

I wish the seniors luck in their future endeavors, and I extend my best wishes to the coaches and the team for another outstanding season next year.

TRIBUTE TO ROBERT “BOB”  
MCGLOTTEN

**HON. WM. LACY CLAY**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. CLAY. Mr. Speaker, I rise today to pay tribute to a remarkable gentleman and long-time workers' rights icon in Washington, D.C., Mr. Robert “Bob” McGlotten, who departed this world on March 12th, 2016. He was a labor rights trailblazer, champion for positive social change, beloved husband, father, and dedicated public servant. He set a standard of excellence in labor reform, social justice, and national leadership that has been equaled by few other people.

Bob was a trailblazer who made history and changed America for the better. He served the American Federation of Labor-Congress of Industrial Organizations (AFL-CIO) in many capacities including as its Legislative Director, the first African American to serve in that high position, where he championed the rights of millions of working men and women for nearly three decades. One of his key accomplishments was to increase union involvement in employment programs across the country.

His career included his exceptional service as a board member for the Congressional Black Caucus Foundation as well as his work as a special assistant to former Secretary of Labor Peter Brennan. Bob came from humble beginnings, but rose to become one of the nation's most powerful and effective union leaders. He stood shoulder-to-shoulder with my father, former Congressman Bill Clay, as they worked tirelessly to promote and protect the rights of the American worker.

I have known him since I was a child. A grand and gracious gentleman, he was a visionary. My Mom and Dad, and indeed our entire family, have wonderful memories of him. We always regarded him as a person of great integrity, a gentleman and a scholar, and a man who possessed both a warm smile and a caring heart.

My thoughts and prayers are with Bob's family, associates, and colleagues at this painful hour. He is survived by his beloved wife of 23 years, Cheryl; his dear daughters Karen, Darlene and Roben; and his cherished sisters Patricia and Teresa Sparks; along with 10 grandchildren and a host of great grandchildren, nieces, nephews, family and friends.

I too have a heavy heart, as I reflect on our many years of enduring friendship. Bob was an incredible person who touched the hearts of people throughout the country that he served so ably and so well.

May God bless him with perfect peace and eternal rest and may He bless all who mourn him with strength, faith, and renewed dedication to continue his good works.

Mr. Speaker, I urge Members of Congress to join me in honoring the memory of Bob McGlotten for his legacy of honor and his strong commitment to confront injustice and inequality wherever he found it.

IN CELEBRATION OF THE 50TH ANNIVERSARY OF BIG BROTHERS BIG SISTERS OF NEW HAMPSHIRE

**HON. FRANK C. GUINTA**

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. GUINTA. Mr. Speaker, I rise today to recognize the 50th anniversary of Big Brothers Big Sisters of New Hampshire. I am pleased to join previous volunteers, mentors, program participants and supporters of the program to recognize the commitment and hard work the “Bigs” have made in the lives of the “Littles” they have impacted in the Granite State over the past 50 years.

The belief of Big Brothers Big Sisters is very simple. They believe that every child has the ability to succeed in life, and for some it takes the extra guidance of a mentor to help them on their way to success. Their mission is more difficult as we sadly know that many children come from difficult situations, single parent households, or have challenges in learning and socializing unlike other kids their age. The “Bigs,” or adult mentors, become a consistent presence in the lives of their “Littles” and help lend structure, support and confidence to these kids in their everyday lives. Many kids who have come up through Big Brothers Big Sisters have given testimony over the years that they wouldn't be where they are today were it not for the help and support of their Big Brother or Big Sister, and I thank these men and women for taking time out of their lives to help support the children of our great state.

I am proud to join with my fellow Granite Staters in recognizing the 50th anniversary of the Big Brothers Big Sisters of New Hampshire, and wish them all the best in their future years.

CONGRATULATIONS TO RADIO  
FREE EUROPE/RADIO LIBERTY  
AND VOICE OF AMERICA

**HON. YVETTE D. CLARKE**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Ms. CLARKE of New York. Mr. Speaker, I rise today to congratulate our civilian U.S. international media organizations, Radio Free Europe/Radio Liberty and the Voice of America, for the dramatic work they have done in jointly creating and developing their Russian language television news venture, “Current Time.”

“Current Time” draws upon a uniquely informed network of reporters and commentators to provide timely and credible news. It has expanded since its debut in October 2014 from a 30-minute, daily broadcast into a brand that combines daily and weekly programs on numerous platforms to bring audiences all along Russia's borders—from the Baltic countries, through Belarus, Ukraine, and Moldova, to the Caucasus countries and on into Central Asia—the information they need.

I urge my colleagues to join me in congratulating and supporting the “Current Time” team, and Radio Free Europe/Radio Liberty

and the Voice of America. Their work makes a critical contribution to supporting the freedom of the press for Russian speakers in critical regions around the world.

