

Jackie's death, her parents, Anne and Jim Zanfagna made the decision to be open with her cause of death, in hopes of raising awareness of heroin addiction.

After Jacqueline passed away, Anne Marie, an artist who works with oil paints, found she could not paint. When she finally began to paint again, she painted a vibrant, joyful portrait of Jackie which she worked on over the period of a couple of months. Anne felt that the time spent working on her painting of Jacqueline was time spent with her daughter. Anne brought her painting of Jackie to the heroin addiction support group that she and her husband attend every third Sunday of the month in Plaistow, NH. Everyone at the meeting loved her painting and she offered to paint a portrait for another family who also lost their daughter to a heroin overdose.

Anne Marie Zanfagna's portrait art raises awareness of the danger of heroin addiction. As heroin addiction has reached epidemic proportions in America, many families have lost children or loved ones to the addiction. Ultimately, Anne Marie plans to create a traveling art show of portraits of those who have succumbed to heroin addiction which she hopes to bring to the State House in New Hampshire and then across the nation, to the U.S. Capitol.

Long term goals for Angels of Addictions include raising money for a yearly scholarship in Jacqueline Zanfagna's name for an outstanding student who plans to work in addiction recovery and art therapy. Angels of Addictions also plans to support other local addiction resources including a sober house for heroin addictions.

THE MEDICARE BENEFICIARY  
ENROLLMENT IMPROVEMENT ACT

---

**HON. JIM McDERMOTT**

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 17, 2016*

Mr. McDERMOTT. Mr. Speaker, I rise today to introduce the Medicare Beneficiary Enrollment Improvement Act. This bill provides newly-eligible Medicare beneficiaries with clearer, easier-to-understand information in their Welcome to Medicare package. This will help beneficiaries make better informed decisions regarding their options for receiving benefits through the Medicare program.

The decisions that newly-eligible beneficiaries make have consequences that can last a lifetime. For example, individuals who opt out of Part B coverage during their initial enrollment period must pay a lifetime premium penalty of 10 percent for each 12-month period in which they were not enrolled. By reforming the Welcome to Medicare package, this bill makes a small but important improvement that will provide beneficiaries with the information they need to fully understand their options.

IN HONOR OF THE 20TH ANNIVERSARY OF THE TAIPEI CHINESE CULTURE SUMMER CAMP

**HON. PAUL A. GOSAR**

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 17, 2016*

Mr. GOSAR. Mr. Speaker, I rise today to congratulate the Taipei Chinese Culture Summer Camp on its 20th anniversary.

The Taipei Chinese Culture Summer Camp, held in Phoenix, has been recognized for its outstanding performance time and time again. It was designated as an official Arizona Centennial Event, it has been recognized here in Congress, and it is a recipient of the Phoenix Mayor's Partnership Award.

Phoenix, Arizona and Taipei, Taiwan have enjoyed a Sister Cities Relationship for 37 years. The industrious people of Taipei share many things in common with Arizonans, including a strong work ethic, a peaceful nature, a love of nature and beauty, and amazing architecture.

The camp will take place June 13–17, 2016 and is open to students from all schools. This camp will promote Taiwanese and Chinese Culture, Folk Arts and Sports. In addition, it will educate our youth regarding the importance of cultural awareness and show the many similarities between our two cultures. The camp will also let children learn leadership and teamwork skills while also teaching an understanding of international issues and friendship among our nations. Perhaps most importantly for the children, it will be fun.

We recognize these achievements and encourage them to grow in the future. Again, it is my pleasure to congratulate the Taipei Chinese Summer Camp on its 20th anniversary.

HONORING JOSEPH ROBERT LEE  
SIGRIST

---

**HON. SAM GRAVES**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 17, 2016*

Mr. GRAVES of Missouri. Mr. Speaker, I proudly pause to recognize Joseph Robert Lee Sigrist. Joe is a man who has exemplified the finest qualities of citizenship through his service in the United States Navy during the Second World War.

Joe enlisted in the Navy in 1943 where he performed vital maintenance on naval ships throughout California, Japan, and the Pacific until he completed his service in 1946. After the war, Joe continued his important work by attending the Colorado School of Mines. He worked as a machinist and tool and die maker before moving to St. Joseph, Missouri to work at Goetz Brewery. However, it could be said that one of his most notable accomplishments is his over 50 year marriage to his wife Phyllis.

