

and for military construction, to prescribe military personnel strengths for such fiscal year, and for other purposes:

Mr. DOLD. Mr. Chair, I rise today to highlight the importance of my amendment to extend the authorization of a Naval construction project located at Great Lakes Naval Station in Illinois for one year.

In 2013 the installation at Great Lakes reached out to request funds for the construction of a new unaccompanied housing building on the base for recently enlisted individuals. The current housing building is suffering from ongoing maintenance issues making the building unsuitable and inadequate.

Mr. Chair, this year's NDAA represents a renewed investment in our soldiers with a pay raise, increased access to health care, and a number of other positive steps to support our fighting men and women. My amendment represents another positive investment in our troops. These men and women deserve to be housed in good conditions. This amendment does not add any cost to the legislation, and simply extends the authorization of this already appropriated for construction project for Fiscal Year 2017.

CONGRATULATING KIM BARKS OF COMPLETE TRUCK & RV REPAIR FOR RECEIVING THE CITY OF ST. CHARLES ECONOMIC DEVELOPMENT DEPARTMENT 2016 EMPLOYER OF THE YEAR AWARD—JACK HECK AWARD

HON. BLAINE LUETKEMEYER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2016

Mr. LUETKEMEYER. Mr. Speaker, I rise today to honor a constituent of mine, Kim Barks. She is the owner of Complete Truck & RV Repair and is receiving the 2016 Employer of the Year Award—Jack Heck Award from the City of St. Charles Economic Development Department.

When Complete Truck & RV Repair opened as a family-run business in 2013, it had ten employees. Now, the shop is staffed by 22 employees and has been able to add Restoration, Fabrication, Auto & RV Detailing, and Towing Services. The Barks family also added another location for RV storage to continue serving their customers.

To say that Complete Truck & RV Repair contributes to the St. Charles community would almost be an understatement. Kim and her father are passionate about animals and built a dog park for guests who come to service their vehicles. Kim is also a supporter of the organization Dogs on Duty, Five Acres Animal Shelter, and the Humane Society.

Another part of Complete Truck & RV Repair's community outreach is its contribution to the St. Charles' Backstoppers. Kim's father has helped the Backstoppers raise money for over 15 years. Complete Truck & RV Repair is hosting the 1st Annual Backstoppers Summer Dance June 24th at the Machinists' Hall to continue this fundraising effort. The Barks and their repair business work year round to raise awareness for the Backstoppers. The business owns a fire truck, named Red. Red travels around town to various fire houses to promote awareness of the Backstoppers fund. Red also can be seen in various city parades.

Complete Truck & RV Repair hires veterans and is part of the Hire Heroes Program. The business honors veterans by giving them a discount. It currently has five veterans employed on the Complete Truck & RV Repair staff. Complete Truck & RV Repair also gives Police Officers, EMS, and Firefighters a discount on services.

I ask you to join me in recognizing Complete Truck & RV Repair for its accomplishment as the 2016 Employer of the Year Award—Jack Heck Award.

RECOGNIZING MARINE CORPS
MASTER SERGEANT FRANK
MASON

HON. DUNCAN HUNTER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2016

Mr. HUNTER. Mr. Speaker, five years ago, I had the honor of bringing to the attention of this House a tribute for a great Devil Dog celebrating his 90th birthday. Once again, I have been given this honor and rise to recognize Marine Corps Master Sergeant Frank Mason who will be turning 95 this month.

As I said at that time, Frank is part of America's greatest generation who led our nation to victory in World War II and came home to live a life every one of us should be blessed to have. On May 3, 2011, I outlined Frank's life story of service and sacrifice in great detail, so here I will just remind everyone briefly that he enlisted in the Marine Corps at 17, proudly serving in World War II in China and the Philippines, held as a prisoner of war for over three years, and once again served during the Korean War, including the critical and historic Battle of the Chosin Reservoir.

While I initially searched for new words to describe Frank and his service, I have come to the realization that what was stated five years ago remains the best description and rings just as true today. So, with no apology for repeating my previous remarks, I believe Frank's account of these events aptly reflects the attitude of a Marine rifleman and the proud tradition and honor of the Marine Corps to this very day. Frank asserted, "We never surrendered. We were ordered to stop fighting."

I will also repeat the quote I used at the time from Ronald Reagan, "Some people live an entire lifetime and wonder if they have made a difference in the world. Marines don't have that problem." Mr. Speaker, as a fellow Marine and a Member of Congress that represents Frank in this body, I am proud to once again thank him for his service and wish him all the best as he celebrates his 95th birthday. Frank, we are honored by the example you provide. Semper Fidelis.