THE GREAT LAKES—A NATIONAL  
TREASURE

**HON. LOUISE MCINTOSH SLAUGHTER**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Ms. SLAUGHTER. Mr. Speaker, Teddy Roosevelt, America's original conservationist said, “We are prone to speak of the resources of this country as inexhaustible. This is not so.”

This could not be more true for our nation's water: the lakes, rivers, streams, and oceans that enrich our land and people.

That's why, today, World Water Day, I would like to address the importance of protecting one of our national treasures, the Great Lakes. I have had the opportunity to represent parts of both Lake Erie and Lake Ontario during my time in Congress and serve as co-chair of the House Great Lakes Task Force. I know first-hand just how important the lakes are to my district, the region, as well as the country and planet.

The Great Lakes represent 20 percent of the world's fresh water supply and 95 percent of our nation's fresh water supply. They are a source of drinking water, jobs, and recreation for millions of Americans. They are one of our country's most precious resources.

We have an obligation to protect and rehabilitate this precious resource. From historic problems which have risen from mistakes made generations ago to new threats, like climate change, there are so many matters endangering the health of our Great Lakes. This is why programs such as the Great Lakes Restoration Initiative are so important to our region. The GLRI has funded the cleanup of toxic substances and has helped to combat the threat to our lakes from invasive species.

We are all aware of the threat Asian Carp and other invasive species pose to the Great Lakes water system. The Asian Carp have been destructive to the rivers and streams that they have invaded and we must do everything in our power to prevent them from entering the Great Lakes at all. They have no natural predators to keep their populations in check and we cannot afford to let these fish wreak havoc on the ecosystems of the Great Lakes.

I have consistently supported efforts to proactively protect our systems from dangerous invasive species and will continue to do so. I encourage my colleagues to join me. We need to make sure to hold Congress responsible for adequately funding the programs such as the GLRI and to work proactively to prevent the introduction of pollutants and species that threaten the safety and security of our water.

In fact, humans can only survive four days without water. Ensuring the safety and availability of our water is truly life or death.

These magnificent bodies of water are truly precious and we must do all that we can to protect these national treasures for future generations.

IN RECOGNITION OF ROSE RANDAZZO, THE SUNDAY DISPATCH'S 2015 PERSON OF THE YEAR

### HON. MATT CARTWRIGHT

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. CARTWRIGHT. Mr. Speaker, I rise today to honor Rose Randazzo, who has been named the Sunday Dispatch's Greater Pittston Person of the Year for 2015. Since 2000, the Sunday Dispatch selects a person annually who has a positive impact in the Greater Pittston Community over the course of the previous year. Rose has been a key figure to Pittston's efforts to revitalize the city's Main Street.

In 2010, Rose was named the Main Street Manager, a volunteer position to help attract new businesses and arts to downtown Pittston. The most recent major art project is the Inspirational Mural, completed by muralist Michael Pilato and located on the side of the Newrose Building. The mural is dedicated to the residents of Greater Pittston and depicts more than forty local figures who have had an impact on life in the area. In addition to Pilato's mural, downtown Pittston implemented Second Friday Art Walks in May 2013. Every second Friday during the summer months, craft and art vendors populate Pittston's Main Street. Due to the success of the art walks and other endeavors taken on by Rose, "American Craft Week" named Pittston the 8th best town for craft lovers in 2015.

Rose's agenda also includes rehabilitation of the city's aging buildings. The first building Rose helped revitalize as Main Street Manager was the building at 26 Main Street, which houses Napoli's Pizza. Completed in November 2011, it is the first and only building with Italianate architecture in Pittston. Another one of Rose's success stories is the Christopher Building. Before Rose intervened, the City of Pittston was considering demolishing this historic building. Rose purchased the building and had it renovated. Today, the Christopher Building houses one of Pittston's most successful restaurants.

It is an honor to recognize an individual who is ushering in a new renaissance for the City of Pittston. Rose truly has great vision for the historic town. I wish Rose continued success in her efforts to bring new life to Pittston.

HONORING CORTINA RANCHERIA  
CHAIRMAN CHARLIE WRIGHT

### HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mr. THOMPSON of California. Mr. Speaker, I, along with Representative GARAMENDI and Representative HUFFMAN, rise to recognize and honor Chairman Charlie Wright for his great contribution to the designation of the Berryessa Snow Mountain Monument by President Barack Obama on July 10, 2015.

This outstanding accomplishment was made possible by the tireless work of countless advocates like Mr. Wright. Their commitment to engaging friends, colleagues, local residents,

businesses, stakeholders across the country, and policymakers in a coordinated effort to achieve permanent protection was critical to the establishment of the Monument.

