IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 7, 2016

Mr. VISCLOSKY. Mr. Speaker, I am honored to stand before you and my colleagues today to congratulate Reverend Pharis D. Evans on his 55th anniversary as Pastor of Clark Road Missionary Baptist Church in Gary, Indiana. For his lifetime of leadership and tireless dedication to his congregation and to the community in Gary and beyond, he is worthy of the highest praise. In his honor, a celebratory banquet hosted by Clark Road Missionary Baptist Church will take place on June 13, 2016.

Pharis Evans graduated from Haywood High School in Brownsville, Tennessee. As a young boy, his passion for theology grew from the church services he attended, and he knew early on that he was destined to be a preacher. He studied theology at Chicago Baptist Institute and continued his studies at Calumet

College of Saint Joseph in Whiting. It was on the first Sunday in April 1961, when Pharis D. Evans was first selected to lead Clark Road Missionary Baptist Church. For the past 55 years, he has administered spiritual guidance to a congregation that presently serves more than 800 parishioners. Pastor Evans's impact through his spiritual teaching has been immeasurable, and those he has mentored can all attest to his generous nature. Additionally, Pastor Evans has served as President and Vice President of the Progressive National Baptist Convention for the state of Indiana and been a chaplain for the Gary Police Department. A passionate and proven leader, Pastor Evans has provided counsel for many young ministers in search of guidance and direction. For his selfless devotion to aiding those in need of spiritual guidance, Pastor Evans is to be commended.

Reverend Evans's exceptional dedication to the church and to his community is exceeded only by his devotion to his wonderful family. He and his beloved late wife, Ann, raised five wonderful children (one deceased), and have nine grandchildren (one deceased), and three great-grandchildren.

I am privileged and honored to call Pastor Evans my friend. More importantly, Reverend Pharis D. Evans has been a friend to all, the epitome of what we consider a Man of God. IN CELEBRATION OF THE 50 YEAR REUNION OF THE DILLARD HIGH SCHOOL CLASS OF 1966

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 7, 2016

Mr. HASTINGS. Mr. Speaker, I rise today to commemorate 50 years since the Class of 1966 graced the halls of Dillard High School in Fort Lauderdale, Florida.

Dillard has a storied past and a bright future. Originally established in 1907 as Colored School Number Eleven, its opening marked the beginning of monumental African American achievements in South Florida. At that time, Fort Lauderdale was a farming region where locals found it unnecessary to educate African Americans past the sixth grade.

Two decades later the school progressed under Principal Dr. Joseph A. Ely, who added more classes and sought to educate African American students past the sixth grade. He was also responsible for the school's current name, a nod to James Harvey Dillard, a white educator from Virginia, who was a black education advocate.

In 1948, Dillard's well-known jazz program was led by Julian Edwin "Cannonball" Adderley, who later became one of the best known jazz musicians in America. Adderley brought new life to the school and helped instill the importance of jazz in the students. He taught jazz when it had not yet been accepted as a classical art form, and while he was teaching jazz he was also teaching Bach and Beethoven.

Due to an expanding community, the high school grades were moved to a new facility at 2501 N.W. 11th Street in 1950, where the Class of '66 attended and graduated. Dillard High School is now one of 62 high schools in the Broward County Public Schools and has become a magnet school open to all of Broward County, hosting three programs:

Performing & Visual Arts where students collaborate and work with artists-in-residence, and have the privilege of working side-by-side with the professionals at the Broward Center for the Performing Arts, the Fort Lauderdale Museum of Art and other local arts organizations.

Emerging Computer Technology which offers a state-of-the-art technology curriculum that complements students' core academic requirements utilizing computers and the latest technologies to develop higher level thinking skills, critical research and study, communication, and problem solving.

Digital Entrepreneurship Academy where students understand the essentials for successful business plan development, start-up and operation using digital arts, and using technology to create art, music, multimedia and animation.

Mr. Speaker, clearly all Panthers can be proud of the history and future of Dillard High School. It is my absolute pleasure to wish those Panthers celebrating their 50th high school reunion on June 18, 2016, a joyous and spirited reunion.