Mr. Speaker, I proudly ask you to join me in commending Joseph Sigrist for his service to our country—a service that preserved the freedom of his fellow citizens and the future of the United States of America.

COURTNEY GRIFFIN'S STORY

**HON. FRANK C. GUINTA**

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 17, 2016*

Mr. GUINTA. Mr. Speaker, Courtney Griffin was an energetic child who always did well in her classes. Once she reached high school, her parents were amazed at her maturity and work ethic when she got her first job. In order to continue working her job, Courtney's parents allowed her to get a car to drive to and from work. Courtney's job required her to work late hours and she began hanging around the wrong people. She started coming home later and later, her grades fell and pills started going missing in their house. The older she got, the more times money and pills would go missing. Courtney was eventually accepted into the University of Hawaii, but her parents made her stay an extra year at home to prove she would not continue her behavior in college. Courtney began working for her father, handling all inventory duties for his business. She gradually saved up enough money to buy another car and got a boyfriend. But then Courtney's story took a turn for the worst and she began abusing heroin. She began disappearing for long periods of time and began stealing money from her father's company. Her parents tried to find her treatment, but all of the options were too expensive and their insurance company would not cover the bills. So they took Courtney to emergency rooms, hoping to get her admitted and treated. At every hospital she was released within an hour without any form of treatment. The local authorities told them that the only way to get Courtney help was to kick her out and cut her insurance so she could receive homeless benefits. Once her parents cut her off, Courtney moved in with her boyfriend's grandparents. Eventually, her boyfriend was arrested for violating parole and she was all on her own in a strange home with people she did not know. One night, she bought and used a dose of fentanyl that was 80 times stronger than she thought. That night, she drifted away and never woke up. In one day, Courtney's parents lost their child to an addiction that went untreated. Courtney's boyfriend overdosed in the same house, in the same room, in the same bed just a short while later.

TRIBUTE TO ELIZABETH AND  
DALE WICHMAN

---

**HON. DAVID YOUNG**

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 17, 2016*

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Elizabeth and Dale Wichman of Council Bluffs, Iowa, on the very special occasion of their 60th wedding anniversary. They were married on April 5, 1956, at Fort Lewis, Washington.

Elizabeth and Dale's lifelong commitment to each other and to their children, Michael, Susan, Sandra, and Julie, and their grandchildren and great-grandchildren truly embodies Iowa values. It is because of Iowans like you that I'm proud to represent our great state.

Mr. Speaker, I commend this great couple on their 60th year together, wishing them many more. I know my colleagues in the United States House of Representatives will join me in congratulating them on this momentous occasion.

PAYING TRIBUTE TO DR. EUGENE B. HABECKER FOR HIS 11 YEARS OF OUTSTANDING SERVICE AS PRESIDENT OF TAYLOR UNIVERSITY

**HON. SUSAN W. BROOKS**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 17, 2016*

Mrs. BROOKS of Indiana. Mr. Speaker, I rise today to honor Dr. Eugene Habecker on the occasion of his retirement. For the past eleven years Dr. Habecker has devoted his life to providing an exceptional educational experience to the students of Taylor University. The people of Indiana's Fifth Congressional District are forever grateful for Dr. Habecker's dedication to the education of our country's future leaders.

Dr. Habecker demonstrated a lifetime passion for education, including his own. Before becoming the 30th President of Taylor University in 2005, he received a number of degrees. He is a proud Taylor University alumnus, receiving his bachelor's degree from Taylor University in 1968. He then went on to earn a master's degree from Ball State University in 1969, Ph.D. from the University of Michigan in 1981, J.D. from Temple University in 1974, a certificate from Harvard University in 1986, and several honorary degrees from numerous colleges and universities.

After earning an impressive number of degrees, he continued pursuing his passion for education. He held executive leadership positions at several educational institutions including George Fox University in Newberg, OR and Eastern University in St. Davids, PA. He served as President of Huntington College in Huntington, IN from 1981–1991, and was President and CEO of the American Bible Society from 1991–2005 before he returned to his alma mater to serve as President of Taylor University.