HONORING THE CAREER OF HON.
JOHN T. CURTIN

HON. BRIAN HIGGINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2016

Mr. HIGGINS. Mr. Speaker, I rise today to honor the career and legacy of service of the Honorable John T. Curtin who is celebrating

his retirement from the post as a United States District Judge for the Western District of New York. After 48 years on the bench, no other local judge has served longer or, many would argue, with greater distinction than Judge Curtin.

Nominated by President Lyndon B. Johnson in 1967 at the urging of Sen. Robert F. Kennedy, Curtin was a U.S. District Attorney with a reputation for organized crime investigations. As a federal judge, it was the 1972 Buffalo Public Schools desegregation suit that made Curtin a household name. His ruling led to a plan that included the forced busing of black and white students and the creation of specialized magnet schools designed to encourage the voluntary transfer of children. The order he signed would be hailed as a national model for how to integrate a diverse school district. Curtin also issued orders to desegregate Buffalo's police and fire departments, a move that ushered in a new generation of women and minority officers and firefighters which remains in effect to this day.

In the late 1980s and early 1990s, Curtin oversaw a huge lawsuit about toxic waste dumped in the Love Canal neighborhood of Niagara Falls. The case led to the relocation of hundreds of residents and became a national rallying cry for environmentalists. He would then later oversee the L.A. Boys gang case, in which he gave two of the longest prison terms in local history. Also, before most other Americans, he recognized the futility of the war on drugs and the damage it caused, when he stopped hearing drug cases more than 20 years ago.

Inside and outside the courtroom, Curtin was known for his soft-spoken demeanor and even-handed temperament. Curtin was well known for his courage and independence and his retirement marks the end of an era in Buffalo federal court, an era marked by landmark rulings and historic court cases.

Mr. Speaker, thank you for allowing me a few moments to honor the career of the Honorable John T. Curtin. I ask that my colleagues join me in expressing our congratulations on an accomplished career and to commend his dedication to his profession and the Western New York community.

HONORING THE LIFE OF JOHN D.
WAGNER

HON. TIM RYAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2016

Mr. RYAN of Ohio. Mr. Speaker, I rise today to honor the life of John D. Wagner, an outstanding member of the Northeast Ohio community who passed away on April 28th at the age of 69.

A lifelong resident of Barberton, Ohio, Mr. Wagner spent his life dedicated to service. One who not only provided for his family as a business manager of the local Number 219 Plumbers and Pipefitters Union, but also as one who provided for the members of his community. He served on multiple boards and councils, such as the Barberton City Council and the executive board of the Ohio AFL-CIO, just to name a few. John was also known for coaching the Barberton American Little League for many years.

He will be deeply missed by his friends, family, and the hard-working folks he helped to represent. Mr. Wagner's passion and leadership for his community serves as a hallmark not only for the city of Barberton, but for all of us who are making differences for the people we represent.

IN RECOGNITION OF NATIONAL
POLICE WEEK

HON. ROD BLUM

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2016

Mr. BLUM. Mr. Speaker, I rise today in recognition of National Police Week to honor the brave men and women in uniform who serve the First District of Iowa.

Every day, our Nation's law enforcement officers selflessly put their lives in danger to protect our communities. Having recently participated in a police ride along in Dubuque and Waterloo, I had the chance to experience their duties first hand—and my respect for these individuals only increased after seeing their dedication.

Today, the Cedar Falls Police Department hosts a memorial event for the Black Hawk County Peace Officers fallen in the line of duty. I am proud of my district for honoring these brave men and women. On behalf of the 194 law enforcement officers in Iowa who gave their lives last year, I offer my gratitude for their service and my prayers for their families, friends, and colleagues.

I respectfully urge my colleagues in the House of Representatives to continue to support the officers who lay their lives on the line for our safety. I am proud to stand before you today to personally thank every law enforcement officer in the First District of Iowa—and around the country—who put themselves in harm's way in order to keep us safe.

HONORING BENJAMIN COHEN

HON. DEBBIE WASSERMAN SCHULTZ

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2016

Ms. WASSERMAN SCHULTZ. Mr. Speaker, I rise today to congratulate Benjamin Cohen, son of Nicole and Adam Cohen, on the occasion of his Bar Mitzvah. Benjamin, a political enthusiast and true active citizen, will be called to the Torah on May 29, 2016. I offer my heartfelt wishes as he begins this next stage in his Jewish life, passing on our Jewish traditions from generation to generation (l'dor v'dor).

It is with great pleasure that I honor Benjamin and his family in the CONGRESSIONAL RECORD.

