

a senior at Treynor High School in Treynor, Iowa.

Hannah exhibited all of the talents and skills needed to qualify for this award. They include dependability, service to others, leadership, and patriotism. Judges took into consideration several areas in grading her application including high school achievement, home and community activities, future plans, extra-curricular activities, and good citizenship. A second requirement was to write an essay on Our American Heritage and Our Responsibility for Preserving It. The essay was to focus on our American rights and freedoms and the rights she would select to celebrate.

Mr. Speaker, I applaud and congratulate Hannah for earning this award. She is a shining example of the future of our youth. I urge my colleagues in the U.S. House of Representatives to join me in congratulating Hannah for her interest in preserving our rights and freedoms. I wish her nothing but continued success in all her future endeavors.

IN REMEMBRANCE OF TIFFANY
MAY JOSLYN, A PASSIONATE
CRUSADER FOR CRIMINAL JUSTICE
REFORM AND TRANSCENDENT
LIGHTBEAM OF JOY

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 27, 2016

Ms. JACKSON LEE. Mr. Speaker, it's with mixed emotion that I rise in remembrance of Tiffany May Joslyn, one of the most beloved, talented, and effective members of the House Judiciary Committee staff, whose life tragically was cut short on March 5, 2016, in a car accident that sadly also claimed the life of her brother, Derrick. She was just 33 years old.

Although the years of Tiffany's life were short, the life of Tiffany's years was full. In a journey of a little more than three decades, Tiffany May Joslyn, traveled from the little schoolgirl who was born in Brockton, Massachusetts, on November 9, 1982, to Deputy Chief Counsel of House Judiciary Committee's Subcommittee on Crime, Terrorism, Homeland Security, and Investigations, where she played a central role in crafting pioneering legislation to reform the nation's broken criminal justice system.

Tiffany was a Phi Beta Kappa and summa cum laude graduate of Clark University. She graduated with honors from The George Washington University Law School and was admitted to the Massachusetts and Rhode Island Bars after serving clerkships with the United States Attorney's Office for the District of Columbia and the District of Columbia Court of Appeals.

Before bringing her exceptional talent and servant's heart to Capitol Hill, Tiffany was Research Counsel for the National Association of Criminal Defense Lawyers in Washington, D.C., where she was the lead researcher and principal investigator for several major studies of the criminal justice system. Her work for the NACDL was so outstanding that she earned the reputation as one of the most thoughtful and forward-thinking policy experts of her generation in the area of criminal justice reform, which brought her to my attention when I became Ranking Member of the Judiciary Sub-

committee on Crime, Terrorism, Homeland Security, and Investigations.

Mr. Speaker, I am so grateful that I was able to secure for the Judiciary Committee, and this House, the services of Tiffany Joslyn. In the short time she was with us, she left an indelible impression on the Members of the Committee, her staff colleagues on both sides of the aisle, and most importantly on the criminal justice reform legislation produced by the Committee on the Judiciary.

Tiffany was a brilliant writer and was highly respected for her expertise, energy, dedication, loyalty, kindness, and perhaps, most of all, her persuasiveness as an advocate.

Mr. Speaker, Tiffany had a passion to help the most vulnerable and those who were caught up in the criminal justice system unfairly, but also those who deserved restoration and rehabilitation.

Together we were on a journey to continue to find a way to reform the criminal justice system.

She made great progress. Two of the bills we worked on have already passed out of the Judiciary Committee, and I am praying that they come to the floor not only in her name, but in the names of all the vulnerable people that would benefit from her great work.

I hope Tiffany's family can take comfort during the difficult days ahead in the knowledge that Tiffany and Derrick were the light of so many lives. May God bless them.

Mr. Speaker, to quote Maximus Decimus Meridus: "What we do in life echoes in eternity."

In her too short sojourn on this earth, Tiffany May Joslyn did so much good that I can say with confidence, and in the certain knowledge, that the glory of Tiffany's work will echo in eternity.

I ask the House to observe a moment of silence in memory of Tiffany Joslyn.

MISSION JR. HIGH SCHOOL TEAM
TO THE NATIONAL SCIENCE BOWL

HON. HENRY CUELLAR

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 27, 2016

Mr. CUELLAR. Mr. Speaker, I rise today to celebrate a team of students from Mission Jr. High School for earning the opportunity to compete in the National Science Bowl.

The National Science Bowl was created by the Department of Energy in 1991 to encourage students to expand their knowledge within the subjects of mathematics and science, and pursue careers in such fields. Since its inception, approximately 265,000 students have participated; helping the National Science Bowl grow into one of the largest science competitions in the nation.

The competition is comprised of Middle and High School teams of four students, one alternate, and a teacher advisor. The teams will compete with each other in the topics of biology, chemistry, life science, earth science, physics, energy, and math. The competition is a fast-paced question and answer session and will be held on April 28th, 2016 through May 2nd, 2016 in Washington, D.C.

The team from Mission Jr. High School includes: Briana Diaz, Lucas Dovalina, Rodrigo Moran, Paul McCoy, and Damian Gonzalez,

along with their coaches and sponsors Carolina Barrero, Jesus Razo, and David Land. They recently won the Regional Science Bowl Championship and were one of only forty-seven teams across the nation that qualified for the National Science Bowl. This will be the third time in a row that a team from Mission Consolidated Independent School District will compete. However, they are the first team to represent Mission Jr. High School.

I applaud these bright students and look forward to seeing what they will accomplish in the future. As students begin to consider which career path to choose, it is important to provide increased support and learning opportunities so students are able to graduate and compete in a globally competitive workforce. I believe competitions such as the National Science Bowl bring awareness to students about a possible STEM (Science, Technology, Engineering, and Math) career. I am proud to have this team of students from Mission Jr. High School represent the 28th District of Texas.

SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate of February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference. This title requires all such committees to notify the Office of the Senate Daily Digest—designated by the Rules Committee—of the time, place and purpose of the meetings, when scheduled and any cancellations or changes in the meetings as they occur.

As an additional procedure along with the computerization of this information, the Office of the Senate Daily Digest will prepare this information for printing in the Extensions of Remarks section of the CONGRESSIONAL RECORD on Monday and Wednesday of each week.

Meetings scheduled for Thursday, April 28, 2016 may be found in the Daily Digest of today's RECORD.