Now, the Berryessa Snow Mountain Monument may be counted among the hundreds of pristine parks across the country that represent America's most treasured public resources. The region's unique geological formations will play host for the world's scientists for years to come. Centuries-old archeological sites will draw curious historians and researchers as they piece together the stories of generations past. And avid bikers, hikers, campers, horsemen, and sportsmen will be able to enjoy this landmark that is now forever open and accessible to outdoor enthusiasts from Northern California and beyond.

The Berryessa Snow Mountain Monument serves as proof of the value of the Antiquities Act and the power of the Executive to protect these lands in the face of inaction by Congress. After extensive input from interested parties and substantial evidence of this region's value, the Obama Administration honored the support of stakeholders, and the gravity of conservation.

The legacy of public lands is one of the most important we can leave for future generations. The Berryessa Snow Mountain Monument is a critical piece of a preservation system that stretches from the Hawaiian Islands to the Maine Coast. It has been a privilege working with Mr. Wright to further our mutual goal of preserving our nation's great open spaces, and we look forward to collaborating in the future.

H.R. 4742 PROMOTING WOMEN IN  
ENTREPRENEURSHIP ACT AND  
H.R. 4755 INSPIRING THE NEXT  
SPACE PIONEERS, INNOVATORS,  
RESEARCHERS, AND EXPLORERS  
WOMEN ACT

### HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I rise in strong support of H.R. 4742, the Promoting Women in Entrepreneurship Act and H.R. 4755, the Inspiring the Next Space Pioneers, Innovators, Researchers, and Explorers Women Act.

These two bills would support entrepreneurship programs for women and encourage young girls and women to pursue STEM degrees and careers.

Throughout my career in Congress and my time as the Ranking Member of the House Science, Space, and Technology Committee, I have been passionate about ensuring opportunities for women in STEM fields.

More women are pursuing STEM degrees and careers overall, but they are still underrepresented in many STEM fields. This is especially true in STEM fields with high entrepreneurship rates, such as engineering and computer science.

Along with STEM training, women face other barriers to entrepreneurship, including access to credit.

Due to such barriers, it is important to support entrepreneurship programs focused on women. H.R. 4742 does that by supporting

programs at the National Science Foundation that recruit and promote women who are looking to move beyond the laboratory and enter the commercial world.

I want to thank my colleague, Representative ESTY, for her work on this bill.

H.R. 4755 would support existing programs at NASA that encourage young girls and women to study STEM fields and pursue careers in aerospace. These programs include NASA GIRLS, a virtual mentoring program; Aspire to Inspire, a program connecting young girls with women with STEM careers at NASA; and a summer institute program that increases awareness and exposes middle school girls to the STEM careers at NASA.

Additionally, H.R. 4755 calls on NASA to submit a plan to Congress on how to best use their current and retired workforce to mentor female K-12 students. Utilizing our retired STEM workforce can multiply the opportunities for mentorship, but I appreciate Mrs. COMSTOCK's agreement to include current NASA employees, especially early career women at NASA. Seeing a young female scientist or engineer might be the best way to show young girls that STEM careers are possible for them.

I would to thank my colleague, Representative COMSTOCK, for her work on this bill and for working with me to broaden the scope of the plan.

I strongly support both H.R. 4742 and H.R. 4755 and I encourage my colleagues on both sides of the aisle to do the same.

HONORING THE LIFE OF COLONEL  
FERDINAND CLARENCE "FRED"  
BIDGOOD

### HON. BARBARA COMSTOCK

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 22, 2016*

Mrs. COMSTOCK. Mr. Speaker, I rise today to honor the life of my constituent, Colonel Ferdinand Clarence "Fred" Bidgood, a retired United States Army officer, a patriot, and a true leader. After his birth in 1938 in Fort Benning, Georgia, Fred went on to live in London, England where he graduated from Central High School in 1955. He matriculated into the United States Military Academy's Class of 1960 where he received a Bachelor of Science degree. Fred later earned a Master's degree in civil engineering from Texas A&M, and graduated from the Armed Forces Staff College.

Following his graduation from the United States Military Academy, Fred was commissioned as 2nd Lieutenant in the Army and served around the world in command and staff positions in both Artillery and Engineer units. Throughout his career, he served as Associate Executive Director of the Paralyzed Veterans of America in Washington, DC and Chief of Staff for the National Victory Celebration, where his duties included welcoming home troops from the Gulf War. He also served as Director on the Board of Governors of the World United Services Organization and Chairman of their Human Resources Committee, and he was a member of the Board of Advisers of National Handicapped Sports.

Fred lived much of his life in South Run Forest community in Springfield, Virginia. On Veterans Day, Flag Day, and Memorial Day, Fred
