American population have taken notice of the seemingly endless routes that pieces of legislature take once they enter the hands of congressmen. Although the Constitution and other foundational texts and practices emphasize the democratic ways of government that sets America apart from the other nations of the world, what America gains in democracy, America lacks in efficiency. The polarization of Congressmen that results from diffirent morals, political parties, and religions is a major factor that makes the political process in Congress so challenging.

A piece of legislature is voted on a number of times throughout the process of becoming official. Legislature is passed through the houses of Congress sometimes several times, as well as the through the President and his peers. Each member of Congress and member of the President's cabinet come from a different and unique background. These backgrounds include ethnicity, geographical regions, religions, political beliefs, a sense of what is right and what is wrong, and several other distinguishing factors. Each different member of Congress/the Executive team votes on legislature on the basis of two different things: 1) what his/her constituency wants and 2) what he/she wants. Balancing these two things along with all of the previously mentioned personal factors, those who vote on legislature in Congress have an incredible amount of information to consider prior to making decisions. The natural and environmental differences between humans that lead to each balancing factor results in a competitive, argumentative, passive Con-

Just like in any relationship between/ among individuals, reaching agreements when faced with a challenge or suggestion can be difficult. When you extend hundreds of individuals, who are in charge of thousands of individuals each, into one single political relationship, reaching an agreement almost seems impossible. Therefore, congressional struggles that exist and prevent some pieces of legislature from being efficiently passed, are consequences of inevitability and must either be dealt with or Congress must be reorganized.

POEM BY ALBERT CASWELL IN HONOR OF ROBIN WILLIAMS

HON. JOSEPH CROWLEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 19, 2016

Mr. CROWLEY, Mr. Speaker, I rise today in memory of the remarkably talented Robin Williams, a man who gave the world one of the greatest gifts of all-laughter. The following poem was written in his honor by Albert Caswell:

LAUGH UNTIL YOU DIE IN MEMORY OF ROBIN WILLIAMS (By: Albert Carey Caswell)

Laugh Laugh until you die Wipe those tears from your eyes Laugh, laugh until you die

Because life is far too short to ever ask why Robin Williams, was a shooting star so way up high

So out of this world and in his mind, as to new heights he would climb So brilliant and so bright,

soaring ever higher with his mind as he took flight

Was he really from another planet in time? This comet that we called his life Laugh until you dies As he brought so many smiles

While, living with his own pain the while A man of style and such grace

With that smile upon his face

Laugh until you die,

Cherish every moment we're alive As his was a special place,

As none will take his place or reside With his laughter bringing us to tears in our eyes

Robin Williams was such a genius none will denv

As everywhere he went,

His life was filled with the kindness so spent With his warm heart as he to tried

Laugh, vea laugh until vou die

Live life like it's your last night

And smile with delight so all inside

For Robin's gift was to bring joy and laughter into peoples lives

And the "DEAD POETS SOCIETY" wasn't really just an act,

it was the closest thing to real Robin Williams you will find

Yea, let's laugh until we die

Yes, he was one heck of a shusbut,

so Morked out all in time

So out of this world with his special comedic mind

So brilliant we can't deny

Reaching higher than most of us will ever attempt to fly

So fast and so far and so high

A natural born comic reacting with his gut in time

And there wasn't any DOUBTFIRE about Robin being a charming guy

For he traveled at light speeds

all in his need to entertain us in time

And if you ever thought you could catch up to him.

You were out of your mind

Because his mind was always in a race,

Towards laughter at such a pace

So interstellar.

so extraterrestrial as time he did not waste So out of this world.

as he added new meaning to Area 51 with his design

All in the days of our lives.

When things seemed filled with sadness and strife

Robin gave the world what she so needed in time

LAUGHTER, is the best medicine you will find

Making us forget about our worries and our cares.

as we laughed until we cried with him there And laughter.

HE MADE IT RAIN

Coming down in buckets so insane Giving back everywhere he went

Was what his life's work so meant

"GOODWILL HUNTING" was how his time was spent

Making us smile with laughter wherever he commenced

So laugh until you die

And one Robin's special loves so all inside Were our men and women of The Armed

Forces, as half was around the world to them he

would fly

Traveling overseas,

For their families there was nothing he'd denv

But his greatest loves of all,

were his children and his wife we saw "THE WORLD'S GREATEST DAD"

His children knew they had

Now, whenever we say his name,

our hearts fill with love and such pain missing him so bad.

Please laugh until you die

And anyone who's ever done standup will not deny

Robin was The Clown Prince of Comedy all at speed was this guy.

