

RECOGNIZING DON KNABE'S SERVICE TO THE STATE OF CALIFORNIA

HON. KEVIN MCCARTHY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 20, 2016

Mr. MCCARTHY. Mr. Speaker, I rise today to honor Supervisor Don Knabe, who has served the County of Los Angeles for the past two decades.

Supervisor Knabe was first elected to the Los Angeles County Board of Supervisors in November of 1996 and has represented the Fourth District, a uniquely diverse area that is home to over two million residents and includes two of the nation's largest economic hubs: the Ports of Los Angeles and Long Beach and the Los Angeles International Airport.

Supervisor Knabe has spent much of his political career working to protect innocent and vulnerable children in Los Angeles County. He established the Safe Surrender program in Los Angeles County, which allows for the surrender of an infant within 72 hours of birth at a County hospital or fire station. Since 2001, over 140 babies have been safely surrendered in Los Angeles County. In 2015, Supervisor Knabe launched a scholarship program to benefit children who have been safely surrendered.

Supervisor Knabe also is a national leader on combating child sex trafficking. He launched a County-wide awareness campaign to bring attention to the heinous practice of young children being sexually exploited in southern California. In 2013, he testified on the issue of child sex trafficking at a hearing before the House Foreign Affairs Committee in Washington, D.C.

In 2007, Supervisor Knabe was appointed by President George W. Bush to serve on the President's Homeland Security Advisory Council, which worked with the White House to establish national programs to prepare and protect communities across the nation from terrorist attacks.

Supervisor Knabe has a passion for the arts and attributes his own personal success to an early involvement with music. His enthusiasm for the arts has led to the creation of several innovative youth programs, such as the Pediatric Arts Program at Rancho Los Amigos National Rehabilitation Center and the Arts Education Partnership Program that provides grants to schools and community-based organizations to fund visual art, dance, music, and theatre programs for students.

In addition, Supervisor Knabe has led the County's efforts to improve overall water quality, including 19 projects within the Fourth District that will lower pollution and divert storm water from the ocean, including the Dominguez Gap Wetlands Project that was completed in 2008. This also enhanced recreation opportunities for residents and visitors through environmental cleanup efforts, creating an open space habitat for the community.

Supervisor Knabe is an avid golfer and hosts the Knabe Cup in cooperation with the California Interscholastic Federation, a golf tournament for high school boys and girls. He also supports junior golf clinics for kids to develop a love for golf at a young age.

While these are just some of Supervisor Knabe's significant accomplishments, on behalf of the County of Los Angeles and the State of California, I want to extend my gratitude for his valuable contributions throughout his illustrious career to helping our communities. With sincere best wishes, I congratulate Supervisor Knabe upon his retirement from the Los Angeles County Board of Supervisors, and wish him and his wife, Julie, well as they enter this new chapter of their lives.

CONGRATULATING KELSIE ELTRINGHAM ON RECEIVING THE BRIGHTON ASSEMBLY OF GOD'S GOLD MEDAL AWARD

HON. BILLY LONG

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 20, 2016

Mr. LONG. Mr. Speaker, I rise today to congratulate Kelsie Eltringham, who was recently honored with the Brighton Assembly of God's Gold Medal Award, the highest achievement in the Assemblies of God Girls Ministries program.

To be honored with the Brighton Assembly of God's Gold Medal is the culmination of a 13 year journey of devotion to God that begins in kindergarten and finishes at the end of high school. The Girls Ministries program strives to instill Christian values and virtues in the young women who will be the future of our nation.

To be honored with a gold medal, girls must go above and beyond the requirements for completing the five levels of clubs offered by the ministries. Medal awardees must also have read the Bible twice, the New Testament three times, memorized portions of scripture and have met weekly with a sponsor who helps to guide them spiritually.

Mr. Speaker, Kelsie Eltringham has not only displayed an uncommon level of spiritual devotion during her time in the Girls Ministries program, but also a measure of determination and commitment that will undoubtedly serve her well through her life. On behalf of Missouri's Seventh Congressional District, I urge my colleagues in congratulating her on this well-earned achievement.

