RECOGNIZING THE VETERANS OF
FOREIGN WARS DAVIS-SEAMON
POST 812 OF EL PASO, TEXAS

HON. BETO O'ROURKE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 21, 2016

Mr. O'ROURKE. Mr. Speaker, I rise today to honor and recognize the Veterans of Foreign Wars Davis-Seamon Post 812 as an exceptional veteran service organization in my district of El Paso, Texas. Post 812 is named in honor of First Lieutenant Hart Davis and First Lieutenant Alexander Rives Seamon, both of whom were killed while serving our country during World War I. The Davis-Seamon Post was founded in 1921 and is the largest Veterans Service Organization in El Paso, with 835 members dedicated to serving veterans, active duty service members, reservists, their families as well as others in the El Paso community.

As part of its commitment to serving El Paso veterans after they have transitioned out of the military, the Davis-Seamon Post enlists the help of a service officer that advises veterans on their eligibility for VA benefits. This relationship ensures that our community's veterans receive updates on changes within the VA as well as timely access to the benefits they have earned and deserve. Members of the Post have also organized numerous welcome back and farewell dinners for soldiers and their families, feeding more than 140,000 people since 2001. The Davis-Seamon Post has also taken great pride in preparing and serving Thanksgiving Day meals for service members and their families returning home from Afghanistan.

In the spirit of helping others and creating a community of inclusivity within El Paso, the Davis-Seamon Post regularly donates its space to other local veteran service organizations and has partnered with different community groups to address the issue of veteran homelessness in El Paso. The Davis-Seamon Post also furthers its ties to the community by encouraging its membership to invite guests to its events so they may become familiar with its mission and service to veterans and members of the military.

I am proud to know that a veterans service organization like the VFW Davis-Seamon Post 812 exists in El Paso. Their support and care for our veterans is longstanding and their efforts will help in continuing to make El Paso and our region a better place to live.

HONORING BERINGER VINEYARDS

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 21, 2016

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor Beringer Vineyards, which today celebrates its first annual Founders Day ceremony, commemorating the vineyard's founding in 1876 and 140 years of continuous operation. The success of Beringer is of particular importance to me, as I worked as a maintenance supervisor at Beringer after returning from serving in Vietnam.

Since the winery began operations in 1876 under founders Frederick and Jacob Beringer, it has not missed a harvest or wine vintage, making Beringer California's longest continually operating winery. In another contribution to the history of St. Helena, the founding brothers planted the now-famous tunnel of elm trees along Main Street shortly after Beringer Vineyard's founding. Beringer Vineyards became the first California winery to offer visitors tours in 1934 after the repeal of Prohibition, contributing to the influx of visitors to Napa Valley. The winery was named a State Historical Landmark in 1967, and the Rhine House was listed on the National Register of Historic Places in 1972.

During its long history, Beringer has earned numerous accolades among wine professionals. It is the only winery to win the 'Wine of the Year' from Wine Spectator for both a red and a white wine, the 1986 Private Reserve Cabernet Sauvignon and the 1994 Private Reserve Chardonnay. Indeed, Beringer has had more placements on the Wine Spectator's Top 100 list than any other winery in the world. In a further testament to the winery's longevity and quality, from 1988 to March 2016, Beringer earned 450 90 plus scores in premiere wine scoring publications.

Mr. Speaker, Beringer Vineyards has been a resolute leader of the California wine industry for 140 years. It is truly a Napa Valley institution, and its success has brought acclaim to Napa Valley growers and winemakers. Therefore, it is fitting and proper that we honor Beringer Vineyards here today.

MONTH OF THE MILITARY CHILD

HON. KAREN BASS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 21, 2016

Ms. BASS. Mr. Speaker, brave Americans from every walk of life have demonstrated their courage and commitment to freedom by serving in the Armed Forces of the United States of America. Many of those military personnel are parents whose children make significant sacrifices, too. The average child in a military family will move six to nine times during a school career, three times more frequently than non-military families.

During deployments, military children face separation and loss, and they face the joys and the challenges of reunification when deployments end. If a parent suffers an injury, the military child must also adapt to the new reality of that parent's limitations. Some military-connected children end up in the foster care system, bringing with them particular needs and circumstances. And if a parent is killed, the child's life is changed forever.

In recognition of this, April has been designated as the Month of the Military Child. According to the Department of Defense, 1.88 million children have parents in the active duty or reserve branches of the military, and many more children have parents who are veterans. Los Angeles is home to the highest population of military veterans in California.

On Sunday, April 17, Los Angeles Veterans Collaborative—Families & Children Working Group will hold their 3rd annual celebration of this occasion at the Los Angeles Public Library. Organized under the auspices of the USC Center for Innovation and Research on Veterans and Military Families in my district, their work offers an opportunity for us to applaud these children's strength and resilience, and to honor their unique contributions and sacrifices.

I salute military children and all of the parents, family members, friends, professionals and organizations who support them.
