HONORING THE MACEDONIA  
MISSIONARY BAPTIST CHURCH

**HON. ANDY BARR**

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 26, 2016*

Mr. BARR. Mr. Speaker, I rise to honor a very special church in the Central Kentucky Area. Macedonia Missionary Baptist Church, located in Keene, Kentucky, was organized in

February of 1867. This year they will celebrate their sesquicentennial with one hundred and fifty years of ministry.

The original members of this church first worshipped as a part of a white congregation at Mount Pleasant Church. As they desired to form a church of their own, a committee of black members was formed. The church held its first services in a one room log cabin which also served as a school. The present building was constructed in 1874.

Over the last one hundred and fifty years, the church has grown physically with additions and upgrades of the buildings. Macedonia Missionary Baptist Church has been pastored by many fine ministers, starting with Rev. Peter Johnson in 1867 and leading to today's pastor, Rev. Reginald C. Davis. Many lives have been changed by the ministry of the pastors and the members of this church.

Macedonia Missionary Baptist Church has been called one of the best rural churches in Kentucky. As they celebrate this historic one hundred and fifty year anniversary, they continue their ministry to worship and serve God through Jesus Christ. I am proud to have visited the church and I am honored to recognize the historic Macedonia Missionary Baptist Church before the United States House of Representatives.

HONORING THE 50TH ANNIVERSARY  
OF THE PRINCE WILLIAM  
COUNTY DEPARTMENT OF FIRE  
AND RESCUE

**HON. BARBARA COMSTOCK**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 26, 2016*

Mrs. COMSTOCK. Mr. Speaker, I would like to acknowledge the achievements and the 50th anniversary of the Prince William County Department of Fire and Rescue. In January of 1966, Prince William County hired its first paid firefighter, Phil Ponder. Ponder was the first of what is now over 600 Fire & Rescue personnel.

Prince William County holds a number of records such as the first jurisdiction on the east coast to implement a 911 system and the first jurisdiction in the state and national capital region to implement a physical agility exam for career firefighters. In addition to those achievements, the department hired the first female fire chief of a metropolitan-sized department.

I had the pleasure of meeting with Prince William County Department of Fire and Rescue Chief Kevin McGee recently where we talked about how the Department has evolved. Chief McGee always challenges his team to be on the cutting edge of firefighting and emergency rescue. Time and again Prince William County Fire and Rescue personnel have used their skills not only to help the people of Prince William County but also the citizens of Northern Virginia and beyond at their time in need.

Over the years, Prince William County Fire and Rescue has assisted with incidents like the 9/11 attacks on the Pentagon and with rescue efforts following Hurricane Katrina. Today, the department has 555 uniformed and 60 civilian staff providing service around the clock. It is one of three jurisdictions in the

Commonwealth with a delegated training authority for the Virginia Department of Fire Programs and is a partner in the National Capital Region Incident Management Team.

Mr. Speaker, in closing, I would like to acknowledge the achievements of the Prince William County Department of Fire and Rescue over the last 50 years and thank all of the staff, both past and present, for protecting the lives and property of the region. I offer sincere gratitude for their service to the community, the Commonwealth, and the nation over the past 50 years and know that high quality service will be engrained in the Prince William County Department of Fire and Rescue for generations to come.
