INTRODUCTION OF THE JUSTIN
SMITH MORRILL CONGRES-
SIONAL GOLD MEDAL ACT

HON. DAN NEWHOUSE

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 10, 2016

Mr. NEWHOUSE. Mr. Speaker, I rise today to introduce my legislation, the Justin Smith Morrill Congressional Gold Medal Act of 2016. This legislation would honor a true American hero by posthumously awarding the Honorable Justin Smith Morrill with the Congressional Gold Medal. Mr. Morrill was elected to six terms in the U.S. House of Representatives and six terms in the United States Senate, making him the longest serving Member of Congress in the 19th Century. During his tenure, he chaired the House Committee on Ways and Means, the Senate Committee on Finance, and the Senate Committee on Public Buildings and Grounds. As Chairman of the Senate Committee on Buildings and Grounds, he served as the principle advocate for financing and constructing the Thomas Jefferson Building of the Library of Congress and planned the location of the U.S. Supreme Court Building. He also raised funds to complete the unfinished Washington Monument and advocated for the Smithsonian Institution throughout his service in Congress.

However, his greatest achievement was authoring the Morrill Act of 1862, which created the land-grant university system. Today, land-grant and other public universities award nearly 1 million degrees annually and perform more than \$37 billion in research. Additionally, almost 30 years later, Senator Morrill authored the Morrill Act of 1890, which created historically black land-grant universities.

Justin Smith Morrill is a man who has provided generations and millions of Americans—especially those from working class families—with access to higher education throughout the nation. His achievements have inspired American history, values, and culture and will be recognized and honored by generations to come. For these reasons, and many others, I urge all members to join me in supporting this commonsense legislation, which will honor this great American hero with the Congressional Gold Medal.

TRIBUTE TO NICK PELLETT

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 10, 2016

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Nick Pellett of Atlantic, Iowa for achieving the rank of Eagle Scout. Nick is a member of Boy Scout Troop 366, Omaha, Nebraska and the Soaring Eagle District of the Mid-America Council.

The Eagle Scout designation is the highest advancement rank in scouting. Only about five percent of Boy Scouts earn the Eagle Scout Award. The award is a performance-based achievement with high standards that have been well-maintained over the past century.

To earn the Eagle Scout rank, a Boy Scout is obligated to pass specific tests that are organized by requirements and merit badges, as well as completing an Eagle Project to benefit the community. Nick's Eagle Project was coordinating the painting of dugouts, backstop, restroom facility, and the snack shack for the Benson Little League Park in Omaha, Nebraska. The work ethic Nick has shown in his Eagle Project and every other project leading up to his Eagle Scout rank speaks volumes of his commitment to serving a cause greater than himself and assisting his community.

Mr. Speaker, the example set by this young man demonstrates the rewards of hard work, dedication, and perseverance. I am honored to represent Nick in the United States Congress. I ask that all of my colleagues in the United States House of Representatives join me in congratulating him on obtaining the Eagle Scout ranking, and I wish him nothing but continued success in his future education and career.

HONORING THE LIFE OF MR.
JAMES SPEDDING

HON. CHRIS COLLINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 10, 2016

Mr. COLLINS of New York. Mr. Speaker, I rise today to honor a constituent of New York's 27th Congressional District, Mr. James Spedding. Mr. Spedding honorably served his country, his family, and his community until his recent passing on January 22, 2016.

Jim was born in Lockport, NY on April 2, 1929, to parents John Carl and Blanch. After graduating from Lockport High School in 1947, Jim was eager to serve his country; and, in 1948 he enlisted in the United States Air Force. Jim proudly served his country until 1969, when he retired from the Air Force as a Chief Master Sergeant. During his service, Jim traveled to Texas, Mississippi, Korea, New York and California—but Jim's travels did not hold him back from pursuing higher education. During his 21 years of service, Jim earned degrees from Foothill College and the University of Nebraska, and graduate degrees from Chapman University and the University of Southern California. After returning home to his friends, family, and his beautiful wife, Helen, Jim worked for Harrison Radiator Division, GMC until officially retiring in 1989. After

spending 41 years serving his country and his family, Jim spent the next 26 years serving his community. Working closely with the Niagara Falls Air Reserve Base, the AARP Income Tax Program, the NYS Office for the Aging, the Dale Association, and the Sisters Hospital, Jim demonstrated how important it is for members of our community to live their life committed to helping those in need.

As I reflect on the impact Jim Spedding had on those around him, I am proud to say he was able to leave his three wonderful children, three grandchildren, five great-grandchildren, and all of his nieces and nephews with a proud example of how to live.

THANK YOU PETER

HON. PAUL COOK

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 10, 2016

Mr. COOK. Mr. Speaker, having been in the United States Marine Corps my whole life, I learned a valuable lesson; always surround yourself with loyal people. For me, I'm lucky to have the best staff on Capitol Hill—all of them have become part of my family.

It's nostalgic that I come to the floor today to personally thank Peter Rescigno who will be leaving my office at the end of this week. Peter has been with me since I was elected as the Representative for California's Eighth Congressional District three years ago and has become a fixture of Longworth 1222. As he prepares to leave for New York, I can't thank him enough for the counsel and dedication he has provided to me and the constituents of California's Eighth Congressional District.

A joke I always share with people is when I hired Peter, I also needed to hire a translator. You know, being from New York, he speaks so fast and you can never understand a single word he says. Don't let that fool you, Peter is one of the most talented people I've ever met—his dedication and loyalty stops at nothing. He always has a smile on and deals with anything and everything you throw his way. Trust me; I've thrown some unexpected things his way—he's never let me down.

For this Marine, who's seen change all too frequently, this goodbye is one of the hardest.

Peter, as you prepare to leave for New York, I want you to know that thanks for this Congressman will never be enough. I'll always be grateful for your help and most importantly your friendship. I'm excited to hear about the great things you'll accomplish.

Make me proud, you always know where to find me.
