

was mentored by Morehouse's 10th president Dr. Robert Michael Franklin. While serving at Morehouse, Dr. Bynum significantly enhanced student-administration relations, improved the efficiency and effectiveness of student services, started, envisioned and led the initiative which established the Parents Council and implemented the nationally acclaimed Morehouse "Appropriate Attire Policy."

Prior to Morehouse, Dr. Bynum served as the Vice President for Student Affairs & Enrollment Management (2000–2009) at The Lincoln University (PA). During his nine years of service, he was successful in nearly doubling Lincoln's enrollment and recruited the 4 largest new student classes (900+) in the University's 150 year history. Dr. Bynum also led the Board approved Student Enhancement Initiative, which entailed elevating Lincoln from NCAA Division III to NCAA Division II athletics, reactivated Lincoln's membership in the Central Intercollegiate Athletic Association (CIAA) conference, returned football to the campus after a 40 year absence and started the University's first marching band program: "The Orange Crush." At Lincoln, Dr. Bynum was mentored by Dr. Ivory Nelson, the University's 12th president, who garnered over \$200 million in capital construction to transform the campus physical plant.

Prior to LU, Dr. Bynum served as the Associate Vice President and Dean of Students at Clark Atlanta University (1993–2000), and he was the Number 2 person in the division that recruited the 4 largest classes (1500+) in the then 125 year history of CAU. While at CAU, Dr. Bynum was mentored by and developed strong strategic planning and assessment skills from Dr. Doris Walker Weathers. During his CAU days, Dr. Bynum was nicknamed "Bye-Bye Bynum" for his no-nonsense approach to judicial affairs and enhancing the campus culture and environment.

In addition to his enrollment management and student affairs work, Dr. Bynum has lectured and/or taught as well. He served as the Covington Distinguished Professor of Sociology at Davidson and at Morehouse, he was an adjunct professor in the Leadership Studies program and Sociology department. Dr. Bynum's other professional experience includes research and teaching positions at the Georgia Institute of Technology (Georgia Tech), Duke University and Durham and Edgecombe Community Colleges. He started his educational career as a teacher, football and wrestling coach in the Rocky Mount (N.C.) City School System (1984–87) and the DeKalb County (GA) School System (1987–88). Dr. Bynum has represented his institutions in numerous external programs and at professional conferences, while serving as a presenter or moderator. He has authored refereed articles in professional journals and presented papers with academic and social themes. Trained as a Quantitative Sociologist, Dr. Bynum still remains active in research and teaching. His research and teaching interests center around: (1) Black Church Studies; (2) Race, Gender and Ethnicity; and (3) Organizations, Markets and Work.

His publications include: A co-authored article with Duke colleagues in the sociology journal *Social Forces* entitled "Race and Formal Volunteering"; a chapter entitled "The Black Church in America: Demography and Current Trends" in the book: *Exploring The African American Experience* (3rd edition); and a short

story entitled "For the Love of J-Ski" in the NASPA produced book: *Stories of Inspiration: Lessons and Laughter in Student Affairs*. Dr. Bynum is a member of Omicron Delta Kappa, Chi Alpha Epsilon and Omega Psi Phi Fraternity, Inc.

A God-loving, God-fearing man, he is married to Deborah Elaine Bynum, a manager and 34 year employee with AT&T Mobility Services, and they are the proud parents of six children—Tyrone (a student at Georgia State University), Tyler (a student-athlete graduate of Truett-McConnell College), Chelsea (a student at Clark Atlanta University and Army Reservist), Zack (a student at Morehouse College), Jordan and Jazz (both of whom are Atlanta Public high school students).

Dr. Bynum's personal and professional motto is "Look back and thank God. Look forward and trust God. Look around and serve God. Look within and find God."

Mr. Speaker, I ask my colleagues to join me in recognizing Dr. William B. Bynum, Jr., a teacher, professional and educator for his contribution to serving others and giving back to the African American community.

LAKE ARROWHEAD CHAMBER OF COMMERCE TO HOST AWARDS GALA

HON. PAUL COOK

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 23, 2016

Mr. COOK. Mr. Speaker, I rise today in special recognition of the Lake Arrowhead Chamber of Commerce Awards Gala that was held on February 20, 2016. Lake Arrowhead is an unincorporated mountain community in San Bernardino County and is located in my district.

This year, Billie and Harold Weiss will be honored as "Citizens of the Year" for their contributions to their community. This amazing couple volunteers countless hours to several organizations, including Meals on Wheels, Arrowhead Arts Association, Operation Provider, and the Rim of the World School District. I would like to thank Billie and Harold for the positive influence they've provided mountain residents.

I would like to congratulate LouEddie's Pizza for receiving recognition as the "Business of the Year." Located in Skyforest, LouEddie's is not only well known for their delicious cuisine but also for their contributions to local causes, which include the Skyforest Festival and the Special Olympian dinner.

