

## HONORING THE EDISON 64

**HON. ROBERT A. BRADY**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, May 26, 2016*

Mr. BRADY of Pennsylvania. Mr. Speaker, I rise today to honor the Edison 64. These 64 former Thomas Edison High School students from Philadelphia, Pennsylvania, made the ultimate sacrifice, giving their lives fighting in the Vietnam War—becoming the highest number of casualties from the war experienced by any high school in the United States.

Honoring these former students has been an ongoing tradition. In 1989, through private funds and fundraising, staff and students dedicated a bronze memorial plaque for public display in the new Edison-Fareira High School. A memorial garden was also built on the school premises. Twenty-five years later, on November 8, 2014, a Pennsylvania Historical Marker was dedicated on the site of the original Thomas A. Edison High School located at 8th Street and Lehigh Avenue. This tradition of respect continues on to the present where annual candle lighting ceremonies are held to honor the young men whose lives were ended too early. The ceremonies are educational in nature, the focus of which is sharing Edison's proud legacy with the current student body and new staff. Ceremonies are held prior to the Memorial Day Holiday. Over a hundred veterans, some survivor families and many Edison alumni attend this very special assembly.

The newest honorarium for the Edison 64 will take place on May 27, 2016. In commemoration of the sacrifice of these young men and in recognition of the loss to the community, Luzerne Street between Whitaker Avenue and North 5th Street (in front of the new Edison High School located at 151 West Luzerne Street) will be renamed "Edison 64 Memorial Street."

Mr. Speaker, the unselfish sacrifice, courage and dedication to the welfare of our country will never be forgotten and I ask that you and my distinguished colleagues join me in honoring the memory of the Edison 64.

## HONORING COLONEL BERT RICE

**HON. C. A. DUTCH RUPPERSBERGER**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Thursday, May 26, 2016*

Mr. RUPPERSBERGER. Mr. Speaker, I rise before you today to recognize Colonel Bert Rice—a United States veteran and dedicated civilian employee—on the occasion of his retirement after more than 60 years of service to his country.

A Montana native, Colonel Rice joined the U.S. Army Reserves as a private in 1956. He earned his degree from Montana State University and, as an ROTC distinguished graduate, was commissioned a 2nd Lieutenant of infantry in 1959. He went on to achieve his Master's Degree in supervision and management at Central Michigan University in 1977.

Colonel Rice's highly decorated active duty career spanned 30 years, including two tours of duty in Vietnam, where he flew armed helicopters and, in his second tour, commanded Company B, 25th Aviation Battalion, 25th Infantry Division. Colonel Rice also served in Iran during its revolution in 1979. His many stateside assignments include three years with the Pentagon.

In 2003, Colonel Rice was hired by the Department of the Army at Fort Meade, Maryland, where he worked until his recent retirement. He served as project officer and program manager for several important efforts that included infrastructure improvements and the major BRAC undertaking that brought thousands of new jobs to the base and the region.

While too numerous to mention in their entirety, Colonel Rice's military decorations include the Silver Star, Legion of Merit, Distinguished Flying Cross with OLC, Bronze Star with OLC, Joint Service Medal and the Army Commendation Medal with OLC. He also has many civilian accolades.

Colonel Rice's many volunteer efforts reflect the servant-hearted manner in which he approached every aspect of his life. He served as Commander-in-Chief of the Military Order of World Wars, an organization for retired military. In 2007, Colonel Rice was named Greater Odenton Improvement Association's Citizen of the Year for his community service.

Colonel Rice is a dedicated husband to his wife of 56 years and a committed father to two Army combat veterans. He also has four grandchildren.

Mr. Speaker, I have had the privilege of personally knowing Colonel Rice since his days serving on the Anne Arundel County Council. I know him to be a hard-working, patriotic and ever-helpful community leader. I ask that you join with me today to honor Colonel Bert Rice, whose life of service to the United States is deserving of our deepest gratitude. It is with great pride that I congratulate him on his retirement and wish him many more years of continued success and happiness.

HUMAN RIGHTS DEFENDER AND  
POLITICAL PRISONER, TRAN  
HUYNH DUY THUC

**HON. LORETTA SANCHEZ**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, May 26, 2016*

Ms. LORETTA SANCHEZ of California. Mr. Speaker, for the past few days, I've followed President Obama's engagement with the citizens and government of Vietnam. It was a momentous occasion for the Vietnamese people to have their struggles acknowledged by the President of the United States.

I commend President Obama for emphasizing human rights and promoting freedom of speech, assembly, and expression; as well as internet freedom, education and economic reforms. Yet, I am disappointed that President Obama did not call for the release of all political prisoners and did not publicly name the human rights activists who were detained and prevented from meeting with him.

I would like to call attention to a courageous human rights defender and political prisoner, Mr. Tran Huynh Duy Thuc. As a blogger and entrepreneur, Mr. Thuc peacefully called for political and economic reform in Vietnam. In 2009, Mr. Thuc was arrested, and in 2010, during a one-day trial, he was prosecuted for "conducting activities aimed at overthrowing the people's administration" under Article 79 of the Penal Code. The Vietnamese government sentenced him to 16 years imprisonment and 5 years house arrest upon release. To protest the ongoing injustices and mark the seventh year of his unjust imprisonment in the Nghe An prison, Mr. Thuc has begun an indefinite hunger strike.

I urge you to stand in solidarity with me to shine a light on Mr. Thuc's plight as he courageously fights for the basic freedoms and rights that Americans treasure.