HONORING THE U.S. ARMY CORPS
OF ENGINEERS' PHILADELPHIA
DISTRICT

HON. ROBERT A. BRADY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2016

Mr. BRADY of Pennsylvania. Mr. Speaker, I rise today to honor the U.S. Army Corps of

Engineers' Philadelphia District, which this year is marking its 150th anniversary.

Since Lieutenant Colonel C. S. Stewart was assigned as Superintending Engineer of the Harbor Improvements of the Delaware in July 1866, the men and women of the District have been meeting the Nation's challenges with engineering solutions both in war and in peace, to include building up Frankford Arsenal, the Philadelphia Quartermaster Depot, Fort Monmouth, Fort Dix, McGuire Air Force Base, and Dover Air Force Base; designing and constructing the Army's dredges, survey boats, work boats and barges, and other vessels; keeping the Delaware River, Chesapeake and Delaware Canal, and other waterways open and vital to maritime commerce; completing the Nation's first comprehensive basin-wide study, leading to a system of dams and levees that reduced flood damages within the Delaware River Basin; cleaning up contaminants from around and under abandoned industrial sites; and using dunes and beach nourishment to reduce storm damages along the New Jersey and Delaware coasts.

Through it all, this organization has developed a solid and well-earned reputation for integrity, innovation, responsiveness, customer service, and quality excellence.

Mr. Speaker, I ask that you and my other distinguished colleagues join me in celebrating the Philadelphia District's century and a half of outstanding service to the Nation.

TRIBUTE TO DORIS GIBSON

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2016

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize Doris Gibson, of Kellerton, Iowa, on the celebration of her 101st birthday.

Our world has changed a great deal during the course of Doris's life. Since her birth, we have revolutionized air travel and walked on the moon. We have invented the television, cellular phones, and the internet. We have fought in wars overseas, seen the rise and fall of Soviet communism, and witnessed the birth of new democracies. Doris has lived through seventeen United States Presidents and twenty-one Governors of Iowa. In her lifetime, the population of the United States has more than tripled.

Mr. Speaker, it is an honor to represent Ms. Gibson in the United States Congress and it is my pleasure to wish her a very happy 101st birthday. I ask that my colleagues in the United States House of Representatives join me in congratulating Doris for reaching this incredible milestone and in wishing her nothing but the best.

HONORING KELSIE ELLINGSWORTH
ON BEING ACCEPTED BY THE
NATIONAL ACADEMY OF FUTURE
PHYSICIANS AND MEDICAL SCI-
ENTISTS AS A DELEGATE TO
THE CONGRESS OF FUTURE
MEDICAL LEADERS

HON. BILLY LONG

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2016

Mr. LONG. Mr. Speaker, I rise today to honor Clever High School student Kelsie Ellingsworth, of Clever, Missouri, on her being accepted as a delegate to the Congress of Future Medical Leaders by the National Academy of Future Physicians and Medical Scientists.

The Congress of Future Medical Leaders is an honors-only program that is designed to motivate and direct the top students in the United States. Specifically, it's designed for students aspiring to become physicians or medical researchers, and provides a path and mentorship for students to accomplish their goals.

To be considered for acceptance as a delegate, applicants are either recommended by a teacher or member of the Academy based on a proven track record of academic excellence. Delegates represent all 50 states plus Puerto Rico, and must have a minimum 3.5 GPA. Students like Ellingsworth who qualify for this incredibly selective honor exemplify top-tier diligence and academic talent.

Mr. Speaker, Kelsie Ellingsworth has not only excelled in her academics, but has shown a passion for science and medicine that will serve her future aspirations well. I urge my colleagues to join me in congratulating her for this achievement. On behalf of Missouri's Seventh Congressional District, I wish Kelsie the best of luck in all her future endeavors.

RECOGNIZING THE CITY OF HAY-
WARD'S WATER POLLUTION CON-
TROL FACILITY ON ITS RECENT
AWARDS

HON. ERIC SWALWELL

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2016

Mr. SWALWELL of California. Mr. Speaker, I rise to recognize the City of Hayward's Water Pollution Control Facility ("Facility") on its pioneering accomplishments in green energy and waste management.

In 2010, the Facility was costing Hayward approximately \$578,000, which was about 20 percent of its total energy cost and 10 percent of the Facility's budget. It also produced approximately 20 percent of Hayward's greenhouse gas emissions.

The year before, the City had adopted its Climate Action Plan with a goal of reducing its greenhouse gas emissions by 20 percent by 2020. Part of this effort was to improve the Facility, allowing it to generate all of its own power with clean or renewable energy sources, but without tapping into Hayward's general fund.

Using outside funding, including multiple incentive programs from the California Public