Mr. RODNEY DAVIS of Illinois. Mr. Speaker, I rise today to congratulate Thaddeus Hughes on winning the 4-H Youth in Action STEM Award.

The 4-H Youth in Action Award honors 4-H'ers who have excelled in one of four areas: agriculture and animal sciences, citizenship, healthy living, and STEM. Last year, Thaddeus was selected among twenty individuals to be named one of Illinois' High School Innovators of 2015.

Thaddeus is a wonderful example of the many talented students in my district. I look forward to celebrating many more of this bright young man's accomplishments in the future.

Congratulations, Thaddeus. I wish you the best of luck as you continue your education studying Mechanical Engineering.

**YASMIN VAFA, EXECUTIVE DIRECTOR,
RIGHTS4GIRLS—LOIS
HAIGHT AWARD FOR EXCELLENCE AND INNOVATION**

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 20, 2016

Mr. POE of Texas. Mr. Speaker, the bipartisan Congressional Victims' Rights Caucus (VRC) is a proven and effective leader in advocating for crime victims. JIM COSTA (D-CA) and I founded the VRC 10 years ago when we were first elected to Congress. During its 10-year existence, the VRC has taken the lead in protecting programs that provide critical support for victim services throughout the nation, including the Victims of Crime Act (VOCA), Violence Against Women Act (VAWA), and the Trafficking Victims Protection Reauthorization Act (TVRA). Each year the members of the caucus join together to honor outstanding individuals who have given their time and service to helping victims. This year marks the 10th anniversary of the Caucus.

The Lois Haight Award for Excellence and Innovation pays tribute to California Judge Lois Haight. She was the Chair of President Ronald Reagan's 1982 President's Task Force on Victims of Crime. Judge Haight led pioneering efforts on behalf of crime victims that resulted in significant public policy advances to promote crime victims' rights and services. The honoree who receives this award is a professional whose efforts have had a significant impact on local, state, national or international public policy development and implementation that promote dignity, respect, rights and services for victims of crime.

Yasmin Vafa embodies the vision, drive and accomplishment of Judge Haight. She is the co-founder and Executive Director of Rights4Girls, a human rights organization focused on gender-based violence against young women and girls in the U.S. As the award recipient that my office nominated I am proud to recognize her significant contributions in advocating for Victims' Rights. She is a fearless fighter against injustice, educating not only my office, but offices across the Capitol about the scourge of human trafficking—especially on the unique needs of domestic victims and the need to prosecute buyers.

The voice of survivors like "T" Ortiz Walker Pettigrew that Yasmin and Rights for Girls brings to the Hill changes the conversation on human trafficking. Yasmin knows and works with these survivors both in DC and around the country through advocacy, trainings, and survivor retreats, and won't stop until victims are treated as victims and we put all the bad guys where they belong.

Yasmin's principled passion, activism and persistence have been critical in the passage of a number of bills to fight human trafficking and protect vulnerable women and girls. One bill especially close to my heart, which would

not have crossed the finish line without her help is the Justice for Victims of Trafficking Act. Yasmin helped conceive, advocate and fight for the bill through ups and downs until the right thing was done and the bill became law. In addition to the incredible accomplishments she's had for victims of crime on Capitol Hill, she has also designed and implemented a national judicial institute on child trafficking, co-authored a seminal report mapping girls' unique pathways into the juvenile justice system: The Sexual Abuse to Prison Pipeline: The Girls' Story.

She also currently serves as a faculty adjunct educator and consultant for the National Council of Juvenile and Family Court Judges, served on the Advisory Board for the Office of Juvenile Justice and Delinquency Prevention's National Girls Initiative, and was as a member of the Department of Justice's National Task Force on the Use of Restraints with Pregnant Women and Girls under Correctional Custody. Yasmin is so deserving of the Lois Haight Award for Excellence and Innovation Award, we are grateful for her persistence and passion.

