and personally contributed to the creation of policies that continue to improve the daily lives and ongoing well-being of veterans and their families.

During my tenure as Chairman, Commander Brinck was instrumental in creating the Veterans Retraining Assistance Program or VRAP which provided job training for in-demand occupations for nearly 100,000 unemployed veterans. He was also a tireless advocate in drafting and pushing legislation that would ensure that returning veterans received in-state tuition when attending public schools, which became a reality with the passage of the Choice Act in 2014.

Over a long and multifaceted career of distinguished service in the halls of Congress, Commander Brinck has been a dogged advocate for the interests of America’s veterans and taxpayers, embodying excellence and commitment in service to his fellow citizens.

Mr. Speaker, on behalf of the United States House of Representatives and the House Committee on Veterans’ Affairs, it gives me great pride to honor the selfless service of Commander Brinck.

My wife, Vicki, joins me in honoring him for his many years of exemplary service to our Nation, thanking him for his unyielding dedication to America’s veterans, and wishing him and his wife, Marla, all of the best in their future endeavors.

RECOGNIZING MRS. ANN DRAWDY

HON. DANIEL WEBSTER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 7, 2016

Mr. WEBSTER of Florida. Mr. Speaker, I am pleased to recognize Mrs. Ann Drawdy on her tremendous service to the people of Florida. This month, Mrs. Drawdy will retire after serv-

ing more than a quarter century as a constituent service representative. It gives me great pleasure to recognize her service to Floridians and the Central Florida community.

The lives of hundreds of citizens have been changed for the better thanks to Ann’s knowledge and persistence in providing assistance with issues involving state and federal agencies. During her six years of service to the constituents in Florida Congressional Districts eight and ten, Ann assisted and closed over 200 constituent cases. Countless other constituent cases at the state level were the beneficiaries of her assistance during her time of service in the Florida Senate to Senators Dick Langley, Carey Baker and myself.

From asking for information or a status report on a pending case, or requesting clarification, to serving as a direct point of contact to liaisons in federal agencies, Ann was instrumental in our office successfully intervening on a person’s behalf to answer questions, find solutions, or simply attempt to cut through the red tape.

It was a personal honor to have Ann Drawdy on my team serving Central Floridians. Her attitude of service and dedication to quietly assisting Floridians navigate state and federal agencies are a testimony to her kindness and humility. Ann’s character, life, and efforts will surely inspire others to follow her example of serving.

I am truly grateful for Ann’s faithful service to our state and her dedication to finding solutions on behalf of Floridians. Our community, our state and our country are better due to her service.
