HONORING THE THOMPSON-  
CLEMONS POST NUMBER 200

**HON. BENNIE G. THOMPSON**

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 14, 2016*

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor The Thompson-Clemons Post Number 200 of Greenwood, Mississippi.

The Thompson-Clemons Post Number 200 of Greenwood, Mississippi was the first African American Post established in the State of Mississippi and came about due to the perseverance of eighteen determined Black Veterans of World War I and World War II in the Mississippi Delta.

These veterans attempted to join Keeler-Hamrick-Gillespie Post Number 29 which refused them membership. Given that this was the 1940s and Mississippi being a segregationist state, Post Number 29 could not get a majority vote of its members to allow black veterans to join their post.

The eighteen black veterans filed a petition to start a new post and presented it to the Mississippi Department of the American Legion. Mr. Solomon N. Dickerson, a black veteran, postal worker and co-worker of Mr. Author H. Richter, the Adjutant of post Number 29, worked to get the petition through the District. It was due to their vigorous and persistent correspondence to the District and the Mississippi Department of the American Legion that they were allowed to form a separate post if they could find a sponsor.

Keesler-Hamrick-Gillespie Post Number 29 agreed to serve as a sponsor to assist Thompson-Clemons Post Number 200 in getting the temporary charter, paving the way for other charters to be granted to other black veteran's groups throughout the state of Mississippi.

Originally, the post was called the Mississippi Delta Post Number 200. Mr. L.H. Threadgill, principal of Stone Street High School, a veteran of World War II, proposed that the post be named after two former students of Stone Street High School, that were killed in action during WWII. The motion carried and the name was adopted. Thompson-Clemons Post Number 200 was granted a permanent charter on July 28, 1949, becoming the first Black post in the State of Mississippi. The first Post Commander was Mr. Solomon N. Dickerson.

Mr. L.H. Threadgill and others in the community were instrumental in purchasing the

property, obtaining a deed, and getting a building to establish a post headquarters where it is still located today.

The Thompson-Clemons Post Number 200 of Greenwood, Mississippi has a distinct track record of encouragement to veterans with issues, be they be from serving abroad; in combat situations or statewide service. Issues range from transportation to Regional Office and VA Hospital for medical disability claims, educational and skill training, housing and other activities including establishing collaborative partnerships with community organizations to provide emergency services such as utilities, homes for the homeless, counseling and assistance in understanding the myriad of services provided by the VA.

The VA community activities include sponsorship of little league baseball teams, voter education classes, veterans day celebration, adopt a school program, donations to needy families, Boys State Program and the National American Legion Oratorical Contest, where candidates sponsored by Post Number 200, have won the Mississippi State Championship four times, and three out of the past four years.

Leadership activities include a weekly live call in radio talk program aired on WGNL 104.3 FM in Greenwood, Mississippi where veterans can actually dial up and talk about issues that affect them and their community. Partnering with organizations such as the National Association of the Advancement of Colored People (NAACP), Greenwood Voters League, Mississippi Valley State University and other community based groups that advocate for social justice.

Thompson-Clemons Post Number 200 is well integrated into the fabric and culture of the Mississippi Delta and should be recognized as a Post that has the interest of our service men, their families and community at heart.

The American Legion Post Number 200 is moving forward to continue the legacy of those early veterans who honorably served their country and had the vision that through the American Legion and its core principles, they could continue to protect and build an America and Mississippi.

Mr. Speaker, I ask my colleagues to join me in recognizing a remarkable organization, The Thompson-Clemons Post Number 200, for its dedication to serving our veterans and giving back to the African American community.

COMMEMORATING GEORGE WASHINGTON LODGE NO. 143, FREE AND ACCEPTED MASONS, ON ITS 200TH ANNIVERSARY

### HON. BILL SHUSTER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 14, 2016*

Mr. SHUSTER. Mr. Speaker, I rise today to commemorate George Washington Lodge No. 143, Free and Accepted Masons, of Chambersburg, PA, on its 200th anniversary.

Similar to the Borough of Chambersburg, the George Washington Masonic Lodge No. 143 has a history dating back nearly to our country's founding. Having been resurrected by a group of committed Masons who sent a petition to Grand Lodge for a warrant to institute George Washington Lodge No. 143, the lodge has maintained this historic presence since 1816. A point of local pride, the lodge remains the oldest Masonic building in the Commonwealth of Pennsylvania.

Also, as many of us know, it was its association with the Free and Accepted Masons that prevented the lodge from being destroyed during the burning of Chambersburg in 1864. Having withstood that assault and standing the test of time, George Washington Lodge No. 143 was listed on the National Register of Historic Places in 1976. Prior to that achievement, a small addition was added to the rear of the building at the time of its 150th anniversary, in 1966.

In more ways than one George Washington Lodge No. 143 represents the story of our country and I am proud to commemorate the 200th year of its institution.