THE WORST CASUALTY OF WAR IS  
TO BE FORGOTTEN**HON. TED POE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, May 26, 2016*

Mr. POE of Texas. Mr. Speaker, on Monday, we celebrate Memorial Day and across the nation Americans will gather to pay tribute to our soldiers, sailors, airmen and Marines who go overseas and do not return. They are from every state and territory. They are from farms, ranches and cities. They are of all races and both sexes. They are rich and poor, but generally they are young. They are patriots, defenders of freedom and volunteers to serve our great nation. We remember all of those who have paid the ultimate sacrifice so that we can live freely.

It all started in 1868 when widows and girlfriends of soldiers killed in the War Between the States started putting flowers on the graves of Confederate and Union soldiers in Arlington Cemetery. And thus began what was initially called "Dedication Day," and now Memorial Day.

If we recall our history we must remember that during the War Between the States, there were 350,000 Confederates that were killed and 455,000 Union soldiers that were killed, and regardless of the politics, they were all Americans—America's youth. And thus began what we now call Memorial Day, the last Monday in May.

Memorial Day is a special event for people in Texas because, around 125,000 Texans are serving our nation, today and every day. Texans have always been willing to volunteer to support our country, and that says a lot about our country.

In another war, the war to end all wars, 5,000 Texans gave their lives. Boys who grew up on farms in Texas suddenly became men as they found themselves in the muddy, rainy, and bloody trenches an ocean away.

Life in the trenches was hard. Men were constantly bombarded with artillery and machine gun fire. And they often faced the danger of going over the trenches and crossing no man's land, trying to repel the enemy forces attempting the same.

In the midst of battle and in the face of the enemy, some men displayed tremendous gallantry and were awarded medals for their actions. However, the greatest casualty of war is to be forgotten. More soldiers died during World War I than in Korea, Vietnam, both Iraq Wars and Afghanistan combined. It is only fit-

ting that they are honored in our nation's capital.

After the long process of passing the creation of the WWI memorial and creating and funding the WWI commission through Congress, it was signed into law. Now, we have finally arrived at a design for the National WWI memorial at Pershing Park. The "Weight of Sacrifice" was chosen by the WWI commission. Soon, veterans of the war to end all wars will be properly honored in our nation's capital.

This Memorial Day, we remember those who served and who did not make it back home. On Monday, I will be honoring our fallen heroes at the Houston National Cemetery, as Americans across the nation observe this day of remembrance. We remember their sacrifices and that of their families. To those who gave their all to serve our country, America is eternally grateful. We remember each and every one of them because the worst casualty of war is to be forgotten.

And that is just the way it is.

HONORING THE LIFE AND LEGACY  
OF MR. BOSIE EDWARDS**HON. DANNY K. DAVIS**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, May 26, 2016*

Mr. DANNY K. DAVIS of Illinois. Mr. Speaker, Bosie Edwards was no ordinary man, he was multi-talented, seriously focused and good at practically everything that he did. I have known him for many years because he was always intimately connected and actively engaged in the community. He was an excellent social worker and was recognized as one of the top gang intervention and youth violence prevention specialists in the city. Of course that was only one aspect of his being. When it came to music he was top of the line, a maestro, a band leader, a choreographer, a smooth jazz, rhythm and blues music man, gentleman of leisure, and the top band in town. I have heard them many, many times and never got enough.

Finally Bosie has been a regular on cable television with his own very interesting show which has been watched religiously by thousands of individual on a regular basis.

Yes, Bosie Edwards made a great impact on the lives of those who knew and/or came into contact with him.

I extend condolences to his family, friends and all who knew and loved him.

RECOGNIZING CAROL SHIMIZU ON  
HER RETIREMENT**HON. ERIC SWALWELL**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, May 26, 2016*

Mr. SWALWELL of California. Mr. Speaker, I rise to recognize Carol Shimizu on the occasion of her retirement after 48 years of dedicated public service as an educator.

Carol's educational career began in 1968 as a preschool and kindergarten teacher in Germany. She moved to San Jose where she went on to become a high school English and childhood development teacher and later an administrator. Shimizu was hired as principal of Dublin High School (DHS) in 2004.

Under her stewardship, both the physical and academic environment at DHS has been transformed, and the school is now widely regarded as one of the top high schools in California. The rate of students heading to four-year colleges has risen dramatically, with graduates going on to the nation's most prestigious colleges, universities, and postsecondary programs.

DHS saw its Academic Performance Index (API) climb every year during her tenure, jumping from 793 to an all-time high of 880 in the last year the API was measured by the state. The number of honors and AP courses offered increased from 12 to 24, while both enrollment and scores for students taking AP, SAT, ACT, and PSAT rose dramatically, earning DHS AP Honor Roll status from the College Board.

Carol successfully initiated Academies and Pathways in Engineering, BioMedical, Culinary Arts, Visual and Performing Arts, and Digital Media. DHS also implemented a comprehensive College and Career Readiness program for all students, including the addition of the "Gael Period", Freshmen Seminar, and the Freshmen Mentoring Program.

In addition, under Carol's leadership DHS's facilities have been extensively modernized, remodeled, and rebuilt to support 21st century learning. The \$120 million of renovation and expansion overseen by Carol has successfully accommodated a campus population that has nearly doubled during her time as principal.

Carol has fostered lasting, productive partnerships in the community and has laid the groundwork for an ever-expanding offering of programs and opportunities for all DHS students. I wish to congratulate her on a long and distinguished career, and wish her health and happiness in retirement.