Finally, it is an honor to recognize the Rim Educational Foundation as the "Non-Profit of the Year." Founded in 1987, the foundation raises money for local schools to cover gaps in state public education funding. Last year the foundation raised \$450,000, with 75 percent of those funds going directly to classrooms and the remainder was donated to the Advancement through Individual Determination (AVID) program. This certainly is a remarkable achievement. Congratulations to all the honorees who make the 8th Congressional District of California a special place to live.

HONORING BARBARA CHRISTENSEN UPON HER RETIREMENT FROM THE SAN MATEO COUNTY COMMUNITY COLLEGE DISTRICT

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 23, 2016

Ms. SPEIER. Mr. Speaker, I rise to honor Ms. Barbara Christensen upon her retirement as a senior administrator in the San Mateo County Community College District. In the manner of an Olympic decathlon athlete, Barbara Christensen has exceeded the bar in the full range of professional activities over the years, and the people of San Mateo County have been the beneficiary.

Hired forty years ago by the district to handle public affairs, Barbara performed her job well but quickly realized that a reorganization was needed. Soon, each campus of the community college district was communicating professionally with the public, leading to greater responsiveness to the public and to the development of an individual identity for each campus. It is a brave professional who defines her way out of a job, but Barbara quickly moved on to even greater challenges.

This job title doesn't formally exist at the college district, and I'll admit that it's a mouthful, but Barbara Christensen should bear the title of "Chief Land Use Wonk and Go-To-Person With Respect to Frogs and Butterflies." While guiding the district's various developments, she oversaw the creation of four CEQA compliance documents, one of which involved the creation of a habitat conservation plan for frogs and butterflies. Her leadership in the development of apartments for faculty and staff of the district, renting at 50% of market rate in the Bay Area's challenging housing market, has thrilled employees and concretely demonstrated that the district cares about them and their families. The two developments that she shepherded through sometimes contentious public hearings earned national recognition and have inspired other local agencies to seriously consider constructing affordable housing for public employees.

Barbara Christensen led the effort to establish the relationship between the universities and community colleges in San Mateo, and we now have four year degree programs taught at Canada College, offering this campus' diverse student body, many of them first-generation college students, an affordable, convenient option to obtain a four year college degree. She secured a \$1 million state grant to begin this University Center at Canada College.

As our community colleges flourished, Barbara's contribution to their success became even greater. She spearheaded three successful bond measures totaling \$1 billion. Today, the stunning community college campuses of San Mateo County look like every modern and highly selective college in the nation.

The list of Barbara's successes in the community college professional decathlon is too long to recite, but her willingness to find "win-win" choices for contentious issues placed her at the center of four decades of successful negotiations with local taxing entities, nearby homeowners, other districts, and the State of

California's personnel. She has been recognized professionally by national public information officer associations and served on the statewide board of the community college public relations professionals.

Mr. Speaker and members, a college education empowers a student to be a better citizen and a stronger participant in our nation's economy. Our community colleges are at the center of our nation's college system, offering affordable college and technical degrees to millions annually.

Given the importance of our district and the hundreds of thousands who have been educated during her service, Barbara Christensen's contribution to San Mateo County over four decades will be felt for at least another four decades. We celebrate her retirement, wish her well, and hope that she can now have more time for friends and family. She has sculpted both the educational and physical landscape of San Mateo County. There will be big shoes to fill, and a big smile to emulate. Her example will inspire others because San Mateo County's residents are all the beneficiaries of the career of Barbara Christensen.

TRIBUTE TO MS. GWENDOLYN
MASON

HON. HENRY C. "HANK" JOHNSON, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 23, 2016

Mr. JOHNSON of Georgia. Mr. Speaker, I submit the following Proclamation:

Whereas, the lives of many in my district have been touched by the life of one—Ms. Gwendolyn Mason; and

Whereas, she was born January 11, 1966 in Atlanta, Georgia, today she celebrates a milestone in her life, her 50th Birthday; and

Whereas, this phenomenal woman has shared her time and talents for the betterment of our community and our nation through her tireless works, words of encouragement and inspiration; and

Whereas, Gwendolyn Mason is a warrior for those in need, a woman of compassion, a fearless leader, a mother, a daughter, a sister, a servant to all and truly a friend; her dedicated service is present throughout my district, she is an unwavering advocate for youth, the elderly, the less fortunate and small businesses; and

Whereas, she leads by example from behind the scenes, as well as front and center as the Co-founder and Executive Director of the Hank Stewart Foundation, Founder of G.A.B.B., an employee of Yellow Pages, an advocate in the fight against Breast Cancer, as a member and minister for her beloved church, Solid Rock Ministries and as a member in her beloved Delta Sigma Theta Sorority, Inc.; and

Whereas, the U.S. Representative of the Fourth District of Georgia has set aside this day to honor and recognize Ms. Gwendolyn Mason on the anniversary of her birth and for her outstanding leadership and service to our District; now therefore, I, HENRY C. "HANK" JOHNSON, Jr. do hereby proclaim January 11, 2016 as: Ms. Gwendolyn Mason Day in the 4th Congressional District.

Proclaimed, this 11th day of January, 2016.

