THE LANTOS FOUNDATION FOR
HUMAN RIGHTS AND JUSTICE'S
SOLIDARITY SABBATH

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 19, 2016

Mr. HASTINGS. Mr. Speaker, I rise today in support of the Lantos Foundation's second Solidarity Sabbath, which highlights the deplorable human rights violations committed by the People's Republic of China against its citizens who simply wish to openly and sincerely practice their respective faiths.

Many of us will attend worship services in the coming days and we will do so without fear of arrest, torture, or forced re-education. I hope that those of us attending services this weekend will take time to meditate and pray on the importance of religious freedom here at home and around the world. The human spirit is remarkably resilient. This resiliency is undoubtedly strengthened through religious faith and practice and cannot and will not be extinguished through the draconian state action we see taking place in China. Indeed, as I am sure the Chinese government is realizing, its draconian tactics to suppress and intimidate the religious faithful do not diminish the numbers of those seeking to practice their faith but rather multiplies their number exponentially.

Sadly, there are myriad cases of people of faith being harassed, intimidated, and arrested today in China. Indeed, Protestant, Catholic, Tibetan Buddhist, Uyghur Muslim, Falun Gong, and other religious minorities face such a reality every day. A recent survey of religious intimidation in China noted that Chinese officials oversaw the demolition of over thirty churches, the removal of more than four hundred crosses from houses of worship, and the detention of over three hundred worshipers with half of these people suffering injuries sustained during their arrests. It should be noted that this paints a picture for just one province in China; there are many similar stories across China where those seeking to simply practice their respective faiths are consistently harassed, detained, and injured for exercising a basic human right.

While we must certainly lend our support to the religious faithful in China as they strive to exercise their basic human right to worship where, when and what they so desire, we must also applaud and support the brave human rights lawyers in China who champion the rights of the religious faithful in the face of unthinkable intimidation as practiced by the Chinese government. These brave men and women have provided rule of law training to church members throughout China. Indeed, this past year these lawyers were able to conduct over one hundred trainings for over one

hundred thousand religious practitioners. This has resulted in these practitioners filing important administrative lawsuits against the government in an effort to quell the Chinese government's acts of religious persecution.

Mr. Speaker, I applaud the Lantos Foundation for its inspired work to bring light to the plight of the religious faithful in China. I will this weekend, as I always have and will continue to do, stand in solidarity with my brothers and sisters of faith in China. Their right to practice their religion is a fundamental right and it must be protected.

BOYS & GIRLS CLUB OF THE MS
GULF COAST 50TH ANNIVERSARY

HON. STEVEN M. PALAZZO

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 19, 2016

Mr. PALAZZO. Mr. Speaker, I rise today to honor the Boys & Girls Club of the Mississippi Gulf Coast on the occasion of their 50th Anniversary.

In serving the citizens of Mississippi's Fourth Congressional District, I am proud to meet people of all kinds, especially young people who have their hopes and dreams still ahead of them. As part of their daily routine, they must decide what actions they will take that day which will, in turn, affect their future. The Boys & Girls Club of the Gulf Coast plays a vital role in shining a ray of hope into the lives of young people who may not see a bright future ahead of themselves.

Originally named the Biloxi Boys Club, the organization began in 1966, with the help of the Biloxi Jaycees, to serve 15 young men. Today, there are over 1,700 registered members, five locations, and a daily attendance of approximately 800 young men and women of the Gulf Coast region.

It is our responsibility, as a community, to invest in the lives of our future leaders. The Boys & Girls Club of the Gulf Coast strives to develop productive, responsible, and caring citizens.

The organization leads our community's efforts to improve academic success, healthy lifestyles, and good character in our young men and women. This is accomplished by offering our young people a safe and supportive place to go and by providing them with quality programs to teach responsibility, positive character development, sports, and academic progress, among other important aspects of leadership.

The Boys & Girls Club of the Gulf Coast is a valuable asset for our Coast children. Once again, I commend the Boys & Girls Club of the Gulf Coast as they mark the 50th anniversary of improving young lives along the Mississippi Gulf Coast.
