CONGRATULATING CARTER COREY NORTON ON RECEIVING THE BOY SCOUTS OF AMERICA'S EAGLE SCOUT RANK

HON. BILLY LONG

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 27, 2016

Mr. LONG. Mr. Speaker, I rise today to congratulate Carter Corey Norton, of Ozark, Missouri, on his recent achievement of the Boy Scouts of America's (BSA) Eagle Scout rank.

The rank of Eagle Scout is the highest rank attainable in the Boy Scouts of America. It is the culmination of many years of hard work and dedication, requiring countless hours of service, training and learning. An extremely exclusive honor, less than two percent of the 112 million scouts since the BSA's founding in 1910 have achieved the Eagle Scout distinction.

Since the age of 6, BSA has been a formative factor in Carter's life. He has been working towards achieving the Eagle Scout rank for most of his life, seeking to actualize the ideals of community service and integrity upheld by the organization. His recently completed "Eagle Project"—an Eagle Scout rank prerequisite—involved constructing several benches for his local church to be used by parishioners and scouting groups for years to come.

Becoming an Eagle Scout requires a significant amount of determination and self-discipline, traits which will no doubt serve Carter well in the future.

Mr. Speaker, by attaining the rank of Eagle Scout, Carter has set himself on the path to achieve future success, and I'm proud to count him among my constituents. His dedication in completing the required benchmarks and community service requirements to reach the Eagle Scout rank is indicative of his ability to accomplish whatever goals he sets his mind to. I wish Carter luck with all his future endeavors, and urge my colleagues to join me in congratulating him on this momentous achievement.

Mr. FRELINGHUYSEN. Mr. Speaker, I rise today to honor the County College of Morris (CCM), located in Randolph, New Jersey, for its remarkable record as an institution of higher learning.

Since its foundation in 1968, the County College of Morris has been a model of success, and has represented the standard of the academic excellence associated with the great state of New Jersey. CCM offers more than 50 associate degrees and more than 25 certificate programs, in addition to a wide selection of career and professional programs. The institution has one of the highest graduation and transfer rates among community colleges in New Jersey.

The County College of Morris has a diverse campus and enriching academic and social

environments that have created a culture ripe for personal and academic growth. CCM has become a place for students to reach their true potentials, as well as a community resource for those seeking to further their careers through additional education.

Graduates have pursued respected careers, going on to become doctors, engineers, nurses, teachers, and civil servants. CCM's dynamic academic programs have challenged students, and pushed them to produce high-level work.

Students at CCM are not limited to just academic success. With more than 45 active student organizations, nine intercollegiate varsity sports teams, and countless community service opportunities, students have demonstrated excellence outside of the classroom. The County College of Morris is home to two award-winning student publications: its newspaper, The Youngtown Edition and its graphic arts and literary magazine, The Promethean. In the performing arts, students have the opportunity to participate in high-quality musical theater and drama productions, or can join CCM's acclaimed Dance Theatre troupe.

Under the exceptional leadership and vision of its president for 30 years, Dr. Edward J. Yaw, CCM has continued to modernize and has become one of the finer academic institutions in New Jersey. The college ensures that its students have all of the necessary resources to develop the skills crucial for success in the world beyond the classroom.

Since its founding, CCM has been a driving force in the lives of thousands of successful students who have passed through its halls. Graduates over the years continue to serve as leaders and role models in their communities all over the country. Thanks to the work of its renowned faculty and staff, like Dr. Yaw, CCM will continue to offer a first class education to those who seek to pursue higher learning.

Mr. Speaker, I ask you and my colleagues to join me in honoring and recognizing the achievements of the County College of Morris and those who devote themselves to its continuing success as an institution of higher learning.
