

CELEBRATING PAY IT FORWARD
DAY IN KENTUCKY

HON. HAROLD ROGERS

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 28, 2016

Mr. ROGERS of Kentucky. Mr. Speaker, I rise today in celebration of Pay It Forward Day in Kentucky, as declared by Governor Matt Bevin to be recognized on April 28, 2016. I commend community, state and national leaders alike for promoting the spirit of goodwill and neighborly kindness through this nationwide effort.

Whereas, the aim of the Pay It Forward concept is to promote community spirit through acts of kindness;

Whereas, Pay It Forward Day is a worldwide effort being supported by people in more than 70 countries on six continents;

Whereas, Pay It Forward Day encourages people to do good deeds for others without asking for anything in return except for the recipients to pay it forward to others in need; and

Whereas, together we can make a difference by creating positive change in our community and world—one good deed at a time.

Mr. Speaker, I encourage the Kentucky delegation, along with my colleagues in the U.S. House of Representatives to continue personal efforts to “Pay It Forward” with simple acts of kindness in their own congressional districts across the country.

TRIBUTE TO BARBARA
CUNNINGHAM

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 28, 2016

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Barbara Cunningham of Shenandoah, Iowa, for her upcoming retirement from the NEA on August 31st, 2016. For 35 years, Barbara served our community, and state as an educator in the Shenandoah Community School District, and an additional six years on the NEA-Retired Board of Directors.

Barbara has dedicated her life to teaching and enriching the lives of young people, and began her journey as a teacher right after completing her education. Barbara found the Shenandoah Community School District was the best fit for her as a physical education (PE) instructor. The supplies and facilities were limited—Barbara describes the original gym as the size of a tractor trailer—yet Barbara made the best of it, as most of our teachers do, and focused on teaching her kids with what they had. Her positive attitude and dedication to her students left a lasting impact that cannot be measured.

For the last six years, Barbara has served on the NEA-Retired Board of Directors. She is a dedicated public servant who, even after retiring from teaching, continued to do more to help our youth and communities.

Mr. Speaker, it is an honor to recognize Barbara today as she approaches her retirement. Her expertise and hard work will be

sorely missed by her colleagues and all those she has worked with over the years. I ask my colleagues in the United States House of Representatives to join me in congratulating Barbara for her nearly 40 years of dedicated service and in wishing her nothing but continued success in her retirement.

TRIBUTE TO MR. MICHAEL S. WILSON, PRESIDENT, GD-OTS

HON. DAVID W. JOLLY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 28, 2016

Mr. JOLLY. Mr. Speaker, I rise today to recognize a gentleman who has dedicated his life to serving our nation—a true American leader and hero who hails from the state of Florida, Mr. Michael S. Wilson. Mike is retiring from General Dynamics Ordnance and Tactical Systems (GD-OTS) after forty-seven years of service to our warfighters and the defense industry. He currently serves as president of GD-OTS, a position he has held since 2001.

Mike has distinguished himself throughout his career, most notably by developing and fielding over 15 programs to our armed forces. The latest example of Mike's leadership is the fielding of the Ground Mobility Vehicle 1.1 program to the US Special Operations Command (USSOCOM).

Mike led the highly successful merger of GD Armament and Technical Products (GDATP) and GD-OTS companies in 2013—resulting in present day GD-OTS. His efforts created significant synergy savings and efficiencies that directly benefitted GD-OTS customers and shareholders resulting in improved service to the customer. Under Mike's astute and hands-on leadership, GD-OTS revenue rose over 500 percent since acquisition in 2001. Mike created a persistent priority and focuses on safety across GD-OTS and accumulated an unparalleled safety record by any industry standards.

One of Mike's proudest career achievements can be framed by the performance of

OTS during the urgent ramp-up required to meet surging demand of Operation Iraqi Freedom/Operation Enduring Freedom (OIF/OEF). Virtually overnight, Mike oversaw the ramp-up of all GD-OTS production lines to provide ammunition when it was needed the most.

During his career at GD, Mike led the effort to grow GD-OTS' organic production capabilities. With deft precision and timing, Mike skillfully invested in facility expansion and organic capabilities to achieve strategic vertical integration. This resulted in a dramatic expansion of core competencies and several new production franchises for GD-OTS.

Mr. Speaker, the Munitions Industrial Base, commercial industry, and each branch of our Armed Forces will miss Mike Wilson's leadership. As a nation, let us recognize his intrepid service and dedication to the mission of supporting our warfighters. And I ask that this body join me in honoring and congratulating Mr. Mike S. Wilson on a most honorable, truly energetic, and innovative career.

INTRODUCTION OF THE "INVESTING IN AMERICA'S SMALL BUSINESSES ACT OF 2016"

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 28, 2016

Mrs. CAROLYN B. MALONEY of New York. Mr. Speaker, I am pleased to introduce the Investing in America's Small Businesses Act of 2016. This important legislation allows Community Development Financial Institutions, known as CDFIs, to extend affordable credit to more small businesses in underserved communities through microloans. These small loans, under \$50,000, give businesses working capital, help them invest in new equipment or supplies, and have no pre-payment penalties.

I'm proud that the Investing in America's Small Business Act has gained the endorsements of the CDFI Coalition and the National Federation of Community Development Credit Unions, the national voices for these community-based institutions.

The bill provides grants for CDFIs to establish loan-loss reserve funds for microloans, which will help CDFIs leverage private investment to expand small business lending in underserved communities.

Small businesses are critical engines of economic development and job creation. In underserved communities, however, small businesses with low-income and minority owners often have limited access to affordable credit they need to meet everyday demands or expand their operations. According to a study commissioned by the U.S. Small Business Administration in 2013, "the major constraint limiting the growth, expansion, and wealth creation of small firms—especially women- and minority-owned businesses—is inadequate capital."

Community Development Financial Institutions serve exactly these communities—with great success and economic benefit. In fact, a 2014 report by the Darden School of Business at the University of Virginia found that despite serving predominately low-income markets, CDFI banks and credit unions had virtually the same level of performance as mainstream financial institutions. Despite this demonstrated