And that is just the way it is.

**NATIONAL ACADEMY OF FUTURE
SCIENTISTS AND TECHNOLOGISTS—MARIA BENNETT**

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 20, 2016

Mr. OLSON. Mr. Speaker, I rise today to congratulate Maria Bennett from Katy, TX for being accepted into the National Academy of Future Scientists and Technologists to represent the state of Texas at the Congress of Future Science and Technology leaders.

Maria attends Cinco Ranch High School and is one of 13 high school honor students selected from the Twenty-Second Congressional District of Texas. These students were selected as Texas delegates at the Congress of Future Science and Technology Leaders. This program was designed for high school students to be recognized for their hard work in school, as well as to support their aspirations of working in a science or technology field. The National Academy was founded by Richard Rossi and Dr. Robert Darling; Mr. Rossi currently serves as president. The Congress is being held at the Tsongas Center at the University of Massachusetts, Lowell from June 29th through July 1st. Maria was selected by a group of educators to be a delegate for the Congress thanks to her dedication to her academic success and goals of pursuing science or technology. We are proud of Maria and all of her hard work, and know she will make Katy proud.

On behalf of the Twenty-Second Congressional District of Texas, congratulations again to Maria for being accepted into the National Academy of Future Scientists and Technologists. Keep up the great work.

HONORING MR. HAROLD WARD, JR.

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 20, 2016

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor a remarkable Unsung Hero, Mr. Harold Ward, Jr. a resident of Winstonville, Mississippi.

Harold Ward, Jr. was born and raised in the small town of Mound Bayou, Mississippi, where he graduated from John F. Kennedy Memorial High School in 1999. After graduating from high school, Harold attended Coahoma Community College in Clarksdale, Mississippi, and Mississippi Valley State University in Itta Bena, Mississippi. Harold is a member of Mount Olive Missionary Baptist Church in Mound Bayou. He is the son of Judge Harold Ward Sr. and Patricia White-Ward; the youngest of four children: Ms. Chauncila M. Ward (deceased), Dr. Kendria Ward, and Attorney Yumekia Ward; the grandson of the late Napoleon White Sr. and Mrs. Earline J. Hill, Reverend Henry Ward and Mrs. Lola Ward.

Mr. Ward was born with sickle cell disease. At the age of 25, Harold's oldest sister, Chauncila, passed away from complications of sickle cell disease. Sickle Cell Disease is an inherited blood disorder that affects nearly 100,000 Americans. Sickle Cell Disease causes red blood cells to form into crescent shapes like sickles that cuts off the oxygen supply to the blood causing excruciating pain. Even though Mr. Ward suffers from this debilitating disease, he does not allow it to completely make him bedridden and on his good days he does volunteer work.

Always unselfish with his time and immensely involved with community service activities in the City of Mound Bayou and the town of Winstonville, Mississippi, Mr. Ward has been a constant inspiration to others.

In 2007, he began volunteering his services at Delta Health Center in Mound Bayou, Mississippi, where he assisted nurses with triage patients, filing documents, and read Christmas stories to patients' children. He also aided in the recruitment of patients to the facility by going door to door informing people of the services available at Delta Health Center. In 2014, Mr. Ward was lead sales representative with Humana and guided qualified individuals through the sign-up process for Obamacare.

Mr. Ward reorganized the town of Winstonville Volunteer Fire Department where he currently serves as Fire Chief. He encouraged people in the community between the ages of 21–35 to volunteer their services to the town by becoming a volunteer fire fighter.

On February 22, 2015, he received an award from Chi Mu Omega Chapter of Alpha Kappa Alpha Sorority, Incorporated, of Mound Bayou, Mississippi, in recognition for his outstanding contributions and dedicated services in the field of health.

Mr. Ward compassionately volunteers with the City of Mound Bayou serving as assistant to Mayor Darryl Johnson.

Mr. Speaker, I ask my colleagues to join me in recognizing this amazing Unsung Hero.