For he had the "HOOK".

as "BACK TO NEVER LAND" all of us took And he could act, as his life was a work of poetry so profound

And this is why he belongs in The Hall of Fame.

with all those DEAD POETS SOCIETY he could claim now

For Robin was a Man For All Seasons.

and for so many reasons as he made us say "WOW" Whether, on the sidelines with his beloved

Niner's. he was everywhere so all in time here and

how

Laugh until vou die

Sadly, he must of been one hell of a magician,

how he kept all his tears of a clown so all hidden

But Robin's very core.

was the heart of a child of which will live on forevermore

Like Peter Pan, this wonderful man

refused to grow up and that's for sure

And that is why we should all laugh until we die

"GOOD MORNING, VIETNAM",

when we hear him say those words we thing of Robin and his smile

As we watched him perform.

it was like a NIGHT AT THE MUSEUM as history was being born.

As he was always so strong to the finish,

cause like "POPEYE" he too ate his spinach As "THE FISHER KING" he caught our hearts with his smile

Bringing us to new "AWAKENINGS" all the while

And that's why we should all laugh until we die

As he was one of "THE ARISTOCRATS",

Kings of Comedy and that's a fact

Equipped with such "ARTIFICIAL INTEL-LIGENCE"

oh how he could rap

And upon the stage, Robin would "SIEZE THE DAY'

Watching him, was always "THE BEST OF TIMES" we can say

As not the question we all must ask,

from his craft "WHAT DREAMS MAY COME?"

While, riding in his "RV" or on the stage of life he brought such glee

As now it's all very clear,

because of his heart he was always the "MAN OF THE YEAR"

But "THE FINAL CUT"

Was so what we all felt when we heard he had died

As came the tears down upon our face as we asked why?

Knowing, that no longer on this earth Robin would reside

And on that day our world got a little bit sadder as we realized

But he's not really gone

For he lives on and on,

in everyone's heart who has seen him perform

As into future generations they will admire this sensation.

named Robin Williams living on as out his name they cry

And if we could all "PATCH ADAMS" up our hearts

And from his memory in all our tears try to start

TO LAUGH

By remembering what came from his heart All in that laughter which was his TRUE WORK OF ART

In our hearts

And laugh until we die

Because, we all live short lives

IN RECOGNITION OF THE 75TH ANNIVERSARY OF MACDILL AIR FORCE BASE

HON. THOMAS J. ROONEY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES Tuesday, April~19, 2016

Mr. ROONEY of Florida. Mr. Speaker, I rise today to recognize the 75th anniversary of MacDill Air Force Base in Tampa. Florida.

The Base was officially activated on April 16, 1941 and named in honor of Col. Leslie MacDill, a World War I veteran and aviation pioneer who died in a plane crash. MacDill

AFB has a long and established legacy of protecting our national security.

MacDill has continued to evolve and thrive over its 75 year lifespan. MacDill went from training crews to fly B-17 Flying Fortresses and B-26 Marauder bombers in World War II to B-29 Superfortresses, B-47 Stratojets and F-84, F-4 and F-16 fighters. It now is home to two wings that fly KC-135 Stratotanker aerial refueling jets. The base has played a key role in U.S. military actions from World War II, the Korean War, the Cuban missile crisis, the Vietnam War, the Gulf War and the ongoing fight against terrorism in the Middle East and elsewhere. From its first day in service to our nation to now, MacDill has consistently played a vital role in U.S. military achievement.

Currently, MacDill houses the 6th Air Mobility Wing and 39 Mission Teammates, including U.S. Central Command and U.S. Special Operations Command, Marine Corps Forces Central Command, the Joint Communications Support Element and dozens of other mission partners, including, until July, the aircraft operations center of the National Oceanic and Atmospheric Administration.

As integral as it is to our national security operations, MacDill is also a critical partner in our nation's humanitarian response efforts. Its strategic location was used to respond and aid the millions devastated by the 2010 earthquake that ravaged the capital city of Haiti, Port-a-Prince.

MacDill is home to more than 13,000 military and civilian personnel. Nearly 170,000 retirees live in the Tampa area and depend on the base for many necessary services. MacDill remains a vital economic driver and a source of good paying jobs for Southwest Florida residents. The base pumps about \$5 billion a year into the regional economy. MacDill is part of fabric of Southwest Florida; the relationship between the base and community is among the strongest in the military.

Many of my constituents work and serve at MacDill and I am proud to represent these brave Floridians in an area that is so integral to our national defense. I know that MacDill will continue to play a crucial role in protecting Florida's families as our nation faces ongoing and future security challenges. I am proud to support MacDill Air Force Base every day and especially today on its 75-year anniversary.