HONORING THE ACADEMIC
ACHIEVEMENTS OF KEIANA CAVÉ

HON. CEDRIC L. RICHMOND

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 23, 2016

Mr. RICHMOND. Mr. Speaker, I rise today to honor the academic achievement of a bright young lady from my Congressional district, Keiana Cavé. Keiana is just a senior at Lusher Charter School in New Orleans, Louisiana, but she has accomplished more than many college graduates.

Keiana has excelled in and out of the classroom. She has studied engineering while at Lusher, and has been dual enrolled at Tulane University, where she has taken biological anthropology and environmental geology courses. She is on a fast track to earn her Ph.D. and has already been recruited by other notable institutions.

Keiana is no stranger to the laboratory. She is currently a member of Tulane University's Van Bael lab and has previously served as a lab technician with the Louisiana Department of Wildlife and Fisheries, and a nanotechnology researcher at the University of New Orleans. She has been acknowledged many times for her work, including 1st Place U.S. Navy/U.S. Marine Corps Office of Naval Research Scholarship and 1st Place United States Air Force Certificate of Achievement. Keiana's chemical research project won second place out of 2,600 competitors at the 2015 International Science and Engineering Fair, winning \$1,500.00 as well as receiving honorable mention from the Consortium for Ocean Leadership.

Keiana designed a method that allows the Environmental Protection Agency (EPA) to develop certain aldehydes or toxins that form as photo-products during oil spills. The MIT Lincoln Laboratory and NASA have named the orbiting rock "2000 GD136" after Keiana, an honor shared by fewer than 15,000 people. The planet was discovered in 2000 by the Lincoln Laboratory team.

Keiana's accomplishments are a testament to the fact that she is a true leader and an ideal role model for other young people in the community. I am confident that she will take that responsibility seriously, that she will be able to rise to any challenge, and will work hard to improve the world around her. I would like to congratulate Keiana Cavé on her remarkable accomplishments and wish her the best in her future endeavors.

HONORING ALHAJI SACCOH

HON. ROBERT A. BRADY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 23, 2016

Mr. BRADY of Pennsylvania. Mr. Speaker, I rise today to recognize Alhaji Saccob for his outstanding humanitarian work. A volunteer firefighter in Collingdale, PA, Mr. Saccob has led an effort to provide undersupplied firefighters in his native Sierra Leone with desperately needed equipment.

In June of 2013, Mr. Saccob made his first trip to Sierra Leone since fleeing the country's civil war in 2000. A chance visit to Sierra

Leone's National Fire Service in Freetown brought him face to face with the state of his homeland's fire departments. The firefighters he met lacked even the most basic protective gear and would frequently respond to calls in their street clothes.

This encounter inspired Mr. Saccob to spearhead an effort to collect used fire gear for his counterparts in Sierra Leone. He recently returned from a trip to Sierra Leone, during which he volunteered for two months with local firefighters and distributed approximately \$50,000 worth of equipment donated by several fire companies in Delaware County.

Mr. Saccob's humanitarian work extends beyond his work with Sierra Leonean firefighters. A graduate of University of Pennsylvania, Mr. Saccob is also the founder of the Sierra Leone Children's Fund, a nonprofit organization that promotes health and primary education in rural Sierra Leone. For his work, Mr. Saccob has been awarded the Legion of Honor from the Chapel of the Four Chaplains and recently received a Wells Fargo Community Connections Grant.

Mr. Speaker, I ask that you and my other distinguished colleagues join me in honoring Mr. Saccob for his tireless humanitarian efforts, both in the United States and abroad.

RECOGNIZING MRS. CHARLOTTE
WADSWORTH AS THE OKALOOSA
COUNTY, FLORIDA TEACHER OF
THE YEAR

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 23, 2016

Mr. MILLER of Florida. Mr. Speaker, I rise to recognize Mrs. Charlotte Wadsworth as the Okaloosa County, Florida Teacher of the Year. Mrs. Wadsworth has been an inspiration to her students, her colleagues, and her community, and I am privileged to recognize her success and myriad of achievements.

Mrs. Wadsworth began her teaching career homeschooling her own children and then working as an hourly teacher for the Blended School for two years. In 2009, she began working full time as a 2nd Grade Teacher at Walker Elementary School before transferring to Baker School as a 4th grade teacher in October 2011. Since August 2012, she has served in her current capacity as a high school English teacher at Baker High School.

Northwest Florida has been blessed with an abundance of exemplary educators. First as a teacher homeschooling her children, then during her tenure teaching elementary school, and now in her current role as a high school teacher, Mrs. Wadsworth has proven time and again that she understands and values the critical role that educators play in the journey, development, and success of their pupils. Throughout her teaching career, Mrs. Wadsworth has shown an unwavering commitment to inspiring her students to reach their highest potential. Most recently, she has demonstrated her leadership as yearbook advisor, where she enjoys celebrating life's milestones, rejoicing in students' athletic and academic accomplishments, and capturing events in the Baker community.

Teachers are amongst our most valuable public servants, and they play an integral role