Taylor University, located in Upland, IN, was founded in 1846, making it one of the oldest evangelical Christian colleges in America. Throughout his tenure as President of Taylor University, Dr. Habecker has been instrumental in ensuring that Taylor's strong history as a university continued to flourish and grow. Under his leadership, Taylor University has been ranked the number one Midwest University in the category "Best Regional Colleges" by US News & World Report for nine years

straight (2007 through 2016). He is also credited with raising \$180 million for operating, endowment, and capital projects. The funds raised have gone to many projects that have enhanced student life such as campus beautification projects, construction of new living centers, major upgrades to athletic facilities, and the establishment of international centers and a highly successful study abroad program. He also brings a group of students to the National Prayer Breakfast in Washington, D.C. each year, recognizing the importance of young Christians participating in this historic annual breakfast designed to serve as a forum for political, social, and business leaders to create a dialogue and build relationships.

His wife, Marylou, who is also a 1968 graduate of Taylor, has been influential as well with her diverse and extensive work in campus ministries. Marylou and Dr. Habecker have a clear passion for education and love for Taylor University. The school is dedicated to living life together in a discipleship community, and Dr. Habecker and Marylou have been exceptional leaders in facilitating such an environment.

Due to his astounding leadership, Dr. Habecker was chosen to serve on several boards including the Christian Management Association, National Association of Evangelicals, and Council for Christian Colleges and Universities. Additionally, he was selected to serve on three international boards, most notably the United Bible Societies Global Board. Through his work with the United Bible Societies Global Board and through Taylor University, Dr. Habecker and Marylou have traveled extensively, both nationally and globally. The primary focus of their travels has been promoting and educating others on how to be a successful leader in Christian education.

Dr. Habecker's astonishing commitment to higher education in Indiana and success as a leader has not gone unnoticed. He was awarded the Christian Management Award from the Christian Management Association (1989), Distinguished Alumni Citation from Huntington College (1989), Life Enrichment Award from the Charles Drew University of Medicine and Science (1996), Layperson of the Year Award from the National Association of Evangelicals (1999), and finally, his own Taylor University selected him as the 1998 Distinguished Alumnus for Professional Achievement.

Dr. Habecker made a remarkable impression on the lives of his students, faculty, and the Taylor University community. He and Marylou have left a legacy of success at Taylor that will be built upon for decades to come. On behalf of Indiana's Fifth Congressional District, I'd like to congratulate Dr. Habecker on his noteworthy career and extend a huge thank you for all the wonderful contributions he has made to the Hoosier community. I wish the very best to Dr. Habecker, Marylou, their three children, and seven grandchildren as he enjoys a well-deserved retirement.

HONORING SARAH CONROY ON BEING ACCEPTED BY THE NATIONAL ACADEMY OF FUTURE PHYSICIANS AND MEDICAL SCIENTISTS AS A DELEGATE TO THE CONGRESS OF FUTURE MEDICAL LEADERS

**HON. BILLY LONG**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 17, 2016*

Mr. LONG. Mr. Speaker, I rise today to honor Sarah Conroy, of Ozark, Missouri, who has been accepted by the National Academy of Future Physicians and Medical Scientists as a delegate to the Congress of Future Medical Leaders.

The Congress of Future Medical Leaders is an honors-only program that is designed to motivate and direct the top students in the United States. It is specifically for students who aspire to be physicians or enter into the field of medical research, and helps to provide a path and mentorship for students to accomplish those dreams. It takes place at the University of Massachusetts over 3 days, and helps to spark meaningful dialogues and exchanges of ideas between future leaders in the medical field.

To be considered for acceptance as a delegate, applicants must be recommended by either a teacher or member of the Academy based on a proven track record of academic excellence. Students must have a minimum of a 3.5 GPA and represent all 50 states and Puerto Rico. It is an incredibly selective opportunity, and those students who qualify for selection have done so because of their hard work and diligence to their studies, not to mention their impressive intellect.

Mr. Speaker, Sarah Conroy, who attends Ozark High School, has shown a true passion for anatomy, biology and health science. Moreover, Sarah has excelled in her academics and will no doubt make Missouri proud as one of our delegates. I would like to extend my personal congratulations for her achievement, and on behalf of the 7th District of Missouri, I would like to thank her for representing our district.
